

IRRIGATION LOANS IN TWO DISTRICTS RECEIVE APPROVAL

(Continued from page one)

wrapped and sealed at Washington, D. C. and are ready for delivery, it was announced here today by Marshall N. Dana, regional adviser for the Public Works Administration.

Dana received a telegram this morning from Frank J. Keenan, financial adviser for the RFC, announcing the approval of loans for the two districts.

The money will be taken from the \$50,000,000 appropriation made by the last session of congress from the RFC funds for refinancing irrigation, drainage and levee districts organized under state laws, and in financial districts.

The Miller project in Idaho was the first district to receive money from this fund, and Ochoco and Hood River were next. The loans will mean the writing down of the outstanding debt against the districts, to enable settlers to pay their way.

Appraisal of the Medford Irrigation district has been completed and the report was dispatched Sunday night to Washington, D. C. The Gold Hill district appraisal was completed Monday and the Eagle Point and Rogue River district appraisals will be completed within the week.

The irrigation districts seek Reconstruction Finance corporation loans aggregating more than \$1,000,000 for refunding present outstanding indebtedness.

A decision on the local irrigation loans is expected soon after receipt in Washington of the appraiser's report.

NEW YORK, Dec. 19. — (AP) — Stocks did little or nothing today, mulling about in narrow and featureless channels. Both buyers and sellers were extremely timid and fractional fluctuations were the rule. Professionals accounted for the majority of the meager transactions. The close was a trifle irregular. Transfers approximated 1,000,000 shares.

TIGER BASKETEERS FACING TOUGH FOE COMING SATURDAY

With word received here that the Weed high school this season has the best basketball team in the history of the school, the Medford high school boys are looking for a fast game here Saturday night when they meet the Weed boys in the senior high school gymnasium at 8:30 o'clock.

Cochman Darwin K. Burgher said today that he was not sure who would start the game for Medford but that a number of enthusiastic boys have turned out for practice.

A preliminary game will probably be played between the Tiger Cubs, the second team, and some secondary high school in the valley, or a pick-up team from around town. Definite announcement concerning the preliminary, which will be at 7:30 o'clock, will be made tomorrow, Burgher said.

Those who have turned out for practice are Tommy White, Wayne Harris, Russell Brown, Stan Kunneman, Ole Severson, Hoke Curtis, Sam Van Dyke, Don Stewart, Bob Hinman, Max Gillinsky, Harold Grove Bill Luman, Billy Bates and Lloyd Hammanck.

Undergoes Operation—Mrs. W. H. South of Central Point underwent a minor operation at the Community hospital Monday.

Why We Think the Fox Theatre Chain and Holly Theatre Are A Menace to Medford and Vicinity and to Us -- the Independent Theatre Owners . . .

WE think the past operation of the Fox Theatre Chain in Medford is enough to put the stamp of disapproval forever upon them, for their whole purpose and aim seems, to us, to be along one line of thought, and that is to control all the theatres here.

THEY purchased, last year, all the Major film product, forcing the closing of the Holly. George Roy, who was operating the State Theatre, was forced to quit, and the Roxy was forced to show pictures at ten cents and was barely able to remain open. They were unable to pay any decent salaries and were in a most precarious condition.

THIS was all done by Fox with staggering losses to themselves; so we believe that if ever there was such a thing as unfair competition, this is it.

WE believe that every admission paid into the Holly Theatre is a direct thrust at our very vitals, and appeal to you—the citizens of our own city—to spend your money with the independent, homeowned theatres.

BOTH Mr. Newman and Mr. Rosenberg called upon George Hunt, agreeing to maintain the same policy and prices as Hunt's Craterian when they opened the Holly Theatre. This agreement they have already broken by double billing and really, you can expect anything. You have heard of "bread wars" when bread was sold as low as one cent per loaf and, frankly, it is possible that theatre admissions might go that low in Medford.

THEY may show pictures that you wish to see, but in this case, we ask you to wait for their showing in our second-run theatres, which will show them shortly afterward.

Yours for a Greater and Better Medford, We, the owners are
