

FORMER RESIDENT OF VALLEY DIES IN AUTO TRAGEDY

Funeral services for Mrs. Mary Isabelle Wither, 30, formerly of this city and member of a well known pioneer family, who met death in an auto wreck Thursday night near Red Bluff, Cal., will be held here this afternoon at 2:30 o'clock at the Conger funeral parlor.

John Taylor, a brother, accompanied the body to Medford yesterday from Redding, Calif., where he and his sister had made their home since leaving Medford.

Mrs. Wither was born and raised in the Rogue River valley and attended school in this city, where she is remembered by many friends. She left Medford 10 years ago for Redding.

Driving between Redding and Red Bluff with a group of friends, she was killed in an auto wreck, caused by excessive speed, the inquest held in Redding showed. Her brother, John Taylor, had been gone from the city just one day, when the accident occurred, he stated yesterday, having accepted a federal position out from Redding, Calif.

Lieut. Hartley Hector, who was driving the car, also met death in the wreck, and the inquest, accompanied by Mrs. Ethel Skinner, other occupants, sustained injuries.

Mr. Wither is survived by one daughter, Vera Wither, 13, her mother, Mrs. H. H. Taylor of 1115 Niantic street, this city; and the following brothers and sisters: Jessie M. Taylor of Ruch, L. C. Taylor of Central Point, Mrs. Paul Anderson of 1120 Niantic, Medford; Mrs. Lester Throckmorton, Eagle Point, Edwin Taylor, Ruch, and John Taylor, Redding, Calif.

Her divorced husband, Brennen Wither, arrived here yesterday from Redding, Calif., for the funeral, accompanied by daughter Vera, who will in the future make her home with her aunt, Mrs. Anderson.

Mrs. Berthina Hopper, an intimate friend of Mrs. Wither's is also here from Redding for the funeral. Mr. and Mrs. Anderson and son Kenneth, who went to Redding upon receipt of news of Mrs. Wither's death, returned here yesterday from the south.

Mrs. Wither, who had many friends in the valley, was also beloved by many people in Redding, where she was known as "Dixie" Wither. News of her sudden death came as a shock to hosts of people, who had known her since childhood. Her parents were among southern Oregon's earliest pioneers.

The funeral services today will be followed by interment in the Jacksonville cemetery.

COMING WEEK SET ASIDE FOR LAND'S BUSINESS WOMEN

Today marks the opening of National Business Women's week to be observed from March 11 to March 17, and the following proclamation, was received yesterday by the local club from Governor Julius L. Meier:

"To the people of Oregon: "National Business Women's Week will be observed from March 11th to 17th by more than fifty thousand women who comprise the membership of the thirteen hundred clubs which are functioning in forty-seven states, Alaska, and Hawaii.

"During this week the public will have an opportunity to learn of the activities carried on by the clubs for the personal and professional improvement as well as for the happiness and enjoyment of their members.

"The goal of the National Federation of Business and Professional Women's clubs this year if the re-employment of ten thousand 'white collar' women workers. In the accomplishment of this worthy objective, and in their many other projects for the benefit of business women, I hope the clubs of Oregon will have the full support and cooperation of the people of the state.

(Signed) "JULIUS L. MEIER, "Governor."

OWEN SEES VALUE STATE SALES TAX

All sales tax money in Oregon will not be realized from Oregonians' pockets if the sales tax is passed, is the conclusion of James H. Owen of the Owen Oregon Lumber company, following his return from California.

The tourist and visitor (business or social), will contribute a lot to the fund, he stated yesterday. Such is the case in California. No one is exempt and an important revenue is realized from visiting delegations.

In Oregon, tourist travel would contribute much in taxation each summer, if the sales tax measure carries. In this manner, Mr. Owen sees a pleasant way of lessening the burden for property owners of the state.

\$20,000 ALLOTTED WAREHOUSE HERE

Supervisor Karl L. Janouch of the Rogue River national forest yesterday received word from A. O. Waba, assistant regional forester, that "the office of engineering is definitely planning on making an allotment of development funds, for the construction of a Medford warehouse for the forest service."

According to the letter, \$20,000 will be allotted for the work. Mr. Janouch stated that the construction would be such that extensions could be built later.

The warehouse for the forest service at the present time, is located at the corner of East Jackson street and Gessner.

DAIRY, BEEF COWS BASIC COMMODITY UNDER NEW BILL

WASHINGTON, March 10.—(AP)—President Roosevelt today signed the legislation appropriating \$40,000,000 for crop production loans.

WASHINGTON, March 10.—(AP)—The senate today passed the \$350,000,000 Jones-Connally bill to make dairy and beef cattle basic commodities subject to processing taxes under the agricultural adjustment act, but loaded it with amendments going far beyond administration wishes.

The measure now goes to conference with the house, whose bill provides only for cattle.

The amendments voted by the senate are peanuts, flax, rye, barley, and grain sorghum, to the list of basic commodities to receive A. A. A. benefits and authorizes an appropriation of \$150,000,000 for eradication of diseased cattle, government purchase and transfer of dairy cows to farms lacking such stock for domestic needs, and for feeding the needy.

UPSTATE FARMERS ASK DIRECT LOAN

PORTLAND, Ore., March 10.—(AP)—Passage by congress of the Farmer financing bill to provide direct low-rate federal loans to farmers, was urged today by the Farmers' Union of Laurel in Washington county.

In a memorial to congress the union urged the bill's passage, stating: "There can be no hope of better financing conditions for the farmer until more progressive, just and equitable legislation has been enacted by our state and federal law-making bodies."

The farmer is fully as entitled to federal aid in this emergency as the banks, railroads and big business, the resolution stated.

INDIANAPOLIS, Ind., March 10.—(AP)—James E. Watson, former U. S. senator from Indiana, said today he would accept the chairmanship of the Republican national committee if the position is tendered him.

STATE BEER TAX HELD DUE MAR. 24

SALLEM, March 10.—(AP)—The first payment of taxes on beer and wines under the legislative act which became effective today, must be made March 24, covering the period from December 10 to February 28, it was announced here today by the state tax headquarters. Future payments must be made the 10th of each month.

The commission pointed out that the first company or individual receiving alcoholic liquors manufactured out of Oregon is responsible for the state tax. Retailers who buy such products must file returns. Alcoholic beverages manufactured in Oregon are taxed at the source and may not be taxed again. Such manufacturers must submit a record of all transactions at monthly intervals.

The returns must be made at the liquor store. The tax effective today includes 62 cents a 31-gallon barrel on all malt beverages containing not more than four per cent alcoholic content by weight, and \$1 per barrel of higher alcoholic content; and 25 cents a gallon for wines.

BOHNERT RHUBARB READY FOR MARKET

Rhubarb from the Otto H. Bohner ranch at Central Point, will be placed on the market two weeks earlier than in previous years, the sale to start on Tuesday, according to announcement yesterday.

Mr. Bohner reported that was a normal yield, that the stalks were well colored and of a fine variety. He has five acres planted to rhubarb, the largest tract in the valley.

Shipments are made each year to Portland, San Francisco, Klamath Falls and northern California towns. Because of the high quality of the product, large sales are made each year to California markets.

FRENCH WRAPPER ORDER MODIFIED

PORTLAND, March 10.—(AP)—Postponement until June 1 of the effective date of France's regulation requiring that imported pears and apples bear a wrapper around each piece of fruit showing the country of origin, was announced here Friday by H. B. Waterbury, district manager of the bureau of foreign and domestic commerce. This postponement will permit practically all of Oregon's pears and apples to be in foreign trade under earlier regulations which did not require such marking. The new order was to have gone in effect March 1.
