DAIRY COW BUYING BOOMS IN VALLEY DECLARES HOOVER

Renewed interest in the livestock market, greeted here as exceptionally encouraging by owners of dairy cows, sheep and beef stock, was reported today by C. C. Hoover with announcement that two more carloads of dairy cows left Jackson and Josephine counties this week, bound for Stockton, Cal.
The large cars were used for shipment, averaging 35 cows to the car. The two leaving Grants Pass brought the total this season to four carloads, which will be more than doubled before the end of the month, as five more cars have been ordered shipped to the same locality. Claude Hoover accompanied the shipment through the Stockton.
The cows are being bought to make replacements in southern herds, which have been thinned by tuberculosis and other diseases.
There are more buyers in the valley this season than at any time since 1929, Mr. Hoover also stated today. They are interested in all kinds of livestock, which leads the producer to believe a much improved market is not far distant. As soon as the surplus is bought up, stockmen state, the prices will increase and the outlook will be brighter for all agriculturists.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rinrin to Go
If you feel sour and sunk and the world looks black, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.
For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.
It takes three good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25¢ at drug stores. ©1931 C. C. Co.
