CHICAGO BOWLERS SET RECORD WITH CONSISTENT WORK

CHICAGO—(AP)—When it comes to "all-star" combinations in sport, Chicago bowling fans bounce right up with a nomination for Chuck Collier's famous Mineralites.

Among other distinctions, the Mineralites boast a complete lineup of men who have each rolled at least two "perfect" games of ten-pins.

Rolling in the Randolph league here, one of the country's fastest circuits, the team captured 22 of its first 30 games, winning the first 25 in a row before being stopped by the Wagner and Hansen five—the

Harry Steers (above) ace of the Mineralites, has won three American Bowling Congress titles.

Some outfit which checked a 19-game win streak a year ago. In these first 30 matches they compiled a team average of 1032, equal to 206-plus per player.

In the Midwest Bowling tournament at Kansas City the showing was even more remarkable. They finished third in the team event with 8000, took second, fourth and eighth in the doubles, and fourth and seventh in the individual competition.

As for the all-events at Kansas City, members of the squad had a grand average for the 45 games involved of 211.50!

Jake Pilger, Harry Steers and Frank Kartheiser are the veterans of the quintet, and Billy Rusch and Bud Wright supply the young blood. Collier, as captain, does not play regularly, but can hold his own as a pinch-hitter.

Waterman Quits Ring Promotion To Halt Losses

PORTLAND, Jan. 5.—(AP)—Joe Waterman, veteran boxing promoter of Portland, has decided to quit the business, he says.

"I have dipped into my own sock long enough now, until there's a decided change," he said.

"If the Portland boxing commission thinks it can get any other promoter for the auditorium who can pick main events that will draw, and who has a bankroll that will stand the strain of high rentals and general overhead, my best wishes to him."

Mentioning heavy losses and heavy expense, Waterman added that "an absolute lack of the right kind of talent puts the comeback of boxing a long time in the future."

Louisiana conservation officials claim 85 per cent of the migratory game birds of North America are harbored in that state's wild life sanctuaries.

Rose Bowl Tilt Left Sponsors \$5000 In Hole

PASADENA, Jan. 5.—(AP)—The scores of the Rose Bowl football game in dollars showed today that \$25,000 will go to Stanford, the same amount to Columbia, 7-0 winner of the game, and the balance to the Tournament of Roses association, which announced a \$5,000 deficit. The game drew about 35,000 spectators and it was only the second time in Rose Bowl history that the association has wound up in the red.

ALL-TIME TENNIS STARS LISTED BY BIG BILL TILDEN

By ALAN GOULD Associated Press Sports Editor
NEW YORK, Jan. 5.—(AP)—From the rich and dramatic tennis background of his remarkable career, Big Bill Tilden today put himself squarely on record as ranking Henri Cochet of France and Norman E. Brookes, the left-handed Australian, as his all-time No. 1 and No. 2 stars of the game.

In the "first ten" that he picked by request, based upon the span of his own competitive career since the war plus the combination of "tennis genius and stroke production," Tilden placed his old rival, "Little Bill" Johnston, no better than fifth. Considering amateurs and professionals alike, here's his ranking:

1. Henri Cochet, France.
2. Norman E. Brookes, Australia.
3. Rene Lacoste, France.
4. Hans Nusselein, Germany.
5. William M. Johnston, U. S. A.
6. Vincent Richards, U. S. A.
7. Richard N. Williams, U. S. A.
8. Jean Borotra, France.
9. Bruce Barnes, U. S. A.
10. Karel Kozeluh, Czecho-Slovakia.

"Cochet and Brookes, to my mind," explained Tilden, "knew and executed more tennis shots than any players I have ever known. At the same time they were masters of strategy. I rank both Lacoste and Nusselein ahead of Johnston not because they were any better match players than Billy, but because they manifest greater all-around equipment and execution. No finer sportsman or fighter ever stepped on the courts than Johnston, but he had his weaknesses. Lacoste and Nusselein, at their best, have no weakness."

TALK ON CHINA GIVEN AT SHRINE LUNCHEON

An intensely interesting talk on China was given by Lieutenant Soule before the members of the Shrine Luncheon club today at the Hotel Medford.

For several years Lieutenant Soule has served with the United States army in the Orient, has mastered the Chinese language and is considered an authority upon affairs of that great nation across the Pacific, and his talk was enthusiastically received by the Shriners who attended today's luncheon meeting.

Chinese language peculiarities were discussed by the speaker as well as characteristics of the people and general business conditions in the Orient. "Russia and Japan are strong competitors for Chinese trade," Lieutenant Soule said in his brief remarks of the situation in China and Manchuria. The speaker's foreign service has taken him into Siberia and Manchuria as well as China proper.

Ole Alenorrer and E. C. ("Jerry") Jerome, Hills' representatives at the East-West Shrine football game and Shrine activities in San Francisco last week, briefly described the grid-

iron classic and entertainment provided by Islaam Shriners. Jack Thompson, president of the Medford Shrine club, announced the annual meeting of Hills' temple in Ashland this evening and urged Shriners of this city to attend.

The golden wedding anniversary party of Mr. and Mrs. William S. Perrin in Long Beach, Cal., was attended by Mrs. Perrin's parents, who have been married 69 years.
