

Champion Huskies Rout Staters in Second Game

MCDONALD NETS OPENING SCORE OF FAST ROUGH TILT

Washington Leads Rest of the Way — Ex-Medford Star Helps Cut Down Lead in Second Half

SEATTLE, Feb. 17. — (AP) — The newly-crowned northern division Pacific coast conference basketball champions, the University of Washington, won from the Oregon State Beavers again tonight, 35 to 26, to break even in their four games with Oregon State this season.

Although last night's defeat put the Beavers out of the running for the title, they fought with just as much vigor tonight with a hope of making the championship look a bit hollow for the Huskies.

A victory for Oregon State would have made three for them in the four games, but Washington proved its right to the crown by breaking even in the season's series.

Washington led all the way except for the first point, scored on a free throw by MacDonald, raged O. S. C. guard, Captain Hal Lee put the Huskies ahead with a long field goal, and sank four more from the center of the floor before the evening was over.

The Huskies ran the count to 23-12, but Kidder and Taylor collected five quick points before the half was over to leave O. S. C. only five behind at the rest period.

Three baskets by Galer and one by Hanover sent Washington into a 21-12 lead early in the second half, but Lenchinsky, MacDonald and Hibbard came right back in the closing minutes to keep the Huskies from running away with the game.

PROSPECT DOWNS ASHLAND JUNIORS

The Prospect high school took two games from the Ashland Junior high Friday night on the Prospect court. The Prospect seconds took the first game by a score of 17 to 15.

The Prospect first string took their game 23 to 17, Ashland scored only five points in the second half.

Broomfield of Prospect, was not in a suit because of his injured eye, but will probably see action on next Friday against Eagle Point.

WASHINGTON HAS PORTLAND LEAD

PORTLAND, Ore., Feb. 17. — (AP) — Washington high today enjoyed lone leadership in the Portland interscholastic basketball league. A 27 to 23 win over Franklin last night did it.

Jefferson moved into a second place tie with the previously undefeated quakers by winning from Lincoln, 19 to 16. Grant upset Benson, 39 to 35, and Commerce deserted Roosevelt by winning from its cellar mate, 35 to 23.

BASKETBALL

STANFORD UNIVERSITY, Calif., Feb. 17. — (AP) — University of Southern California's basketball team piled up a lead which Stanford's team was unable to overcome and coasted through to a 33 to 22 victory here tonight in the final game of the two schools' 1934 hoop series.

REVAMPED COUGAR SQUAD TROUNCES OREGON, 43 TO 29

PULLMAN, Wash., Feb. 17. — (AP) — Washington state came back strong with a fiery attack to trounce the University of Oregon 43 to 29 here tonight and even their four-game basketball series.

Shortly after the opening of the game Coach Jack Priel revamped his Cougar combination, taking out Bob Houston, center, changing Huntley McPhee from forward to center and sending in Steve McNeil at forward. The combination proved effective and ran the count from 4 to 4, to 22 to 8 at half-time with a dazzling pace and not shooting.

During the second half the teams battled on even terms with each scoring 21 points, but the wide gap was too much for the visitors to cut down. The Cougars finished the last five minutes with a full set of substitutes. McPhee led the Cougar charge, tallying 15 points with a remarkable brand of all-around shooting. Captain Rex Scott, guard, shot some nice ones to make eight points.

The game was the reverse of last night's tilt, won by Oregon 25 to 20. Willie Jones, center, caged nine points with Ron Gemmill, forward, adding eight to prove Oregon's best bet.

Sixteen points behind as the second half opened, Oregon made a desperate comeback attempt with Robertson, Gemmill and Miller connecting. The gap was cut down to seven points with the count 24 to 17 before the Cougars began again peppering baskets with Scott and McPhee paving the way. Willie Jones made eight of his points in the last 10 minutes.

MEDFORD DEFEATS ROSEBURG, 38 - 12; LOSE TO KLAMATH

The Medford high school basketball team defeated Roseburg last night at Roseburg, 38 to 12, in a last game.

Brown was high point man for the Tigers with 11 points, and the squad was hitting the basket with regularity.

Coach Burgher used two teams—one in each half.

In a close and hard-fought game, two evenly matched teams, Medford high and Klamath Falls high, battled four quarters to a 16 to 15 decision in favor of the Klamathites. The Tiger Cubs lost an exciting game to St. Mary's AHS, 23 to 21.

From the opening whistle until the final gun it was anyone's game. From the standpoint of defense the Tigers held the edge, but Klamath hit the basket just at the critical moment. Inability of Medford to throw fouls was costly.

In the third quarter the Tigers came from behind a lead of 9 to 5, sustained by the Pelicans and kept shooting at the basket. They connected with two ringers and tied the score. Klamath broke into the lead by converting a free throw and the sinking of the ball in the hoop for two points more.

With two minutes left in the game, Cant. Harris for Medford twisted himself in a position to score and place Medford on the lone end of a 15 to 14 score and what looked like victory for Medford.

This seemed to be the climax of the game for the Medford rooters came to their feet in a howling mass. It looked as though victory was thrown at the door of Medford. But after the exchange of a few passes, the big Pelican swooped down on the Tigers and snatched victory from their doormat.

The Pelican's name was Egthoff who was able to gain seven points and high point honors. Harris for Medford was the other high point man of the game with six.

The starting lineup:

Medford (15) K. Falls (16)
Harris (6) P. Pastega (2)

FABER, SPITBALL VETERAN, CLOSES DIAMOND CAREER

CHICAGO, Feb. 17. — (AP) — Father Time finally drove Red Faber out of the pitcher's box today.

The 45-year old pitcher, last of the surviving spit ball hurlers in the American League, announced his retirement from baseball after playing 20 consecutive years with the Chicago White Sox.

During the long baseball trail, especially as the years crept upon him and aging legs creaked under him, Faber retired under fire, but the times were proportionately few in the 669 major league games in which he pitched and he always came back for more, usually to rise to the heights again.

This time, however, there will be no more. If he has any plans for the future he failed to disclose them. He had hoped for a coaching job when his pitching chores were finished, but so far there apparently is none for him. Like Eppa Hixey, another old timer whose retirement after 21 years of major league warfare preceded Faber's by just a day, he said the daily grind had "gotten too tough" for him.

In the 20 years spent with the White Sox, Faber won 252 games and lost 210. He pitched in one world series, 1917, almost single handedly winning the world's championship for the White Sox that year by beating the New York Giants three times in nine days.

Faber's professional baseball career dates back to 1909 which was long before some of the present White Sox players were born. That year he graduated from St. Joseph College to join the Dubuque, Iowa, team in the Three-eye league. He was drafted by the Pirates in 1911 but was released to Minneapolis.

MIAMI FAILS TO THRILL TO PRIMO LAUGHRAN FIGHT

MIAMI, Fla., Feb. 17. — (P) — It's beginning to look as if Madison Square Garden will have a slight profit, the citizens of Miami will have had a lot of fun and excitement, Primo Carnera will still have his heavyweight title, but nobody will be speaking to any one else in the champion's fight camp by the time his match with Tommy Loughran is over February 28.

Carnera, in splendid shape already, moved his training quarters today from the luxurious Deauville club, the center of expense and society, and set himself up at Carter's Amusement pier, where loggnettes, gambling rooms, and tea parties are conspicuous by their absence. In addition, he fired two sparring partners, Harold Mays and Arthur Huttick, both of whom made the trip to Italy with the champion last summer to prepare him for his successful title defense against Paulino Uzcudun in Rome.

From the manner in which a light heavyweight named George Manley, from Denver, has been slapping Carnera's nose at will, with left jabs, it appears that the training routine from now on will call for more men of the Loughran type, smart boxers, and fast. Neither Huttick nor Mays answers that description.

In the meantime, Loughran is training easily at Palm Beach amid scenes of great peace and contentment. To prove his capabilities to the local folk he will be here tomorrow for a public workout in the stadium where the match will take place.

So far the city and its mass of visitors have failed to thrill much to the battle of the former lightweight king and the Italian who will outweigh him some 80 pounds.

Today, however, there were signs that the situation is improving from a box-office standpoint. Branch offices were opened in nearby cities and people stood about in front of them, pondering something, and the hope in the hearts of the promoters is that they are thinking about buying tickets.
