

Siskiyou Golf Team Defeats Klamath 14 to 9 in Match Here

114 ENJOY PLAY ON LOCAL LINKS IN COMPETITION

Medford was the golf capital of southern Oregon and northern California yesterday with 114 divot diggers competing under perfect weather conditions in the three events listed up by the tournament committee of the Rogue Valley club, under chairmanship of Harry McMahon. A team of 26 players from Yreka and Weed carried home the cup posted by the local club by defeating a delegation of 23 from Klamath Falls, 14 to 9.

In a special match, Bill Hackney, pro of the Klamath club, teamed with H. B. Bentley, Ashland star, the latter substituting for Gus Krause, amateur champion of Klamath county, who was unable to participate, defeated H. H. Pringle, Medford amateur ace, and Jack Houston, pro, four up. The match was trailed by a large gallery, and despite the fact that both local men were playing below form, some sparkling golf was witnessed. The Medford pair pulled up to square the count on the tenth hole, but bowed to the superior golf of the invaders from that point on.

President C. J. Semon of the Rogue Valley club presented the cup to the Siskiyou contingent, represented by Ron Avery, tournament chairman of Yreka. Immediately after the team competition, and Don Provost of the Ashland club stepped forward with a challenge from his club for a match to be played here March 18, which Avery accepted.

In the blind bogey competition for prizes, the following non-members shared in the honors, golf balls and other awards: D. B. Grace, Weed; D. B. Gray, Medford; Paul Sharp, Klamath Falls; J. K. Robinson, Portland; E. E. Kelly, Medford; Lyle Thurman, Medford; L. E. Carter, Klamath Falls; M. E. Cornett, Klamath Falls; H. Price, Medford; A. D. Rockwood, Weed; L. Barklow, Yreka; C. E. Johnson, Yreka; J. A. McGee, Weed; Earl Wilmer, Klamath Falls; W. F. Biddle, Medford; H. H. Hart, Medford.

BEARS FAVORED FOR CAGE TITLE

SAN FRANCISCO, Feb. 12.—(AP)—Though out in front by but one game, the University of California Bears were long-odds favorites today to win the southern division, Pacific Coast conference, basketball championship.

The Bears emerged from a crucial Saturday night battle in Los Angeles with a 37-28 win over the Southern California Trojans to regain the single-game lead which the Trojans had wiped out by taking a 41-34 victory Friday night.

It was the last meeting of the season between the two rivals for first place, and followers of the Bears predict they will have little trouble in turning back the U. C. L. A. Bruins and Stanford Indians, their opponents in remaining games.

Stanford sent the Bruins deeper into the cellar by winning Friday and Saturday night at Stanford, the first 31 to 28 and the second 39 to 34.

BEAVERS FACING SLIM CHANCE FOR CONFERENCE CUP

SEATTLE, Feb. 12.—(AP)—Facing their toughest week of the season, four games, two with the league-leading University of Washington Huskies, the Oregon State Beavers, coast champions last year, must win all of them to remain in the running for the northern division Pacific Coast conference title.

With a full week of rest behind them, however, the Beavers are confident of "kicking" the Idaho Vandals in their two games on their home floor tonight and Tuesday night, word from Corvallis says, and then invade Seattle at the weekend-end for their important series with Washington, in the mood to win.

The Huskies lead the league with 10 wins and two defeats, while Oregon State has won six and lost four Washington's only two losses, however, were at the hands of Oregon State, at Corvallis.

In a non-conference game last night, Washington avenged its previous night's surprise defeat by the University of Montana Grizzlies by overwhelming them with a 60 to 24 win. The regulars piled up a good lead and the second string team then went in.

In the only conference game Saturday night, Oregon won its second straight game at Eugene from Idaho, 31 to 22, and took undisputed possession of third place in the standings.

GRANGE GIVES BEARS WINNING TOUCHDOWN

SAN FRANCISCO, Feb. 12.—(AP)—In their bag of Pacific coast victories, the Chicago Bears, professional football champions, today had tucked away a 7 to 0 win over a far-west all-star team.

Harold "Red" Grange, the veteran "Galloping Ghost" of Illinois, came to life in the third period of the game here yesterday to lead the Bears' only successful scoring thrust. Grange took a short pass from George Corbett and raced 35 yards down the sidelines to place the ball on the All-stars' five-yard marker. Gene Ronzani took the ball over and Jack Manders converted.

RULE CHANGE INCREASES VALUE OF FORWARD PASS

ATLANTA, Feb. 12.—(AP)—The value of the forward pass as an offensive weapon in football was increased today by the removal of two penalties which had curbed the use of the aerial bomb.

The national football rules committee, in its annual meeting here, lifted the touchback penalty on the first forward pass thrown over the goal line and eliminated the five-yard forfeiture attendant to a second successive incomplete forward pass.

The first alteration in the rules for 1934 takes away the heavy fine for failure to complete a pass over the goal and probably will result in many more of these daring scoring plays.

Except on fourth down, such an incomplete pass will result only in the cost of a down and not a touchback and the resultant loss of the ball. The touchback feature has been retained for use in the event of a second incomplete pass over the goal.

This new rule is intended to add strength and versatility to the offensive team attack within the 15-yard lines. The widening of the defense to protect against the additional passing threat should also aid the running game of the attacking eleven.

Another action of the committee was to re-define the punt, so as to allow one player to hold the ball for another to kick it. The use of two men in the execution of a punt generally is only involved in the quick kick. Heretofore, the player holding the ball was required to release it before the kicker had made contact. The change is expected to bring about better and more accurate kicks.

Another step to reduce injuries from the game was taken in prohibiting the use of shoe cleats made of materials liable to chip or fracture.

THREE SHOTS AND OUT IS BIRD DOG'S SYSTEM WHEN HUNTERS MISS

PANAMA CITY, Fla. (AP)—You've got to be a good shot to hunt with this dog.

If you're not, he'll turn up his nose in contempt and leave you stranded in the middle of the woods. Two misses are all right, but if you miss three—well, it was your own fault!

Bob Sealy, who runs an inn here between hunts, tells the story. Bob does everything he can for his guests, even loaning them his best bird dog for hunting.

"The first day he went out with some folks from the east. They had been gone about an hour when the dog came barking and sat down to rest. He had a plumb disgusted look on his face.

Playing for Prospect were W. Fowler, B. Broomfield, R. Ditaworth, R. Train, G. Merriman and T. Close.
