IT WILL buy a lot more now than later if the monetary policy of the government works out as our officials expect. Because of the low value of our money abroad, imported foods, like coffee, tea, etc., are bound to go higher.

Super Meat MARKET

Here is a real tribute to the quality of our meats: Yesterday a Klamath Falls visitor took beef and country-style sausage for himself and some of his friends back to Klamath with him. Many Ashland, Grants Pass and Klamath folks when in Medford are taking our fine steer steaks—roasts and country-style sausage home with them. The best ever, they say—and marvel at the low prices.

Tender meats—with no waste are not only cheaper but better for you. A bargain is not a good bargain unless you really save in the end.
