

# Carnera-Loughran Title Bout Postponed to Thursday Account Rain

## PROMOTERS FACE FINANCIAL FAILURE IN MIAMI MATCH

### Loughran Notified of Decision to Delay Battle As Preparation Made for Weighing in With Primo

MIAMI, Fla., Feb. 28.—(AP)—Rain today forced a postponement until tomorrow night of the world's heavyweight title fight between Primo Carnera, the champion, and Challenger Tommy Loughran, which had been scheduled for the Madison Square Garden outdoor arena here tonight.

Decision to delay the fight another day was made by garden officials as rain, which has fallen here intermittently during the past two days, continued to drench the countryside this morning.

Loughran, who has completed his training for the 15-round title bout at headquarters in West Palm Beach, was notified of the postponement just as he was preparing to come here to weigh in with the giant man-mountain champion.

As a result of the postponement, the fighters will not weigh in until 1:30 p. m. tomorrow.

The 288-pound Italian giant ruled a 3-to-1 favorite to beat the 185-pound American challenger and it was even money he would win by a knockout.

Doomed to financial failure from the outset by a combination of circumstances, the fight has been hit hard by several days of unruly weather.

Officials of Madison Square Garden of New York, promoting the fight, declared today most of the 3000 ring-side seats at \$50 each had been sold or reserved. Even so, it was unlikely the net gate receipts would go far beyond the \$50,000 mark. The attendance, cash and on the cuff, may not pass 25,000.

## ORR TEAM WINS ROLL-OFF GAME ON ELKS ALLEY

### Bob Stone, the had-tempered boy of Des Moines, Ia., whose performance at the armory last week against the local Swedes Anderson was anything but gentle, meets Les Wolfe of Texas, the rolling scissors artist, at the armory tomorrow night.

Eugene Orr's team of veteran Elk club bowlers walked off with the lodge tourney honors last evening by taking the first two games in their play-off with the team captained by Fred Erickson. The Erickson and Orr outfits had finished the tourney last week in a dead heat for first place.

A large and enthusiastic gallery, lead by Jerry Jerome, probably the largest to witness a bowling match in Medford in years, gave both teams a touch of stage fright at the outset, but the Orr squad settled down to their work first, and soon piled up a commanding lead in the opening game, the final score reading 933 to 824. Kads and Brayton did the heavy firing for the Orrs in the opener.

The competition grew warmer as the second game reached the middle frames and the Ericksons drew out in front when their opponents ran into a bunch of "spits." The leadership was short lived, however, as the veterans, Kelly and Eads, came to the fore with a burst of strikes, which again brought on an attack of "spits" in the Erickson ranks. The score read Orr's 911, Erickson's 602, as the last ball was heaved down the alley and the nine-pin margin was sufficient to clinch the match, the third game not being rolled.

Chairman Roy Pruitt of the Elks club bowling committee, is planning a short doubles and singles tourney to start next week.

Scores in last night's roll-off and the final standing of the teams follow:

Orr, E.	174	148
Eads	190	193
Brayton	192	150
Predette	156	172
Kelly	181	188
Handicap	60	60
Total	933	911

## To Meet Grimes

Al Schnell

Bob Stone, the had-tempered boy of Des Moines, Ia., whose performance at the armory last week against the local Swedes Anderson was anything but gentle, meets Les Wolfe of Texas, the rolling scissors artist, at the armory tomorrow night.

A 45-minute bout between two Australians, Les Grimes and Al Schnell, and a 30-minute go between Roland Warren, Klamath Falls favorite, and Harry Hall, Fargo, N. D., will round out the card. The match will start as usual at 8:15.

## ALL STARS MEET BT. FALLS CAGERS THURSDAY NIGHT

### St. Mary's All-Stars basketball team will meet the powerful Butte Falls team Thursday in the Medford Junior High gymnasium.

St. Mary's All-Stars basketball team will meet the powerful Butte Falls team Thursday in the Medford Junior High gymnasium.

Papa can be assured of a good game as the All Stars and Butte Falls are two of the outstanding teams in southern Oregon and northern California.

Butte Falls uses a slow breaking offense and an aggressive man-to-man defense, while the St. Mary's team uses a fast breaking offense and a zone defense that has been used effectively in the major portion of their games this season.

The St. Mary's boys are out for revenge after dropping their initial game to the Butte Falls Townies by a one point margin.

In a preliminary, Ray Henderson will pit his Junior High Bulldogs against the fast and coming St. Mary's Academy team. This game will start at 7 o'clock with the main game commencing at 8. A small admission will be charged. Probable starting line-ups:

## EAGLE POINT AND SAMS VALLEY TO PLAY TITLE TILT

Tonight at 8 o'clock at the Medford Junior High gym, the Eagle Point Cheesemakers meet the Sams Valley high school for the north-south secondary basketball championship. There are four teams in the conference, Butte Falls, Eagle Point, Prospect, and Sams Valley. Each team has defeated Butte Falls twice, split with Prospect and each other for a record of four wins and two defeats, a 66.6 percent conference rating.

The winner of this game will play Central Point, the winner of the east-west branch of the secondary conference. The winner of that game has the right to challenge Medford or Ashland for the right to go to Salem for the state championship.

Sams Valley has a strong team that has played consistent ball all season, losing but three games in 15. Eagle Point on the other hand started out slow, losing all of its early season games and owns to eight wins out of 18 games played.

Sams Valley is coached by G. W. Ayers, formerly of Arago, where he won several Coos county championships. Eagle Point is coached by Floyd Barrett who is piloting his team for the third time.

## FINAL TRIBUTE GIVEN MCGRAW

NEW YORK, Feb. 28.—(AP)—His friends gathered to take their farewell of John Joseph McGraw today.

The tremendous pile of gray stone that is St. Patrick's cathedral was the setting of funeral services for the baseball veteran whose turbulent career came to a peaceful conclusion in New Rochelle hospital Sunday.

His parish priest, the Rev. Vincent de Paul Mulry, pastor of St. Catherine's church in Pelham, was to sing the solemn requiem mass.

After the services the body is to be taken to Baltimore and placed temporarily in a vault, awaiting interment in the spring.

## VEGETABLE BARRAGE FOR ROUGH GRAPPLER

SALFEM, Feb. 28.—(AP)—One of the wildest and roughest wrestling matches ever staged here was won by Harry Elliot last night from Bulldog Jackson, when Referee Walter Tinkit Achiau awarded the third and deciding fall to Elliot on a foul.

Elliot took the first fall but Jackson's use of questionable tactics won him the second. In the third canto Elliot threw the Bulldog out of the ring several times only to succumb later to a barrage of low blows. The referee intervened and gave the match to Elliot.

Jackson's loud protest drew a shower of vegetables from the crowd.

## WRESTLER SUBDUED BY ASTORIA POLICE

ASTORIA, Ore., Feb. 28.—(AP)—Spirito Monastrotis, a professional wrestler, also known as Sam Monas, was held in the Clatsop county jail today on a charge of threatening to kill John Kuluris, restaurant owner.

Monas was arrested by city police and two state officers after a half hour battle in the restaurant, during the course of which the officers were forced to beat him so badly that hospital attention was necessary. Kuluris said Monas became angered at him because he refused his demands for money.

## STEELE COMES BACK TO SCORE KNOCKOUT

SEATTLE, Feb. 28.—(AP)—Freddie Steele, Tacoma welterweight boxer, apparently lost none of his punching power while he was out of the ring for several months because of illness.

He proved he has a sting in each hand when he dropped Johnny Romero, Los Angeles Mexican, with a right, and then knocked out the southerner with a left in the second round of their scheduled eight-round bout here last night.

## Final Notice to Medford Milk Handlers.

The city ordinance specifically states "permits to handle or serve milk shall be paid January 1st of each year, and if not so paid a complaint shall be filed and action taken."

All those in arrears should comply at once.

## KARCH KNOCKS OUT FRANCO IN SECOND

PORTLAND, Ore., Feb. 28.—(AP)—Saved by the bell at the end of the second round, Pat Franco, 152, Seattle, was still unable to continue when the third round should have started, and Paul Karch was awarded a knockout in the main event here last night.

Karch, 155, St. Johns, had scored two previous knockdowns over Franco.

LET me express to the people of southern Oregon my sincere appreciation for their loyal support and generous patronage that has made possible the success of this store during the past 31 years . . . We have strived to merit this patronage . . . The Toggery has become more than just a store in southern Oregon . . . It is an institution. The growth of this institution has been substantial and consistent because the foundation is RIGHT. Again Ford proves its supremacy! Just as Ford won the Elgin National Stock Car Race—so Ford wins the Gold Cup Classic, open to all American stock cars of 300 cubic inch displacement or under.

Never before has a stock car been put to a more grueling test. Two hundred and fifty miles over a rough, twisting 1 1/2-mile course—with sharp, flat curves—short, uneven straight-aways—through dust, sand, pebbles, ruts. A course so hard on car and driver that only Ford and four other makes of stock cars were able to qualify.

In winning this race, the Ford withstood the strain and wear equal to thousands of miles of ordinary driving—proof of its remarkable power, stamina and safety!

Though you may never drive the 80-90 miles per hour the Ford made on the straight-away—this available speed assures you years of effortless driving under ordinary conditions. For the Ford V-8 runs at ease and without vibration at 50 and 60 m.p.h. Moreover, this car has extra strength in axles, body, brakes and steering gear. Yet the 1934 V-8 costs less to operate than any Ford ever built.

Remember, the winning car is identical with the Ford V-8 now on display at every Ford Dealer's. See these luxurious new models. Inquire about Ford's exclusive free action on all four wheels. Then get behind the wheel—and enjoy the thrill of driving America's stock car champion!
