"Carolina" Opens at Craterian Today

With Janet Gaynor and Lionel Barrymore heading a cast that includes Robert Young, Richard Cromwell, Mona Barrie, Henrietta Crossman and Stepin Fetchit, "Carolina" opens a three-day engagement at the Craterian theater today.

Departing noticeably from current trends, an atmosphere of charming and simple sincerity predominating, "Carolina" calls upon many emotions.

Briefly, it tells the story of the girl from the north who goes against all the traditions of the Old South in her aggressiveness to win the man she loves and to help him rebuild what was once a wealthy plantation.

Barrymore, as the mind-clouded gentleman of the old school, sees in her the vision of a lost love, breaking into his sentimental thoughts of the past.

One of the high spots of the picture is the return of Stepin Fetchit to feature roles and in his character of Scipio, the colored star brings uproarious comedy into the film.

"Madame Spy" at Rialto

How a beautiful woman spy was able to win secrets of state are revealed in "Madame Spy," featuring Fay Wray and Nils Asther, and playing today and Monday at the Rialto theater.

Fay Wray, as the spy, is the woman who places love of country and duty over that of a man. The story abounds with romance and adventure as it traverses the battle fields of Europe.

Other featured players in the cast are Noah Beery, Edward Arnold, John Miljan and Vince Barnett, the latter in a comedy role.

"Hold Your Man" at Studio Today

Jean Harlow and Clark Gable are reunited as co-stars by popular director in "Hold Your Man," which opens at the studio theater today.

Mrs. Harlow plays the part of a gaudy creature, who is willing to allow herself to become the lure in a "love racket" for the sake of her man.

Clouette Colbert's recent ultimatum in Hollywood averted her ability to portray wicked woman better than heroine of saccharine flavor bears luscious fruit in her latest picture, "Torch Singer," now playing at the Rialto theater.

GARDEN CLUB TO START PLANTING AT COURT HOUSE

The planting of the Jackson county court house grounds will begin the first of next week, although the original plan for the planting cannot be strictly adhered to because of a lack of funds. It was announced through the Medford Garden club today.

The county court and the Garden club released a list of names of persons and firms who have contributed to the planting, voicing their appreciation of the splendid co-operation extended. The list includes: Medford National Bank, \$10; First National Bank, \$10; Leonard Carpenter, \$5; Rotary Club, \$50; the County Highway Beautification Committee, \$125; C. L. MacDonald, chairman; Daughters of Veterans, one tree; Legion Auxiliary, one tree; Mrs. John Barneburg, one tree; Commissioner R. E. Nealon, one tree; N. S. Bennett, trees and shrubs; The Carlton Nursery, shrubs; Mrs. Jap Andrews, shrub; Mrs. MacDonough, shrubs; Mrs. Corey, shrubs; Mrs. C. E. Stanley, shrub; Ashland Park E. Commission, shrubs; Mrs. G. G. D'Albini, shrubs; Gold Hill Garden Club, shrubs; Baptist church, shrubs.

Other arrangements have been made for completing the beautification program undertaken by the County Highway Beautification committee at the top of Blackwell hill. It was also announced through the Garden club today, so that the gift of the prize money to the county will in no way curtail the work outlined by the committee.

If anyone can help in any way by making other donations for the court house planting, he is asked to call Mrs. T. W. Miles at 858-Y as soon as possible. Many more trees are needed to complete the original plan.

Now at Holly

Greta Garbo and John Gilbert are reunited as screen lovers after a picture separation of five years in the historical romance, "Queen Christina" which opened Saturday at the Holly theater.

"Queen Christina" is the story of Sweden's gloriose regent of the 17th century, who sacrificed her country and her throne for love and religious motives.

The role is Garbo's greatest triumph and Gilbert is excellent as the Spanish envoy.
