Owing to the stress of the times, it is expected that most of the candidate—Robert E. Bell for sheriff—has filed to date. In 1932, at this time, most of the candidates were in the field.

In 1932 the Jackson county registoriation passed the 19,000 mark. Recheck of the registration cards indicate the 1934 registration will be because it is expected to the decline, with lack of interest in politica. There was a heavy transient registration at the last general election, and everybody in the county over 21; or thereabouts, was apparently determined to vote.

Many Yacancies

A county judge, county commissioner, sheriff, and two members of the legistature, will be selected at the primary, on the county ticket. On the state ticket a congressman and a governor will be named. All the county offices to be filled, are now held by appointees, named to fill the vacancies, caused by the Banks-Fehi.

"I have been troubled for years with constipation. During this time, I have tried almost every known remedy. Then some one recommended eating Kellogg's ALL-BRAN, and the proper results followed immediately.

"Since eating Kellogg's ALL-BRAN each morning, there has been a general improvement in my health without the ill effects that I formerly experienced when taking

health without the ill effects that I formerly experienced when taking laxatives. Hereafter, Kellogg's ALL-BRAN will always be a part of my diet."—Mr. E. G. Himes, 1201 E. 7th St., Los Angeles, Calif.

Research shows Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to aid elimination. ALL-BRAN also sup-plies iron for the blood.

The "bulk" in ALL-Bran is much like that in leafy vegetables. Isn't this "cereal way" safer than risk-ing patent medicines?

Two tablespoonfuls daily are usually sufficient to relieve ordinary constipation. With each meal in serious cases. If not relieved this way, see your doctor. Be sure to ask for Kellogg's ALL-Bran, it contains much more needed "bulk" than part-bran products. In the red-and-greet package. Made by Kellogg in Bat-tle Creek.
