COUNTY BOURBONS PLAN FULL TICKET IN PRIMARY RACE

Brown and Narregan Rumored Sheriff Candidates —Kelly, Hamilton Termed Legislature Candidates

Sid I. Brown, long time resident of this city, and for years prominent in the ranks of the Democratic party, today filed his declarations of intentions to seek the Democratic nomination for sheriff at the May 18 primary.

Brown gave as his slogan: "To conduct the said office in an efficient manner and according to the laws governing same."

The Democracy of Jackson county is getting ready to gird its loins and present a full county ticket at the May 18 primary. Filings along these lines are due to be made, before the end of the week. Democrats have been confabbing for 10 days, convincing candidates they should make "the sacrifice, and uphold the policies of Roosevelt."

Sid I. Brown of this city, a Texas-born Democrat of the old school, and well known, is mentioned as an entrant in the Democratic primary for sheriff. Brown is widely known.

Narregan Mentioned.

Gene Narregan, one of the "Young Democrats," according to courthouse reports, recently took out petition blanks, with intention of filing for sheriff. Narregan has filed for precinct committeeman from the West Medford district.

Last January, Robert E. Bell, courthouse janitor, filed for the Democratic nomination for sheriff.

Sheriff Walter J. Olmscheid, incumbent, and Chief of Police Clatous McCredie are the only Republicans filing for the sheriff's office, but several aspirants are reported to be threatening to take the plunge.

Wortman May Run.

J. Frank Wortman, farmer-banker of Phoenix is mentioned as a possible Democratic candidate for the county judgeship. Wortman was a candidate for the post in 1932, and was defeated. H. D. (Johnny) Reed of Gold Hill has filed for the place on the Democratic ticket. Both are well known.

Earl B. Day, incumbent, has filed for the Republican nomination. Electa A. Fehl, wife of the imprisoned E. H. Fehl, has also filed on the G. O. P. side of the fence.

Col. E. E. Kelly, attorney, and Moore Hamilton, editor of a weekly paper, and one of the youngest of the "Young Democrats," are "talked of" for the legislature.

A. E. Brockway, Jacksonville Grange master, and Glenn O. Taylor, this city, appointed to fill the vacancies, are expected to file under the Republican banner. Both, to date, have been non-committal on their plans, and have "not made up their minds." They have until April 3 to do it.

Seek Senate Candidate.

Senator George W. Dunn of Ashland, and Victor Bursell of Central Point, have filed for the Republican state senatorship. Democracy is skirmishing around to find a Democrat, long in the faith, to oppose them. They would like to find a war veteran to make the race.

Signs point that there will be a large crop of candidates. The decided sentiment on the part of the voters, "to concentrate and take no more chances" has caused the slight slump in political ambitions, to date, political observers say.

Registrars in the Prospect, Trail, Eagle Point and other rural districts report that in the past month, Democrats who registered as Republicans in 1932 to vote for the Republican candidate for county judge, are registering as Democrats.

MRS. BOLAN GIVEN DAMAGE VERDICT

In the civil action of Florence Bolan against Harry Mead and Rachel Mead, heard in circuit court yesterday, a jury returned a verdict after 30 minutes' deliberation awarding the plaintiff $125 damages and fixing the value of a horse, that was the cause of the suit, at $100.

According to the testimony, the plaintiff owed the defendant $25 on an auto. Mrs. Bolan moved to Reno, Nev., leaving the horse in a Prospect district pasture. The Meads, it was alleged, moved the horse to a pasture near Table Rock. When Mrs. Bolan returned from Nevada she could not find the horse. On the second trip the animal was located in the Table Rock pasture.

The $125 damages were awarded to cover expenses of Mrs. Bolan coming here with a truck to take the horse to Nevada and for its use.

The defendants were represented by Attorney M. O. Wilkins and the plaintiff by Attorney William McAllister.

SALEM, March 15.—(AP)— Henry Duffy, 51 inmate of the state penitentiary, ended his life Wednesday by hanging himself with a small piece of cord in his cell this morning, prison officials stated.

He was committed to the penitentiary November 11, 1933 from Multnomah county following conviction on a charge of perversion.

ATHENS, March 15.—(AP) Authorities stated officially today that Samuel Insull Sr., Chicago fugitive, will be escorted by police to the Greek frontier tomorrow.

The announcement came after the former utilities operator had defiantly refused to accept the American consular travel document issued in order that he might comply with the Greek government's order that he leave this country by midnight tomorrow.

Buttered Rice
Head Lettuce French Dressing
Apricot Pudding Cream
Coffee

Apricot Pudding

(Upside Down)

1-3 cup butter.
1½ cups sugar.
1 cup apricots.
½ cup apricot juice.
1 tablespoon lemon juice.
¼ teaspoon cinnamon.

Melt butter in deep frying pan, add sugar and cook slowly and stir constantly until a light syrup forms. Add apricots and rest of ingredients. Cover with batter. Bake 30 minutes in moderately slow oven. Turn out, apricot side up, and a large platter. Serve fresh, plain or with cream.

Batter

1-3 cup fat.
2-3 cup sugar.
½ cup milk.
2 eggs.
1 teaspoon vanilla.
⅛ teaspoon salt.
1½ cups flour.
2 teaspoons baking powder.

Cream fat and sugar. Add remaining ingredients, beat two minutes. Pour over apricots.

A Cooky Hint

Cookies increase in size during the baking, so they should be spaced 1½ inches apart on the baking sheet. Always use an unsalted fat such as salad oil or lard for greasing the cooking pan. If butter or a butter substitute is used the cookies are likely to stick to the pan and they will burn easily.

Half a cup of cooked mushrooms added to 2 cups of creamed chicken turns a plain dish into a "company" one.

Canned pineapple, peaches or apricots browned in a little fat and topped with boiled chops makes a tempting dish.

EMBALMERS OF LENIN FIND BODY PERFECT AFTER FULL DECADE

MOSCOW—(AP)—The two soviet scientists, who for ten years have been responsible for the preservation of Lenin's body, are hopeful that the embalming methods they employ will be effective indefinitely.

The body, which lies in a glass enclosed catafalque in a great granite tomb in Red square, recently was examined by a special commission of scientists and pronounced in perfect condition.

"We had to use unprecedented methods in the performance of our task," said a statement from Professors V. P. Vorobiev and B. I. Zbarsky, the biologists who regularly attend the body. "Embalmed Egyptian bodies turned dark and became mummified, but Lenin's body has remained intact, kept its natural color and even the facial expression has not changed."

Without revealing the secret of their process, the two men who recently were awarded the Order of Lenin for their work, predicted that the body will last "many tens of years" longer. Lenin died January 21, 1924.

EGG GRADE MIXING CONFUSES PRICES

PORTLAND, March 15.—(AP)—Cutting of top grade prices on eggs by the produce exchange for the late season suggested more or less a reflection of what has been happening in the open trade here for some time as a result of the mixture of grades and lack of enforcement. The exchange quoted specials down to 16c, extras 14c, and standard 13c dozen with other unchanged.

While seemingly there appeared a desire on the part of leaders of the exchange to maintain grading rules, the bulk of the eggs sold in Portland, it was suggested, were sold practically without grading or candling expense.

Trading in the butter market was about steady here, weakness being displayed in such few spots as to be scarcely noticeable except for so-called extras. Butterfat remained as high as 24c Portland.

GARY COOPER IN WHIMSICAL STORY

The handsome Gary Cooper starred in a role that fits him like a glove.

A startling new screen discovery in Frances Fuller, feminine lead.

Thousands of colorful costumes and equippages of the early 1900's against a background of 30 lavishly designed sets.

A whimsical story of love and romance interwoven with golden threads of humor and song.

These are only a few of the elements that contribute to the entertainment value of "One Sunday Afternoon," which is now playing at the Roxy theater.

CARAVAN LEAVES 9:30 A. M. SUNDAY

A caravan of Medford cars is to leave the Chamber of Commerce building Sunday morning for Crater Lake, where the second annual Snow Meet, sponsored by the Rogue Showmen, will be staged.

Following in the footsteps of a successful caravan tour last year, the Chamber of Commerce has announced that an even larger number of cars is desired Sunday.

After leaving the Chamber of Commerce building at 9:30 a. m., the caravan will proceed directly to the lake with a stop scheduled for Prospect. All cars in the group will arrive at the lake well ahead of the starting time for all events of the snow meet.

Local people who will join the caravan are asked to phone the Chamber of Commerce. A car sticker will be given each driver.
