

ORDER COLEMAN TO LEAVE STATE WITHIN TEN DAYS

James L. Coleman, indicted by the last grand jury for non-support, was given ten days, "in which to leave Oregon for Arkansas," by Circuit Judge H. D. Norton. Sentence was suspended, pending compliance.

Coleman, a resident of the county for two years, has three children here, and five children in Arkansas. He wanted to take his family to Arkansas, where he claimed he has a farm. The court denied the request, with the operation:

"The court cannot see, how you can take care of eight children in Arkansas, if you can't take care of three in Oregon."

Mrs. Coleman, who filed the complaint, refused to go to Arkansas. Coleman has been in the county jail for three months. The grandmother agrees to take care of the children, and give the mother a chance to work.

The district attorney reported that the family had been receiving aid from federal funds.

The district attorney's request that the order against Coleman, provide that he "do what he can for the support of his family here," was rejected by the court. "I have no faith that it would be complied with and is not worth taking cognizance of at this time," said the judge.

Coleman, represented by Attorney R. B. Hammond, was willing to return to Arkansas, if he could take the children.

The court said it had interviewed the wife and her mother in coming to his decision in the case.

MINER FINED FOR STRIKING WOMAN

Robert McMahon, 50, a prospector of the north end of the county, was fined \$50 and costs, by Justice of the Peace William B. Coleman, for hitting Mrs. M. Keeler, a neighbor woman, in the head with a pick handle during a melee at his cabin Sunday.

McMahon claimed that while he was asleep two men entered and he awoke to find them searching his clothes. He pursued them with the pick handle he said, and when Mrs. Keeler stepped out of the brush, he hit her, before he recognized her as a woman. McMahon was found guilty, and will serve out the time in the county jail.

Ivan Penland of Central Point was fined \$5 and costs for lack of an auto driver's license, and given a month in which to pay.

Archie Wharton of Eureka, Calif., was fined \$10 and costs, which he paid, for improper auto license plates. W. W. Wolcott of this city, plead guilty to a charge of improper license plates and sentence was deferred.

LADY ELKS BELIEVE HUBBIES CAKE EATERS

Medford Elks apparently are looked upon by their wives as a bunch of "cake eaters." Several days ago a committee sent out cards inviting all members and their families to enjoy an old-fashioned covered dish supper and dance Thursday evening. A return card attached, requested information as to what eatables the wives intended to bring. Replies to date show a large majority plan to contribute a cake as part of the supper menu.

The little fawn which members of the CCC Camp Rand ranger station rescued from the icy waters of the Rogue a few weeks ago, has been christened "Sally Rand," according to announcement from the camp, but the fawn hasn't any fans, those in charge of the camp state.

Permission was asked of the state game commission to keep the fawn at the camp as mascot. At the present time she is being kept in a partially completed garage at the Rand camp.

Officers took Smallworth to Butte Falls Sunday in order to get the instrument he was said to have stolen. Smallworth, according to reports, went into the house, and evaded officers until last night.

CHARLES FISCHER PASSES SUDDENLY OF HEART ATTACK

Charles Fischer, well known business man of this city, passed away at his residence on Orchard Home Drive at an early hour this morning, after a short illness, from a heart attack.

Mr. Fischer was proprietor of the "Medford Cycle and Repair Shop," at 23 North Fir street, having been in business for the past six years. He was born at Strasburg, France, February 18, 1870, and had celebrated his 64th birthday on the 18th of this month, and was in good health at the time.

Mr. Fischer was a man of sterling qualities, a good friend and neighbor, and will be missed by a host of friends. He was also an excellent craftsman in the art of key-making, having come to the assistance of many business houses and individuals in this city and elsewhere.

Surviving are his widow, Catherine Fischer, one daughter, Mrs. C. A. Thacher, also four grandchildren, Sabrina, Dawson, Jeanette and Vernon Thacher all at home, and two sisters, Mrs. J. Kaufman, Mrs. M. Judd, and two brothers, Emil and Mike Fischer of Peoria, Illinois.

He had been a member of the Knights of Pythias for the past 30 years and the lodge will have charge of the services at the grave. Funeral services will be conducted from the Perl Funeral home Thursday, Feb. 22, at 2 p. m. with the Rev. William B. Hamilton officiating.

SHORTS GAIN FAVOR OF MEN AND WOMEN FOR SUMMER WEAR

NEW YORK.—(UP)—A complete revolution in summer wearing apparel is predicted this summer as a result of the overwhelming vogue for "shorts." Both women and men are going to wear them, and not merely for tennis and the beach. They are going to be popular for porch and lawn, for motorizing, at the country clubs, on the streets of resort towns.

Betty Thornley Stuart, fashion editor of Collier's Weekly, said she predicted the popularity of the "baby pants" style when it was no more than a cloud on the horizon four or five years ago, today issued an advance "guide" for those who are already preparing their summer wardrobe.

"The most popular length for women will be just above the knee," she explains. "But as to cut, style and color, the short makers will provide varieties that are as varied as women's ages, types, weights, habits and color preferences."

"Most of the shorts will have an optional buttoned-down front skirt to match with a hem about 10 inches inches from the turf. White will be the most popular color, but there will be plenty of rainbow variations. The recipe is to suit yourself."

NEWEST DIESEL ENGINE LIGHTER

BUFFALO, N. Y.—(UP)—Development of a new Diesel engine so reduced in weight and size as to permit almost the ultimate in streamlining and cheaper operation of land, sea and air craft, has been announced by Charles A. Criegel, president of the Sterling Engine company.

Adaptability of the engine to streamlined buses and passenger coaches, fleet marine craft and airplanes is permitted by its compact construction which is obtained in part through the absence of crankshaft, camshaft, cylinder heads, valves and cylinder head gaskets.

The engine will run on the lowest grades of fuel, company engineers said, and will effect a 75 per cent reduction in fuel cost.

The weight, per horsepower, of the new Diesel ranges from 15 to 20 pounds, depending upon the size of the power unit as against the 80 to 80 pound per horsepower in the conventional Diesel.

MEDFORD DEBATE TEAM WINS TITLE SOUTHERN OREGON

By virtue of victories over Ashland and Grants Pass, the local high school debate team won the Southern Oregon championship last week.

A series of six contests was held over a period of three days, with Professor Walter A. Dahlberg, of the University of Oregon, acting as critic judge. Medford won the series with two victories over Grants Pass and one over Ashland. The Lithians won second place with two victories, and Grants Pass third with one win.

Irene Stubbfield, Betty Thorndike and Mildred Drury composed the Medford negative team, while Dolph Jones and Cleo Hicks were the members of the affirmative. Three speakers, Irene Stubbfield, Dolph Jones and Cleo Hicks were members of the team which last year won the state championship. Led by the Perry twins, Frances and Elizabeth, the high school debate team engaged in more than 20 debates culminating in the state final against Pendleton which Sabrin, Dawson, Jeanette and Vernon Thacher all at home, and two sisters, Mrs. J. Kaufman, Mrs. M. Judd, and two brothers, Emil and Mike Fischer of Peoria, Illinois.

He had been a member of the Knights of Pythias for the past 30 years and the lodge will have charge of the services at the grave. Funeral services will be conducted from the Perl Funeral home Thursday, Feb. 22, at 2 p. m. with the Rev. William B. Hamilton officiating.

TIMBER LAND SUIT ARGUMENT HEARD

Arguments on a demurrer in the suit of Dan Watson, against George Jentzer, for revocation of a sale of timber land by Jackson county, were heard before Circuit Judge H. D. Norton this morning.

Jentzer, a lumber mill operator of the Prospect region, purchased a portion of timber land, on a certificate of tax delinquency against the Watson land, for \$131.50 last November.

Watson, through his attorney, Geo. M. Roberts, held that the summons in the sale was faulty, that they had been published in full the first time, but had been modified, in the other four publications. It was further argued that the land had a value of \$2,400.

Attorney Frank J. Newman representing Jentzer held that the sale was legal and under all the requirements of the Oregon law, and that the delinquency had existed for three years, and was well known to Watson, without taking any action.

The court took the decision under advisement.

The land involved is located on the

TOOK PILLS FOR 30 YEARS, THEN CEREAL BROUGHT RELIEF

Mr. Forsythe Endorses ALL-BRAN for Constipation

If you suffer from headaches, loss of appetite and energy or any other of the frequent effects of constipation, read this voluntary letter:

"After taking pills and tablets for about thirty years for constipation, I started to take your ALL-BRAN three times a day according to directions. Today I can eat cheese, and that is binding, and certainly feel fine."—Mr. Ed. Forsythe, Box 219, Youngstown, N. Y.

Science says ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regular habits. In addition, ALL-BRAN is rich in blood-building iron.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Inside the body, it forms a soft mass which gently clears the intestines of wastes.

Isn't this pleasant "cereal way" far more healthful than using patent medicines—so often habit-forming?

Just eat two tablespoons daily. In serious cases use with each meal. If not relieved this way, see your doctor.
