Considerable progress in local relief work and general improvement in various conditions were evidenced Friday at the meeting of the Allied Welfare Association, held at the Hotel Medford. Mrs. Ray Wright, reporting for the American Legion Auxiliary, stated that eight families have been cared for by that unit, baskets given to five and 23 children aided at an expense of \$25. Mrs. Glenn Smith, reporting for the Girl Scouts, described the recent court of honor conducted at the court house and told of the camp project planned. Miss Lillian Roberts, secretary of the Red Cross, stated that transient relief work had utilized much of the time this winter with her organization, co-operating with Captain Durham, by taking care of the women and children. She stated that the main idea was to keep the people from moving on from town to town, and that this program has taken on national aspects. Much has been accomplished, she said, toward discouraging the movement out from home states. Larry Schade represented the Boy Scout council, and offered much praise of the work accomplished by the Activists in developing the Berdyale troop. Scout Executive Soderberg, who recently came to this territory, reported that conditions are much better in Medford than in the northern end of the state. He stated that plans are under way for organization here of a scout leaders' training course the last of March to be held as a follow-up of the father and son banquet. Emerson Merrick reported on work accomplished toward the prevention of tuberculosis, and Dr. C. I. Drummond, county physician, stated that a move is on to discourage people in demanding so much free medical care at the expense of the county. Mrs. Jack Heyland, representing the Parent-Teacher association, brought encouraging news on the results of serving hot lunches in the schools. A definite gain in weight of many pupils has been noted, she stated, mentioning one boy, who has gained four pounds since the lunches were started this year, and a girl who has made a gain of six pounds. Attending the luncheon were: Mrs. Glenn Smith, Girl Scouts; Mrs. H. L. Noblitt, Miss Lillian Roberts, Ed Cross; Dr. C. I. Drummond; Mrs. Wright, Legion Auxiliary; Emerson Merrick, American Legion; Mr. Soderberg; Larry Schade, Community Chest; Mrs. Heyland, P.-T. A.; and Capt. O. L. Overmyer, commander of the American Legion.

RAILROAD LABOR BACKS AMENDING HAULING CLAUSE PORTLAND, Ore., Feb. 24.—Railroad labor throughout the country will unite in support of the Pettengill bill H. R. 80 introduced in the house of representatives on Feb. 19 by H. B. Pettengill of Indiana for the purpose of amending the fourth section known as the "long and short haul clause" of the interstate commerce act. This announcement was made today by I. A. Sluder, state chairman western conference committee of the railroad labor organizations. "Passing of this bill by congress," Mr. Sluder said, "will go far towards solving a serious unemployment problem in western states. The fourth section, as interpreted by the interstate commerce commission during the last fifteen years, has resulted in diversion of the greater part of transcontinental non-perishable freight to the inter-coastal steamship lines. Passage of the Pettengill bill will enable the transcontinental railroads to compete upon a fair basis with inter-coastal steamship lines and as substantial portions of this revenue will revert to the railroads, railroad employment and payrolls will increase, purchasing power will be added to all industry, agricultural and business in the intermountain and western states will feel the resulting beneficial effects."

Comparative annual figures now complete at the Jackson county library reveal that the Jacksonville branch in the care of Mrs. Roy G. Smith, has made greatest use among the branch libraries of the county. Resources available in 1933; 15,294 books and magazines have been borrowed from that center by a group of borrowers which totals 298. Second place is held by Central Point with 12,642 books were read and the registered borrowers number 366. At Rogue River there was a circulation of 11,858 books, and a registration of 173 persons. The total for the eight branches reached 75,577, an increase of about 6000 over 1932. Only 14 cents per capita were available in the year just past for the conduct of the county library work. The book stock of the whole system numbers 28,728, with 187 magazines currently received at central and an average of 19 at each branch. The total number of books loaned for home reading for the whole membership of 8765 borrowers was 214,870.

Pres-to-Logs, The "Magic Fuel" Ready For Medford Users Pres-to-logs, a distinctly new product now being introduced in southern Oregon by the Valley Fuel and Medford Fuel companies, are accurately described by the term "magic fuel," according to Gain Robinson, of the Valley Fuel firm. Clean sawdust and shavings from planing mills and box factories are used in manufacturing Pres-to-logs which are compressed under enormous pressure, making them more than three times as dense as wood. Four years of engineering and scientific research were required to perfect the Pres-to-logs, which have been successfully used as fuel for fireplaces, furnaces, galley fuel, hot water heaters, heaters, brooder stoves, bake ovens, cook stoves, lunch rooms, tourist camps and service stations, having been widely distributed in Idaho and parts of the northern part of Oregon, as well as throughout eastern Oregon and Washington. Delivery of Pres-to-logs is made in boxes, which may be very conveniently placed in basements or woodsheds, which is one of the many advantages of the new fuel, as pointed out by Mr. Robinson.

WYOMING WOOL POOL GOES FOR 33 CENTS ROCK SPRINGS, Wyo., Feb. 24. (AP)—County Agent S. E. Murray announced today that 33 cents a pound had been obtained for the Star Valley wool growers' pool. The size of the pool was not announced.

PORTLAND, Feb. 24.—(AP)—A double funeral service was held here today for Mr. and Mrs. John M. Van Dyke. The husband, 71, died Sunday morning at his home. Mrs. Van Dyke, 68, suffered a stroke Monday and died Tuesday night.

THE LADIES OF THE SACRED HEART CHURCH are sponsoring a Humbug Sale, March 9 and 10. All donations are welcome. Phone 405-X or 708-W and clothes will be called for, or bring to Mrs. Weston on North Peach Street.
