BROMLEY FILMS SHASTA SKIERS

Moving pictures of the amateur ski meet at Snowmen's Hill were taken Sunday by H. L. Bromley of this city for the Copco News Reel. Some good footage of the various contests was secured and featured numerous thrilling spills, some of which nearly proved serious.

Several well known jumpers from Auburn, Calif., including the past state champion, participated in the meet, at which Governor James Rolph was guest of honor. The ceremony, in which Governor Rolph crowned Queen Dorothy of the Snowmen, was filmed by Bromley for the Copco News Reel.

The meet was a success, despite the limited amount of snow available and some good jumps were made in both the B and C classes. Among the local citizens present were Dr. R. R. Elliott and family, Hester Whitman, Marion Ness, Lee Bishop, Charles Wakefield and others.

50 YEARS A MARTYR TO CONSTIPATION

But Kellogg's ALL-BRAN Brought Welcome Relief

Read this splendid letter from Mrs. Haynes:

"For 50 years I have been a martyr to constipation. Have tried every remedy under the sun.

"One day I read an account of some one who had been relieved by ALL-BRAN, but I thought 'What was the use of me trying anything more when all else had failed?'

"A while after, I read it again. That time I thought I would try it, it would do no harm anyway.

"I began with a small dish of your ALL-BRAN for breakfast, and wonderful to say, I never need to take any physic at all now. How I wish other poor sufferers from constipation could be persuaded to try it."

Mrs. Sarah Haynes, 138 Cedarwood Terrace, Rochester, N. Y.

Tests show Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regular habits. Also iron for the blood.

This "bulk" in ALL-BRAN is much like that in leafy vegetables. It's so much safer than taking patent medicines! Two tablespoonfuls of ALL-BRAN daily are usually sufficient. Severe cases, with each meal. If not relieved this way, see your doctor.

Girl Scouts Of Phoenix Do Good Turn For Chief

PHOENIX, Feb. 6.—(Spl.)—While preparing for a Scout meeting last Friday, Mrs. Laurel Poling, lieutenant of troop 8 of Phoenix, fell from a bicycle and injured her right arm so seriously that it was necessary for her to wear a splint and carry the arm in a sling for several days.

Monday afternoon a number of Girl Scouts went immediately from school to the home of Mrs. Poling. Not finding her at home, they went in and took charge of her home. A little later when she returned from the doctor's office, she found it in perfect order and the evening meal prepared and ready to serve. The meal, which included a cake made and baked without supervision by one of the girls, was enjoyed by the family and the Scouts.

Diabetes were then washed and the kitchen put in order by the Scouts. Mrs. Poling was much surprised and pleased by their thoughtfulness and the girls hurried home to their lessons greatly thrilled by having done their good turn in helping one of their leaders.

GOOD TASTE—YOU CAN'T MISS IT
