

TEACHERS' INSTITUTE PROGRAMS SET FOR PHOENIX AND RUSH

Programs were announced today for two local institutes to be conducted at the Phoenix and Rush schools Friday afternoon, March 16, at 2 o'clock.

The Phoenix program will open with music. The numbers to be: "New Little Nest" and "Six Little Kittens" by the first grade. "The Daffodils," "The Nightingale" by the sixth grade. Mrs. Keith Fish, director. "To a Wild Rose," by the high school girls' chorus. "Little Boy Blue," "Beautiful, Proud Sea," and "Frog" by the Phoenix girls' speaking choir.

The address of the afternoon will be given by Prof. Irving E. Vining. Announcements will be made by C. R. Rowman, superintendent of Jackson county schools. Discussion in the high school section will be led by J. A. Thomason, the writing survey by Clara Goldin of the Phoenix schools and the spelling survey by Edna Wisely of the Talent schools.

The program at the Rush institute will also open with music. It will be furnished by the Beaver creek pupils, instructed by Lucille Reeder. A rural school class demonstration will be given by the Thompson creek school, June Rudd, instructor.

An address, "The Rural Teachers' Place in the Community," will be given by Ida O'Brien of the Southern Oregon Normal school.

Writing and spelling surveys will be reported by Una B. Inch, county school supervisor.

The round table discussion will be devoted to "Practical Equipment for the One-Room School, and Its Use," led by Miss O'Brien.

OPEN FISH LAKE EARLY FOR TROUT

Irving Vining of Ashland, member of the state game commission, was a visitor in Medford this morning, and announced that due to the probability of low water at the regular fishing season, fish lake will be opened on April 5 for trout fishing.

Although Lake o' the Woods is open at all times for bass fishing, the trout season there is to open May 1. Opening of Diamond lake for fishing has been delayed until May 27 in order to protect the egg taking.

Mr. Vining said that the forestry service is planning to improve the road into Fish lake, and expects to have the work completed a week from Saturday. The road into Lake o' the Woods via Klamath Falls, is open at the present time.

NEW YORK, March 15.—(AP)—Weakness of non-ferrous metal issues and uncertainties connected with various labor situations unsettled the stock market today. Losses of 1 to 3 or more points predominated in a late selling flurry, although many of

STORY IN LIBERTY CLAIMED IN ERROR

Louis Richardson of this city has demanded a correction from the Liberty magazine, this week's issue reveals. Under a Medford date line appears a communication from the former corporal in the United States marine corps.

It refers to pictures appearing in Liberty with captions, describing the U. S. S. Maryland as an older ship than the New Mexico. Mr. Richardson explains that the New Mexico was commissioned during the World War, while the Maryland went into service seven years later.

The editor, in answer, comments that the New Mexico has been completely reconditioned so is therefore given first rank as a new battleship.

FRIENDS OF BOYS INVITED TO MEET

Local men who are interested in the Boy Scout movement, have been requested to participate in the ten meetings planned on elements of scoutmastering. Eight of the sessions will be indoor meetings, and are to be conducted in the gymnasium at the Roosevelt school March 20, 22, 29, April 2, 5, and 10, at 7:30 o'clock.

The program is said to be comprehensive, and gives the student a broad knowledge of the Boy Scout program. No man taking the course, it was pointed out by Larry Schade, member of the local Boy Scout board, assumes any obligation to become a scout leader and there are no costs.

Export Wheat
PORTLAND, Ore., March 15.—(AP)—Emergency Export Corporation's bid for soft white wheat for foreign shipment, 76 1/2c bushel.
Silver

GOLDEN RULE

21 WEST MAIN

Not like others..

Even so.. you can say Chesterfields are "not like others"

NO two people in the world look alike... act alike. So it is with tobacco... just like folks. No two leaves are the same. And it's the same with cigarettes... no two brands are alike. Furthermore, not only are the tobaccos different, but the way the tobaccos are handled is different. This, you can understand. You know just as well as we do that no two manufacturers use the same kinds of tobaccos, or blend them or cross-blend them or weld them together in the same manner. We do everything that science knows and that money can buy to make CHESTERFIELD as good a cigarette as can be made. We hope you like them. They are "not like others."
