## 'KUNNEL' PAYNE DEFEATS NEGRO

SEATTLE, March 7.—(AP)—Teacher and pupil look all the same to Cecil Payne, Louisville, Ky., lightweight who won a double knockout decision over Al Lewis, Seattle negro in an eight round boxing fracas here last night.  
When Payne first came to Seattle about a month ago, he gave Henry Woods, Yakima negro, a bad beating, smashing him to the canvas several times. Lewis then took Woods in hand and taught him some new tricks so he might have a chance in a rematch, but the result was the same.  
Lewis, the teacher, then challenged Payne, and he joined Woods on the floor. He bounced twice in the last two rounds, the first time from a left to the chin, and the second from a right to the jaw. Payne scaled 198½ and Lewis 189½.

The slugger Kentucky Kunnel now likes Seattle so well he has moved his family here.

(Continued from page one)

Thirteen applications for beer licenses were presented to the city council last night for recommendations to be made to the state commission. All were approved with the exception of one, filed by Otto King. It was ordered returned to him for the insertion of complete information.

**Ordinance Adopted**  
A city ordinance in keeping with the provisions of the Knox bill, to enable handling of violations in the local courts, was presented the council by City Attorney Frank Farrell last night and passed by the council.  
It provides, in keeping with the state ruling, that "No license holding a state license for the sale or disposal of alcoholic liquor not over 14 percent of alcohol by volume shall, directly or indirectly, sell, give, dispose of, deliver, solicit the sale of, or otherwise dispose of any alcoholic liquor between the hours of 1 o'clock a. m. and 6 o'clock a. m."  
The city ordinance also makes it unlawful for any person to keep, possess, or consume any alcoholic liquor in any public dance hall, or in any room or building used for public dancing, provided that all restaurants and hotels shall be exempt from the provisions hereof, when no charge is made for such dancing privilege.

The ordinance provides for the following penalties for the conviction of violations of any part of the ordinance: a fine not to exceed \$100 or imprisonment in the city jail for a period not exceeding 30 days, or by both fine and imprisonment.  
**Will Buy Safe**  
Councilman George Porter, representing the finance committee, asked that the safe borrowed by the city from the J. C. Penney company for a number of years be purchased at the price set, \$225. The council approved the request.  
Mr. Porter stated that the company had an opportunity to sell the safe elsewhere and that it was the best one obtainable at that price.

C. C. Furnas reported for the street and roads committee that the sidewalk of the city are in very bad condition. The council voted to send notices at once to the property owners, asking that an early improvement be made.  
Bids on furnishing the city with lubricating oil were opened at last night's meeting and referred to the street and road committee with power to act.  
**Fines Total \$66**  
City Recorder M. L. Alford reported that the city court took in \$66 in fines last month. He also presented the report of the city library.  
Mayor E. M. Wilson announced that a number of complaints of dirty streets about the city had been received and suggested that the matter be taken up with the street and roads committee to investigate the possibility of a clean-up.  
An ordinance was passed approving the improvement of North Fir street. Dr. L. D. Inskeep, city health officer, reported that there are many cases of measles in the city and a chicken-pox epidemic now spreading.  
Invitation of the League of Oregon Cities, asking for representation from Medford at the annual conference March 22, was read and Mayor Wilson and City Attorney Farrell instructed to attend.  
Councilmen S. A. Kroschel, C. C. Darby and Al Littrell were not present at last night's meeting.

## BIG PIN SCORES DUE TO SAVING

TOLEDO, O.—(AP)—Larry Gazzolo, long a nationally known bowling figure and a leading alley-keeper here, says he can explain the "wave" of fantastically high tenpin scores that has been sweeping the country.  
"It's the non-plane rule, passed by the American Bowling congress last year, that's responsible for the flood of elephantine totals," he says.  
"As a depression measure the A. B. C. ruled that, to help alley-keepers save money, drives didn't have to be played last fall. 'Grooved' alleys and high totals are the answer. I hope they kill the rule at Peoria."

## PATTON TOPIC OF AIR TALK BY SPORT SCRIBE

John Masterson, sports writer for the Spokane, Wash., radio station, gave Orney Patton of this city a real sendoff last night when he arrived on the air, local friends who were listening in, reported today.  
Masterson quoted Orney's description of the late John McGraw, as it was given the Mail Tribune a short time ago, and reviewed the baseball story of Medford's own Irishman. The dissertation included a very realistic description of "Orney" for Masterson has visited in Medford often, being a personal friend of John Reddy.

PORTLAND, Ore., March 7.—(AP)—Three paralyzing lefts to the stomach put Del Wolfe, 223, Bellingham, Wash., down and out in the first round of his fight here last night with George Fuchsia, 180, St. Johns.  
First one and then the other held the advantage in a four-round draw fought by Dick Johnson, 154, Portland, and Jackie Drews, 152, Marshfield.  
Cal Smith, 155, Fairview, churned punches to the stomach and scored numerous knockdowns over Arnold McCoy, 10, Enterprise, who nevertheless stayed for the full four rounds.  
Rollie Westerman, 137, Portland, gained a decision over Blondy Hellman, 141, Wauna.

# Judith Lane

by JEANNE BOWMAN

"The last will and testament of Tom Bevins"—Judith dimly heard the words by which her former employer made her the heiress to five million dollars, and gave her control of his far-flung enterprises, and threw on her slim shoulders a cruel burden.  
Her hand held Tom Bevins' last request, private instructions for administering his affairs. Judith knew it meant strife, heartbreak and perhaps an end to the romance with Norman Dale. For somehow, Judith sensed that her husband would not be at her side in the bitter finish-fight with the Bevins family, a widow and daughter grasping for a dead man's dollars and willing to let his ideals crumble to dust.  
Around this situation, JEANNE BOWMAN has written a dramatic story of the girl who was willing to sacrifice home, husband and friends, risk disgrace and failure—because she was loyal to a trust.
