Weekly Bible Class Hears Several Speakers.
The weekly Bible class completed the study of the Old Testament last Tuesday evening and below are given a few of the thoughts presented by each of the speakers.

Mr. W. Bunch presented Joel, a prophet of Judah. "He undoubtedly knew Elijah and was a contemporary of Isaiah. In Joel a plague of devouring insects is shown to have spiritual significance, and gives the occasion of the prophecy of the day of the Lord, not yet fulfilled. The whole picture is of the end-time of this present age, of the 'times of the Gentiles,' of the battle of 'Armageddon' (Rev. xvi, 14; xix, 11-21); of the regathering of Israel (Rom. xi, 25) and of kingdom blessing. It is remarkable that Joel, coming at the very beginning of written prophecy, Mr. M. Putney presented Nahum. Nahum prophesied against Nineveh. Under the preaching of Jonah, B. C. 852, Nineveh and its king turned to God; but in the time of the city had wholly apostatized from God. Morally, Nineveh is described in Rom. I, 21-23. The message of Nahum, uttered about one hundred years before the destruction of Nineveh, is, therefore, not a call to repentance, but an unrelieved warning of judgment. The great ethical lesson of Nahum is that the character of God makes Him not only 'slow to anger,' and 'a strong-hold to them that trust Him,' but also one who 'will not be just and the justifier of him which believeth in Jesus' (Rom. III, 26) but only because His holy law has been vindicated in the cross."

Next week's lesson will begin the study of the New Testament. It will review the period of 400 years when no prophetic voice spoke in all Israel.

President's Mother Buys First Box for Birthday Ball

While plans for the birthday ball for the President progress here daily, with additional committees named and the list of patrons and patronesses nearing completion, news comes from New York that Mrs. James Roosevelt, mother of the President, has purchased the first box to be sold for the ball, to be held at the Waldorf-Astoria on the night of January 30, as one of the chain of balls which will take place in every city and town in the United States on that night, for the benefit of the Warm Springs Foundation for Infantile paralysis.

A permanent endowment will be created for the extension of the crusade against the disease. Mrs. Roosevelt telephoned the headquarters of the national committee to acknowledge receipt in the mail of an invitation to serve as a patroness at the ball, the New York press release also reports. "And I want to engage a first tier box, too," she said. "After all, it is my son's birthday, and I am extremely interested in the splendid work of Warm Springs Foundation."

Greater Medford Club Benefit, Hotel Medford
The Hotel Medford will be the scene of the large benefit card party planned for Tuesday by the Greater Medford club, it was announced today. Mr. Demson, manager of the hotel, has donated the club the use of the building for the occasion and a very festive party is anticipated as a result.

The affair was originally scheduled to be held in the women's club rooms in the city hall, which will not offer sufficient space. The spaciousness of the hotel will make it possible for more tables to be arranged and a very large attendance is expected, as funds from the party will be added to the scholarship loan fund.

Playing of both contract and auction bridge will begin at 2 o'clock and all persons wishing to make reservations for the party are asked to call the hotel, 764, or Mrs. O. R. Satchwell, 789.

LONGEST TUNNEL "HOLED THROUGH" ON COAST RANGE

Two views of the coast range tunnel which was "holed through" Jan. 5. The tunnel, said to be the longest in the world, is 28.6 miles in length, 25.1 of them being continuous from the Tesla portal to the East Alameda portal. At left is a section of the tunnel as it appears completed and (right) the Irvington portal near Mission San Jose. The map shows the route of the huge tunnel which will convey water from Hetch Hetchy dam high in the Sierra Nevada mountains to San Francisco. In all there are 167 miles of aqueduct. SHIRTLESS MODE OKEH ON ROADS

PORTLAND Ore., Jan. 19.—(AP)—

What to do about those "hairy-chested ape men" who work shirtless on highway crews was discussed by the state highway commission at yesterday's meeting here.

Mehitable Van Nuy's letter protesting the shirtless workers a rather disgusting sight was read. "They can't afford shirts," suggested the commissioner's legal advisor.

Another possible solution might be just rainy weather. "The more sunshine the men get, the better they'll work," ruled the chairman. "File the letter."

Epworth League Initiation Rites Sunday Evening

Epworth League of the First Methodist church is planning a novel initiation service for Sunday evening when about fifteen new members will be taken into the league.

The church parlors are to be appropriately decorated in the league colors for the occasion. The lighting

arrangement will be by candles. The seating arrangement will be in quadrangle form, and the floor in the open space, or center, will be adorned by the league emblem, the malted cross.

A special improvised altar will occupy the exact center of the cross. The officers will be seated on the several sides and at the corners of the cross. The ritual used will be very appropriate to the work of the young people. Their newly organized orchestra will give a special selection, and the service will be interspersed with a number of songs.

A large number of visitors are expected as all who have ever belonged to an Epworth league, and all who are interested in what the young people are doing, are cordially invited to attend.

PORTLAND BUTTER UNCHANGED WHILE 'FRISCO WEAKENS

PORTLAND, Jan. 19.—(AP)—Trading in butter here was held unchanged for the day despite the weakening of the California markets and the loss at San Francisco.

Ezra trade tone was shown for eggs, although there continued a liberal movement which was cleaning current arrivals. Price shading was reported as almost general inasmuch as retail sales were as low or lower than what was being quoted at wholesale.

Market here was overloaded with spinach.

First hothouse cucumbers of the season out of Iowa was received here from Davenport. Sales were reported around \$2 dozen for No. 1 and \$2.25 for specials.

Slight increase of offerings of hothouse rhubarb from Sumner was reported. Fancy is quoted \$1.90 and choice \$1.65 for 15s.

Cabbage market continued weak. Cauliflower-Broccoli market a trifle easier.

HAVEN'T you noticed that your happiest hours occur on days when you feel your best?

Have more of these happy days. You and all your family. Guard health while you have it. Keep on the sunny side of life.

The greatest enemy of health is common constipation. It may cause loss of appetite and energy. Certainly it kills enthusiasm! Yet it can be banished by eating a delicious cereal.

Laboratory tests show Kellogg's ALL-BRAN supplies "bulk" and vitamin B to relieve common constipation. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. How much pleasanter to eat this delicious ready-to-eat cereal than to take patent medicines. Two table-spoonfuls daily are usually sufficient. Chronic cases, with each meal, if not relieved this way, see your doctor.

Made by Kellogg in Battle Creek.

Tomatoes were steady for both hothouse and Mexican, but little of the former arriving. Sweet potatoes were holding fully steady. Squash market was slow but unchanged in price.

Only the Center Leaves are used in LUCKIES

For these are the Mildest and fully ripened for perfect smoking

We buy only the center leaves for Luckies. Not the top leaves for they are under-developed. Not the bottom leaves for they are inferior in quality. Only the center leaves for these are truly mild and fully ripe. And that's the fine tobacco we use—to make Luckies so round, so firm, so fully packed—free from loose ends that spill out. That's why Luckies are always mild, always truly mild. And remember, "It's toasted"—for throat protection—for finer taste.
