

SONS FACE PAIR OF TOUGH TILTS WITH CHICO FIVE

Chico State, leaders of the Pacific Western conference, will meet Howard Hobson's "White Elephants" of Southern Oregon Normal this Friday and Saturday in the most crucial series of the season for the SONS. The games will be played at the Ashland Junior high gymnasium, starting at 8:15 Friday and at 9:15 Saturday. Ashland high school will play Grants Pass in a regular conference game preceding the Friday game and will meet Etna, Cal., county champions, in the Saturday preliminary.

TIGERS TO SEEK REVENGE FRIDAY FROM PELICANS

(By Harold Grove.) When the Medford Tigers line up against the Klamath Pelicans Friday night, they will be out for revenge. Although Medford has won a majority of contests this season, in the game at Klamath the Pelicans caught the Tigers on a "hot" night, and to make matters worse, hit the basket consistently to pile up a lead. The Tigers made but two baskets during the game. These were made by Harris. The rest of the points were made on foul conversions. Nine out of 12 fouls were converted. According to the above statistics, if the Tigers have any luck they still have a 50-50 chance for victory Friday.

This tilt, along with the two against Ashland, are considered the "big games" for the Tigers and also for Klamath and Medford. A win for Klamath over Medford, or a win for Ashland over Medford, is the height of the Klamath and Ashland players' ambition, and Medford is all "cooked and primed" to meet any attack they may offer.

The Tigers' probable starting lineup will be: Wayne Harris at forward (Harris, incidentally, is one of the main cogs in the Medford lineup); White, the other forward; Brown and Gillsky, guards, with Hinman and center.

Coach Burger has been trying out a new combination of Harris at center, Curtiss and White, forwards, and Brown and Gillsky, guards.

This combination may see action instead of the former. Burger has not made definite announcements concerning the starting lineup.

Coach Ed Kirtley has been working over his Tiger Cubs, getting them into shape for the preliminary.

RE-ENROLLING IN CCC WILL START LAST OF MARCH

With information received by Medford district headquarters, that the Civilian Conservation Corps will be continued until March 31, 1935, announcement was issued this morning that re-enrollments may be made between March 31 and April 15 of this year.

Persons discharged from the camp, and who are entitled to re-enroll, must do so before March 31, according to instructions received here. Those wishing to re-enroll, who in the opinion of the company commander and the camp superintendent, are not entitled to such privileges, will not be accepted.

The decision of the company commander and the camp superintendent will be considered final in such cases, none of which may be appealed.

Men will be enrolled for the period between March 31 and September 30, and for the purpose of keeping up the quotas, enrollment is to be conducted between July 1 and 20.

According to present plans, tent constructions will be used for the summer camps, and present camp structures will be maintained for use next winter.

SLEIGHT WINNING RAPID PROMOTION

Interesting news was received here today of Dick Sleight, son of Mr. and Mrs. E. H. Sleight of 40 North Peach, and a graduate of the Medford high school in the class of '33. He is now in the art department of the largest Woolworth store in San Francisco, having been recently transferred from Portland.

"Dick" started with the company a short time ago as a member of the art department in one of the small stores in Portland. He was then transferred to San Francisco. In the bay city he is working in the store managed by A. E. Spencer, former manager of the Woolworth store in this city. He is attending commercial art school at a private academy at night.

GRID RULE CHANGE PUTS 7-MAN DEFENSE IDEA OUT

CHICAGO, Feb. 15.—(P)—The day of the seven-man defensive line is over, Clark Shaughnessy of the University of Chicago has concluded, after studying the recent changes in the collegiate football rules. "The rule which permits one player to hold the ball for another to kick it, opens up all sorts of possibilities," Shaughnessy said, "and it means the day of the seven-man line is gone. No team on defense can operate any more without a man in the safety position, because there will always be that threat of a kick. "I can see where the new kicking formation can be used readily enough as a fake, and from it passes can be thrown. So, too, it will be possible to run from that formation, and the defense will not have much time to make up its mind what kind of a play is coming. "It looks to me," he concluded, "as though this kicking rule, with the changes in the forward pass rule, will throw the game wide open."

SCHERMERHORN'S WOULD SETTLE TOFT'S ESTATE

A petition for a final hearing on March 8, next, in the settlement of the estate of the late Ray H. Toft of this city, has been filed in probate court by the widow, Amelia F. Toft. The petition sets forth that the affairs of the estate, with the exception of two matters have been settled, and that a closing of the estate will reduce administrative expense.

The petition sets forth that the claim of Carl F. Anderson, allowed \$750 by a court ruling, is pending on appeal to the circuit court, and that the only other matter is the payment of the federal inheritance tax—which will be paid as soon as it is determined.

The estate was appraised at \$66,634.35, and reduced by payment of claims to approximately \$43,000, the petition says.

Toft died two years ago in Jacksonville.
