There appears to be no truth to the story going around that the St. Lawrence treaty boys tried to make a deal with the silverites whereby a silver bill would be approved, if the silver advocates would vote for the treaty. At least no deal was made.

The falling-out between the administration and Father Coughlin on silver is being overplayed. There must be a falling-in before there can be a falling-out.

Toasted Tea. There's a special reason why Schilling Tea has more flavor. It's TOASTED just before it's packed! Toasting keeps it fresh. Toasting drives off moisture, present in every tea leaf on arrival at seaport. And moisture impairs tea flavor. Schilling Tea comes to your cup—crisp, fresh and full-flavored.

FOOTBALL BROADCASTS
in 1934

355,672 of you took the time and trouble to sign the All-Western Football Fan Honor Roll, saying that you wanted the Associated Football Broadcasts continued. We appreciate your interest, and are glad that we are able to make this announcement. Associated Sportcasts of Pacific Coast football games will be presented for the 9th consecutive year. Permission to broadcast was secured by paying the schools a large sum for the privilege.

You have made us the pacemaker

Your interests have been our guide since we started business. For example: We found that a "winter" and "summer" gasoline didn't fill the bill. So we studied the weather reports of all sections of the Pacific Coast for many years back. Now we make twenty changes a year in FLYING A—wherever and whenever a change makes for better performance.

In 1932 we anticipated the aerodynamic trend in automobile design. To give you what we knew you would want, we introduced aero-type FLYING A. In 1933 you demanded a gasoline that would give premium performance at no extra cost. So we added Tetraethyl to FLYING A without increase in price.

In closely following your wishes, in serving your interests, we have led the way in gasoline improvements. You have made us the pacemaker in broadcasting all types of sports and in the manufacture and marketing of gasoline and oil.

You have shown your appreciation during football season and throughout the year by "playing ball with Associated." We reciprocate—and thank you.
