

# World's Records Topple in Thrilling National Indoor Track Meet

## BONTHRON BEATEN BY KANSAS STAR IN CLOSE FINISH

### Cleveland School Boy Sets Broad Jump Mark As 14,000 Cheer—Nine New Champions Crowned

MADISON SQUARE GARDEN, NEW YORK, Feb. 24.—(AP)—In a sensational climax to the national indoor track and field championships, which saw four world records broken and one equaled, Glenn Cunningham, of the University of Kansas, tonight defeated Bill Bonthron, of Princeton, his conqueror of a week ago, in the 1500 meters run before a capacity crowd of 14,000 roaring fans.

The margin was as close as it was in the Baxter mile at the New York Athletic club games a week ago, so narrow that the timers caught them both in the new world figures of 3 minutes, 52.3 seconds, and left the question of which is the better man still undecided.

It is improbable the two will ever meet again, as both are seniors and Bonthron plans to hang up his track shoes after a trip to England this summer with the Princeton-Cornell team.

Joe Owens, former sensational Cleveland school boy, and now a freshman at Ohio State, pushed the broad jump record out to 25 feet, 3 1/4 inches, Joe McCluskey, former Fordham great and Olympian, lowered his own steeple chasing mark to 8 minutes, 50 seconds and Charles Eichenback, of the New York Athletic club, had and tied his way through the walk to a new time of 8 minutes, 14.8 seconds. Ralph Metcalfe, Marquette's great negro sprinter, equaled his own world record of 6.7 seconds in the 60-meter dash, as he won off by himself and coasting.

Nine new national champions were crowned in the meet, three retained their titles and George Spite, of New York University, shared his high jumping throne with Walter Mary, of Fresno, Calif., State college.

The New York Athletic club team retained its laurels, piling up 27 points to 15 for the Boston A. A., which finished second. The others trailed in the following order: University of Indiana; 12; New York University; 10; Columbia, 9 1/2; German-American A. C.; 8; Rhode Island State college and the University of Kansas, 8 each.

## MEDFORD VICTOR OVER SHASTA FIVE

In a fast and furious game, the Medford high Tigers defeated the Mt. Shasta high school, 35 to 26, last night. Ashland junior high defeated the Medford junior high, 44 to 16, in one of the preliminaries.

The Medfordites piled up a 150-11 lead at half-time. The Shastans didn't get a point until the second quarter. High point men for the evening were Chorak for Shasta with 13 points and Curtiss for Medford with 10 points.

## HUSKY ACE, WITH 176 POINTS, SETS SCORING RECORD

LOS ANGELES, Feb. 24.—(AP)—The University of Southern California tonight captured the southern division basketball championship of the Pacific coast conference by defeating the University of California at Los Angeles in a slow, listless game, 32 to 23.

The victory gave the Trojans the right to play Washington, northern division winner, for the championship of the conference.

SEATTLE, Wash., Feb. 24.—(AP)—The University of Washington defeated Washington State, 39 to 23, here tonight and finished its season in a burst of glory.

It was the 14th win for the Huskies, champions of the northern division of the Pacific coast conference, in 16 contests.

Stanford loses  
STANFORD UNIVERSITY, Cal., Feb. 24.—(AP)—Coming back with a vengeance after their defeat last night, University of California basketball players trounced Stanford university's Cardinals, 43 to 15, in their final Pacific coast conference, southern division, contest here tonight.

## BOWLING

Captain Eugene Orr's Elk club bowling team pulled out a three-game win Friday night in their match with Captain Watson's men, making a roll-off for first place necessary between the Orr and Fred Erickson teams in the lodge tournament which ended with the match Friday.

Agreement was reached Saturday between Captains Orr and Erickson for the roll-off Tuesday evening on the Elk's alleys and a battle royal is anticipated. Erickson's men won the weekly prize money for the third consecutive time last week and declare they are headed for the "last roundup" determined to take first place honors despite the fact that Orr boasts such stars on his team as George Eade, E. E. Kelly, Harry Fredette and Everett Brayton, not to mention the captain, who is himself a bowler of ability.

Captain Etwood's team finished in third place in the tourney.

## ASHLANDERS WIN OVER TIGERS 22-16 IN ROUGH BATTLE

Ashland high school defeated the Medford high school, 22 to 16, Friday night in the first game of the two-game series for the southern Oregon championship.

The Burghermesters played erratically and listless throughout the first half, which ended with a 15-to-9 lead for the Lithians. Medford outplayed Ashland in the final quarter. Medford had a 5-to-3 lead in the first quarter, but relinquished it early and never got in front again.

Hoxie scored 19 points for Ashland, some of his shots being long ones from the side line. Gillinsky was high for Medford with six tallies.

The slow offense of the locals was made to order for the five-man Lithian defense, and the Burghermesters had difficulty working the ball any distance past center.

Medford was unable to find the net, though they shot frequently in the last half.

Ashland had the advantage of height and secured the tip-off the majority of the time. The game was rough in spots and the referee was booed by the crowd.

The two teams play the second game of the series here this week end.

## PROSPECT LOSES TO EAGLE POINT

By defeating Prospect high school 25 to 19 Friday night on the Prospect floor, Eagle Point erased an earlier season defeat by that team and will play Sama Valley Wednesday on a neutral floor for the right to play central point, winner of the East-West conference, for the secondary conference championship of the county.

The Cheese-makers have won their last five games by close checking and fast ball. They started the season in the cellar and were rather slow in leaving. Their ascent to the top has been spectacular.

At Prospect the Ladinos took an early lead and were never headed. Marshall was high point man for Eagle Point and Merriman for Prospect. Score at the half was 12 to 5.

The second team lost to Prospect's 18 to 5. The grade team won 17 to 9 with a bit of humor as Beck of Prospect turned in mid-floor and sunk a long shot in the wrong basket. Ward of Jacksonville was referee.

## EXPERTS LEAN TO LOUGHRAN; MONEY FAVORS CARNERA

MIAMI, Fla., Feb. 24.—(AP)—Slowly but surely the impression is spreading about the Miami playground that there's to be a world heavyweight championship fight on Wednesday night with Primo Carnera, the Genoa giant, defending his title against little Tommy Loughran.

The impression of the experts who have been watching both train is that Loughran's chances have been decidedly underestimated and Carnera's tremendous physical advantages overemphasized. The mammoth Italian hasn't looked good at all in his workouts.

Both the same, the supposed insincerity of the man mountain who fell on Jack Sharkey last summer and removed him from the heavyweight title in six rounds is such that Carnera remains a favorite at 2 1/2 to 1.

Both will finish heavy training tomorrow.

From the garden standpoints, the sale of top-priced \$20 tickets totaling 2000 in number, has offered an encouraging sign. Almost all have been disposed of, assuring a start of almost \$40,000 in the box office.

## SIX CONTRACTS ON DUCKS' LIST SHY

PORTLAND, Ore., Feb. 24.—(AP)—Receipt of four new contracts today left six members of the Portland baseball club with a bit of scrambling to do. President Thomas L. Turner announced.

Rudy Kallio, veteran pitcher; Stanley Javrowski, young pitcher; Frank Beckers, infielder from Baltimore and Albany; and infielder Steve Coscarart, brother of Joe Coscarart, Seattle third baseman, have signed.

Outfielders Blackerby and Lawrence, Pitchers Bryan and Ragland, and Infielders Sheely and McLeod are still unsigned.

Continuation of the sale of Joe Palmisano to Atlanta of the Southern league also found Portland looking for a veteran catcher.

Spring training will start at Ventura, Cal., when batterymen and youngsters report March 1. Veterans will appear four days later.

The practice schedule includes games with the Chicago Cubs, Los Angeles, tentative games with the Chicago White Sox, and several others to be arranged.

## LAYTON CAPTURES 3-CUSHION TITLE

NEW YORK, Feb. 24.—(AP)—Johnny Layton, the florid Sedalia, Mo., veteran who has spent three-quarters of his 47 years fighting, wrestling, playing professional baseball, fishing and playing pool, is back in control of the three-cushion billiard game today.

After a lapse of four years, during which an eye, injured in his last wrestling match nearly 30 years ago, threatened to end his billiard career, the former Missouri carpenter rose to his greatest heights to defeat the defending champion, Welker Cochran, of San Francisco, and win his 11th world's title. The score was 50 to 23.

## GIANTS ALL SET TO START DRILL DOWN IN FLORIDA

MIAMI BEACH, Fla., Feb. 24.—(AP)—The world champion New York Giants, continuing their policy of getting the jump on all rivals, began training for the 1934 pennant race today at least a full week in advance of the 11 clubs using Florida as a base of operations this year.

A dozen athletes, including the renowned Carl Owen Hubbell and nearly all the other battery men, answered Manager Bill Terry's first roll call, drilled for an hour at Flamingo park and then went into a club house "huddle" to listen to their leader's first campaign speech of the season.

"We are getting down to business earlier than usual, because we have a tough schedule ahead and I want to be sure the whole team is absolutely in top shape from the first game of the season on April 17."

"I honestly think our club will be better this year than last and that we will win the pennant by a bigger margin. That's how much confidence I have in the outfit. I have never seen a crowd so anxious to go. Not even a threat to make him pay his own expenses until the rest of the regulars report March 1 could keep a guy like Bloddy Ryan from coming down here now. There's not a spark of jealousy or the least sign of a swelled head in the whole squad."

Terry disclosed he is not counting upon his number one backstop, Gus Mancuso, being recovered sufficiently from an attack of typhoid to start the season. Mancuso will be ordered to take things easy when he reports here while husky Paul Richards does the bulk of backstopping, aided by Harry Danning, who hit .349 with Buffalo last season.

Terry heard the news of Casey Stengel's appointment to the management of the Brooklyn Dodgers with much interest and voiced his congratulations to the former Giant outfielder.

With the exception of Herman Bell and DeLoe Lopez, the Cuban veteran who is expected here tomorrow, the entire pitching staff has reported to Terry.

Lillard had hoped to match Stone, rough house exponent, with big Ray Friable, Medford fireman, who has declared he wants to play rough, too, but Friable has started north on a wrestling tour which will keep him away from Medford for some time.

## UPSTATE MATMEN ROUGH ON FANS; POLICE TO CURB

PORTLAND, Ore., Feb. 24.—(AP)—Police today announced their determination to clean up what they termed "disgraceful brawls" at the auditorium wrestling matches here.

The action recalled that of District Attorney William Trindle of Marion county who recently threatened to stop wrestling matches at Salem unless they were cleaned up, following Bulldog Jackson's water faucet incident.

The Portland announcement had to do with the audience as much as the wrestlers. Bottle throwing, spitting and kicking are increasing and steps to stem the rising tide of boisterousness should be taken to prevent such a scene as a recent Los Angeles tree-for-all police said.

Police also described baiting by wrestlers who fire the ever recurring jaunts out of the ring indulge more and more in arguments with the audience.

The police concern expressed was principally for the audience, with no great concern expressed over what the wrestlers did to each other.

## ROUGH GRAPPLER TO MEET WOLFE

Bob Stone, the bad boy from Des Moines, Iowa, who gave Swede Anderson, local fireman, such a roughing on last week's mat card, will find himself up against one of the slickest bone crushers in the business Thursday when he is carded to meet Les Wolfe, Texas, in the one-hour main event of Promoter Mack Lillard's next show, Les Grimes and Al Schnell, both hailing from Australia, will grapple in a 45-minute semi-windup, and Roland Warren, Klamath Falls Copco engineer, will tackle Harry Hall, the "Fargo (N. D.) Express."

Lillard had hoped to match Stone, rough house exponent, with big Ray Friable, Medford fireman, who has declared he wants to play rough, too, but Friable has started north on a wrestling tour which will keep him away from Medford for some time.

## ATHLETIC BOARD OVERRULES MOVE FOR 'B' TOURNEY

SALEM, Ore., Feb. 24.—(AP)—The Oregon State high school track and field meet will be held on Bell field at Oregon State college, Corvallis, on Saturday, May 9. It was decided here today by the board of control of the Oregon High School Athletic Association.

The board of control, members of which are Paul T. Jackson of Klamath Falls, Austin Landreth of Pendleton and John D. Gary of West Linn, decided that it was too late, and also that the board had no authority, to arrange for a state "B" basketball tournament for this year as had been urged in some quarters.

However, the three state normal schools may if they wish hold regional invitational "B" tournaments for high schools of 150 or less enrollment, the sponsoring school taking all responsibility, financial included, except as to eligibility of players.

Champions selected in any such tournaments will not be officially recognized by the state board, and will have no recognition, as such champion, for admission to the state tournament, to be held March 21 to 24 at Willamette university here. Entrants for this tournament will be selected within 16 districts, as in the past.

A state "B" tournament was authorized for 1935, at the athletic association's annual meeting in Portland last December.

HOUSTON, Texas, Feb. 24.—(AP)—Gus Moreland of Dallas and Johnny Dawson, of Chicago, will meet tomorrow in the 96-hole finals of the Houston Country club invitation. Moreland eliminated Willie Maguire, Jr., of Houston today 2 and 1. Dawson beat David Goffman of Dallas, one up.
