

DEATH OF SHREVE MOURNED IN C-C BOARD RESOLUTION

Resolution, expressing the loss to the Chamber of Commerce and the community, as a whole, realized in the recent and untimely death of Roy R. Shreve, was passed yesterday by the board of directors of the Chamber of Commerce. It reads:

"Whereas, through the untimely death of Mr. R. R. Shreve this community has lost a citizen and friend whose passing is greatly mourned, not only by his many friends, but by all who knew him, and

"Whereas, through his demise the Chamber of Commerce lost a valuable and ardent supporter and one whose place will be hard to fill, and

"Whereas, his innumerable kind acts will continue as permanent memorials in the hearts and minds of those who felt the touch of his kindness, particularly the students of our schools,

"Now, therefore, be it resolved by the Medford Chamber of Commerce that this organization express to the widow, Mrs. Sylvia Shreve, his daughters, Janice, Mary Elizabeth and Virginia, our heartfelt sympathy in their bereavement, and

"That it further resolved that copies of this resolution be sent to the press Medford, to the widow of the deceased, and spread upon the records of the Medford Chamber of Commerce, W. S. BOGARD, President.

"A. H. BANWELL, Manager.

"The industry which Mr. Shreve exhibited during his years in Medford, characterized him, even in childhood. He attended grammar school in Topeka, Kansas, where he was born, September 17, 1884, but at an early age left school and went to work as a messenger boy for the W. U. Telegraph company. During his service with the W. U. he was made messenger to the state legislature during its sessions in Topeka, and it was this early experience, no doubt, that developed in him a wonderful sense of humor which he carried through life.

In 1910 he was married to Edith Becker of Topeka, and shortly thereafter moved to Portland, securing employment with the Remington Typewriter company. Mrs. Shreve (nee Edith Becker) died in 1913. There was one daughter, Virginia, who now resides in Topeka.

In 1916 he married Sylvester Beckman of Salem, Ore., taking up residence in Portland. The family later moved to California, where Mr. Shreve was engaged in business until 1918 when they returned to Portland. At this time Mr. Shreve entered the service of the Royal Typewriter company.

In 1923 the family moved to Medford, where Mr. Shreve entered the service of the Miller Book store, where he was employed until 1927. Later in 1927 he entered into partnership with Samuel G. Colton and opened the present store known as the "Office Stationery and Supply Co."

Mr. Shreve is survived by Mrs. Shreve, three daughters, Janice, Mary Elizabeth and Virginia; a brother Paul and a sister, Mrs. A. B. Hollis, both of Topeka, and a brother, Leo C., and a sister, Mrs. L. P. Bennett, both of Los Angeles, Cal.

Mr. Shreve's father was Major Albert Paul Shreve, who saw active service in the Civil war. His mother, Annie Gray Shreve, was of Canadian birth, coming to the United States with her parents among the early pioneers who settled in the Missouri valley near Leavenworth, Kansas.

At the time of his death, Mr. Shreve possessed two things which he highly prized. One the signature of Abraham Lincoln, commissioning his father, Major Albert Paul Shreve, as brevet colonel and paymaster in the quartermaster corps, and a "Royal 55 button." This is one of seven buttons given to the entire United States by the Royal Typewriter company, for the fulfillment of a given quota in a given district. This button was received by Mr. Shreve less than a month before his death.

SCOUT FATHERS, SONS WILL GATHER TONIGHT FOR ANNUAL BANQUET

The tenth annual Scout Father and Son Banquet to be held in Medford will take place this evening at the Medford Junior high school at 6:30. Over 225 Scouts and fathers will participate in the interesting program arranged.

The troops are again making exhibits for the competitive table decorations. Each year a large picture of George Washington is awarded the troop making the best display of Scouting on the troop table. These displays are expected to far exceed any of past years at this banquet.

Capt. B. B. McMahon will be the principal speaker. J. C. Mann is general chairman of the banquet, with Don H. Newbury acting as toastmaster.

Food for the troops will be prepared and served by Scout mothers, with the exception of Troop No. 16. The ladies of the Active club auxiliary are planning the food for this table. Scouts and their dads are reminded to bring their own plates, knives, forks, spoons and cups.

Walnut Scarcity Looms On Coast

PORTLAND, Feb. 15.—(AP)—The country faces a shortage of walnuts,

based on the probable 1934 output, trade leaders here believe. A shortage in California this year seems likely, it was pointed out, because of shortage of rainfall to date this season.

Indian Skeletons Found KLAMATH FALLS, Ore.—(UP)—Road workers excavating for a bridge approach near here uncovered twelve skeletons, apparently of Indians. They believed the spot to be site of a primitive Indian burying ground.

Japanese Cherry Tree Blooms SEATTLE, Wash.—(UP)—A Japanese cherry tree in the yard of Dr. J. T. Thomas "jumped the gun" on the spring season when it burst forth in full bloom. It usually blooms around April and May, according to Dr. Thomas.

SALEM, Feb. 15.—(AP)—The state banking board today extended the time until March 15, during which the Bank of Beaverton may operate on a restricted basis. The action was taken upon a request from a local committee of depositors.
