SPORTS WINDY DAY HITS SET NEW RECORD FOR TIME ALOFT

MIAMA. Pla. Dec. 80.—(AF)—Back to earth after spending nearly ten days in the skies. Frances Marsalis and Helen Bichey tonight leid claim to a new woman's refueling endurance flight record of nine days. 21 hours and 42 minutes.

Almost exhausted, they brought their oil-smattered plane down to a least stable with the control of the con

The women, bappy but showing fatigue, ended their arduous venture aloft just as a bugs black cloud opered up with a downpour that deenched the cheering spectators, who rushed out to greet them.

In establishing a new record of 237 hours and 62 minutes, the filters exceeded by 41 hours and 27 minutes the old mark of eight days four hours and five minutes are by Mrs. Marsalls and Louise Thaden at Velley Stream, L. I. August 32, 1932.

After flying through and around rain squalts last night, while their plane was bounced about by rough winds. Mrs. Marsalls and Miss Richey dropped a note to their ground crew, saying they would land shorily as second to competition, with the other national record going to Miss Govednik.

and have brought substantial relief to many thousands in the four states," he said.

The increased employment, Dans said, "is chiefly credited to the OWA as a division of the general public works administration. During the year to come the employment effects of PWA projects will be seen in the employment of large additional numbers. Due to the necessity for careful engineering, legal and financial analysis of allocation to public bodies, thru PWA, the time element in getting work underway has necessarily been increased."

SAN FRANCISCO, Dec. St.-(A)-JONES SHOOT 67

SAN FRANCISCO, Dec. 30.—(AP)—A survey of Oregon employment made in 116 representative firms by the federal reserve bank of San Francisco indicates the state payrolls poured 37 per cent more into trade channels there still was magic in his clubs.

Atlanta named its newest and only 18-hole municipal golf "course in honor of the former grand slam forms of the former grand slam fact, it was slightly more than sea.

BUILDING SLUMP

construction of the Jackson county courthouse, general contract for which totaled \$190,000.

The 1933 valuation will, in reality, be 25 per cent higher than the \$68,729 placed on the books, as several phases of construction were not represented in the original permit. sented in the original permit.
