BROPHY'S SPECIALLY GRAIN-FED Easter Beef To The Cooler Monday

THOSE specially grain fed Herford steers from the Verne Brophy herd will go into the big cooler Monday. There it will be held until Saturday before Easter—when it will be at its best, firm, flavory and tender.

Never before—to our knowledge—has a special effort of this kind been made to give Southern Oregon the very finest beef possible. Plans for this event were made early in January—systematic feeding was closely observed by Mr. Brophy, who is mighty proud of his successful conditioning of these steers.

While we are quite sure we will have plenty, many have already ordered in advance. You may order at either market, and best of all—no advance charge will be made for this special treat.
