Officers Elected by P. E. O.'s Here

Chapter AA of the P. E. O. held election of officers for the coming year at the meeting at the home of Mrs. John Moffatt last week and the following were named to head the organization: Mrs. J. F. Fieleg, president; Mrs. E. A. Moore, vice-president; Mrs. Leland Mentzer, corresponding secretary; Mrs. John Moffatt, recording secretary; Miss Katherine Stewart, treasurer; Mrs. Lois Young, chaplain, and Mrs. R. W. Clancy, guardian.

Active plans are being made for the state convention to meet in this city May 21, 22 and 23, which will bring more than 100 delegates to Medford from the various chapters in the principal cities of Oregon.

Cyril Sander Gives Recital Here Soon

Cyril Sander, talented student of Sebastian Apollo, will be presented in piano concert at the Baldwin recital hall about the end of March, it was announced yesterday by his instructor.

The local youth will play the complete program, alone. Ten or 12 compositions will be included, and all music lovers, who have watched with interest his progress for the past several years, will be eagerly awaiting news of the exact date of his appearance.

Legion, Auxiliary Invited to Party

The Grants Pass American Legion and Auxiliary will entertain Thursday evening, March 15, and have invited for the occasion members of the Medford Legion and Auxiliary. The party is scheduled for 8 o'clock in the Legion hall in the neighboring city.

LEGION POST AND AUXILIARY FACING WEEK OF ACTIVITY

The coming week promises to be a heavy one for Legion and Auxiliary members, starting Monday evening with the regular meeting at the armory. Comrade Earl Foy has been rather busy getting his state liquor store established, but promises novel and interesting entertainment for the Legion.

Thursday, March 15, is the 15th anniversary of the founding of the American Legion throughout the nation. Legion and Auxiliary posts will observe this date with a dinner, dance or similar celebration. Medford post and auxiliary unit are invited to join with other towns of Jackson and Josephine county for a big time, starting at 8:00 p. m., and the American Legion hall in Grants Pass, with members of Grants Pass post as hosts. All members are urged to attend and a good time is promised.

Saturday night the Legion's big St. Patrick's day dance at the Oriental Gardens with Dynges orchestra winds up a busy week with what should be the best Legion dance in many months.

Members of Medford Post joined with a multitude of southern Oregon people last Sunday in paying their final respects to Alice Apple-gate Sargent, one of Southern Oregon's pioneers and one of those beloved women who followed their sol-

dier husbands through the vicissitudes of early day army life in remote and perilous camps and stations throughout the greater portion of the United States and its possessions.

OREGON CLUBWOMAN MAGAZINE ADVERTISES JUBILEE CELEBRATION

A fine bit of advertising of the Oregon Diamond Jubilee celebration, to be held here in June, is found in the current issue of the Oregon Clubwoman, a magazine with a circulation of 4000.

The copy is written about a painting, entitled "Awakening of an Empire," by Philip B. Lundstrom. Reproduced on the full page with an invitation to the jubilee, it forms an attractive display. The copy reads: "Diamond Jubilee in June, Oregon will celebrate her Diamond Jubilee. The birthday party has been scheduled for southern Oregon with Medford and Jacksonville as hosts. All Oregon is invited, and all Oregon will celebrate."

The advertisement was placed by George McMurphy, associated with Chet Crank advertising agency, without cost to Medford.

DIABETES greatly helped with wonderful home remedy—no needles or strenuous dieting necessary. Don't overlook this chance. All letters confidentially answered. Myrtle Schepers, Box 413, Ashland, Oregon, Agent.

GOLDEN WEDDING OF BELLVIEW COUPLE IS MARKED BY FRIENDS

BELLVIEW, March 10—(Spl.)—The golden wedding anniversary of Mr. and Mrs. J. A. McCause was the occasion for a community gathering at the club house of the Upper Valley Community club last Sunday. About 100 friends from this district, Ashland and the Nell Creek district enjoyed a basket dinner, and others called during the afternoon to congratulate the bride and groom.

Miss Eunice Hagar, accompanied by Miss Doris Hitchcock at the piano, sang "I Love You Truly," after which a mock wedding ceremony was performed by children from the Bellview school, dressed in old-fashioned costumes. Mr. and Mrs. R. E. Bell sang two duets, "Put on Your Old Gray Bonnet" and "Silver Threads Among the Gold."

The tables were decorated with flowers of golden hues and the huge wedding cake was of golden color. A potted plant with golden blossoms was presented to the honored guests. Edwin Dunn, Fred Honess, Mr. and Mrs. Meservey, Mrs. Archie Kincaid, Chas. Anderson, R. E. Bell and George Andrews responded with short talks when called upon by the toastmaster, C. B. Lamkin.

During the afternoon, Mrs. Edwin Dunn sang "When You and I Were Young, Maggie."

Mrs. Chas. Anderson, Mrs. Roy Burrus, Mrs. Claude Conley and Mrs. Gowland were the friends who planned this happy affair for Mr. and Mrs. McCause. In June Mr. and Mrs. McCause are going to LaGrande, their old home, to celebrate their 50th anniversary with their children, who live in and near LaGrande.

THE CALIFORNIA OREGON POWER COMPANY

To Every User of Electric Service:

Here are photographs of some of the new electric ranges Medford dealers are receiving from manufacturers. As you will note, the style in electric ranges has materially changed. During the slack period of business from which the country is just emerging, every manufacturer has put forth tremendous efforts to develop an electric range so perfect and so convenient that every housewife would want one. As you can see from these photographs, they succeeded. Never before at any price, were electric ranges built like these; probably never again will it be possible to build electric ranges like these for anything like the price. Today the prices on these ranges are so low that any one of them will be a real bargain. With the advance in price of raw materials and labor, prices must go higher.

But regardless of price, no matter what you find it necessary to pay, one of these beautiful new ranges would be a "thing of beauty and a joy forever" in your kitchen. If you have never used an electric range you have a delightful experience ahead of you. Comfort, convenience and a wonderful freedom from kitchen cares you can scarcely believe possible are yours for the taking. If you are already using an electric range that has passed its real usefulness now is your opportunity to replace it with the finest, most efficient, most durable and most beautiful electric range money can buy... and remember they are priced exceptionally low.

You are cordially invited to inspect them at your local dealers!
