D. A. R. Conference Program Announced For Opening Today

Mrs. Russell William Magna of Holyoke, Mass., president-general of the national society, Daughters of the American Revolution, will be the guest of the Oregon society at their state conference in Portland next week at Neighbors of Woodcraft hall. The conference will open this afternoon with a memorial service for deceased members and Mrs. J. J. Wilson of Medford will be honored in memory.

The state board will meet at 7:00 o'clock this evening. Monday morning at 9:30 the sessions will open with the professional of state officers and honorary state regents, the state regent, Mrs. John Y. Richardson, and the president-general, Mrs. Magna, escorted by pages. Greetings from officials will be followed by the state regent's address and reports of state chairmen.

Mrs. Magna will address the conference at luncheon on national D. A. R. affairs and Constitution hall in Washington, D. C. Nominations for state officers will be first on the afternoon's program and Mrs. Mark Weatherford of Albany is the unopposed candidate for regent. Mrs. B. G. Harding of Medford is an announced candidate for first state vice-regent.

At 8:30 Monday evening there will be an open meeting in Neighbors of Woodcraft auditorium, to which members of other patriotic and civic groups have been invited, to hear the president-general's main address. There will be music by the 7th Infantry band from Vancouver barracks, and the Delphian ladies' chorus, and eight young women members of Columbia society, Children of the American Revolution, will dance the minuet in costume. Citizenship medals will be awarded at this time. A reception will follow.

Tuesday morning Mrs. Sadie Orr-Dunbar, secretary of the general federation of women's clubs, will speak on "America Meets a New Situation," and at luncheon Dr. Burt Brown Barker will address the society on "Dr. John McLaughlin in Oregon History." Mrs. I. L. Patterson, chairman of the board of the governors of the D. A. R. memorial log cabin at Champeau, will report by Mrs. Patterson. In the afternoon reports of district and special chairmen will be made and resolutions acted upon.

Mrs. Magna will speak over station KEX at 4:30 Tuesday afternoon. At 7:00 there will be a banquet in the crystal room of the Benson hotel and Major-General Creed C. Hammond will speak on "The Philippines and the Far East." New state officers-elect will be presented. Mervin Dant and Mrs. V. W. Gardner will sing and Gladys Lee Johnson will give violin numbers.

Mrs. Richardson has invited delegates and alternates and state board members to tea at her home Monday afternoon at 4:30 to meet the president-general, and Willamette chapter will have a tea Sunday afternoon in Neighbors of Woodcraft hall from 4 to 6 o'clock. Mrs. A. H. Workman is regent of the hostess chapter. Mrs. Jacob Kandler has arranged for other musical treats for the conference, including Pauline Jorgensen, violinist, Clarence Tolman, tenor, Gladys Conrad McClellan, soprano, Mrs. E. H. Barendrick of McMinnville, Minna Pets Coe, and Helen McCarthey.

Mrs. Magna and Mrs. Richardson, with other members of the society, will go to Corvallis Wednesday, March 28, for a luncheon meeting with the new student body chapter at O. S. C. Chintimini chapter, Miss Janet Millard of Portland, regent. Mrs. Magna will address a student convocation at one o'clock, later going on to Eugene for tea at the Chi Omega house, where Miss Elise Oehler and members of the second student body chapter in Oregon will entertain. The Oregon Lewis and Clarke chapter will give a dinner at the Oeburn hotel at 6:00 and at 7:30 the new chapter "Lucinda Cox Brown" will be formally installed at a ceremony in Gerlinger hall. The president-general will leave Thursday morning for Washington, D. C.

Wednesday Study Club Has Meeting

The Wednesday Study club met at the Women's Club Rooms, March 21. An excellent paper on "Citizenship and the Survival of Civilization" was given by Mrs. Jonas Wold. Definitions of citizenship and the duties of citizens were explained. An outline beginning with Eastern civilization, thru Greek and Roman and on to present civilization was briefly reviewed. The development of nationalism and industrialism which are features of the present civilization was discussed and the need of growth in the social, religious and educational phases of living was given as a necessity to prevent a collapse of this structure.

"Money vs. Man" was ably reviewed by Mrs. L. E. Williams. This book by the English physicist, Professor Soddy holds many new and revolutionary ideas concerning money and wealth. Plans for ways to regulate money for stability thru government control are given and the ultimate goal of a balance of production and consumption is featured.

For current events Mrs. J. H. Cochran gave an interesting account of her recent trip to the Hoover dam.

Activities of Legion Auxillary

By Mrs. Goodwin Humphrey.

The regular business meeting of the American Legion Auxillary will be held in the Armory club rooms Monday evening, March 26, at 8:00 o'clock. A large crowd is asked to be present as plans for the remainder of the year are to be formed.

The Choral club will meet Monday afternoon, March 26, at 2:15 at the home of Mrs. Warren Butler.

A large number attended the party given by the Grants Pass post and unit and reported a very pleasant evening.

Greatly increased security for the United States will result from the Vinson-Trammell bill authorizing a seven-year building program for the navy, recently passed by congress, in the opinion of Mrs. O. P. Overmeyer, national defense chairman of Medford Unit No. 15 of the American Legion Auxillary. The measure will restore the 5-5-3 ratio among the navies of the United States, Great Britain and Japan, a move which the American Legion has urged for years. Mrs. Overmeyer said.

The bill calls for construction of 90,000 tons of destroyers, 35,500 tons of submarines, one aircraft carrier, and 184 airplanes. "This construction is needed to bring the navy up to the strength agreed to under the London naval treaty, and is essential to the safety of our country."

Members of the Medford unit will have an opportunity to hear the auxillary's national president explain the aims and achievements of the organization on April 5. Mrs. Walter Oimschield, unit president, has announced. On that day Mrs. William H. Bilester, Jr., national president, will speak from New York on the Women's Radio Review of the National Broadcasting company. The broadcast, to be made on a nation-wide network of radio stations will begin at 3:30 p. m., eastern standard time.

Thimble Club To Meet Thursday

The Thimble club will meet Thursday at 2 o'clock at the home of Mrs. Gail on Crater Lake avenue.

By Mrs. Goodwin Humphrey.

The regular business meeting of the American Legion Auxillary will be held in the Armory club rooms Monday evening, March 26, at 8:00 o'clock. A large crowd is asked to be present as plans for the remainder of the year are to be formed.

The Choral club will meet Monday afternoon, March 26, at 2:15 at the home of Mrs. Warren Butler.

A large number attended the party given by the Grants Pass post and unit and reported a very pleasant evening.

Greatly increased security for the United States will result from the Vinson-Trammell bill authorizing a seven-year building program for the navy, recently passed by congress, in the opinion of Mrs. O. P. Overmeyer, national defense chairman of Medford Unit No. 15 of the American Legion Auxillary. The measure will restore the 5-5-3 ratio among the navies of the United States, Great Britain and Japan, a move which the American Legion has urged for years. Mrs. Overmeyer said.

The bill calls for construction of 90,000 tons of destroyers, 35,500 tons of submarines, one aircraft carrier, and 184 airplanes. "This construction is needed to bring the navy up to the strength agreed to under the London naval treaty, and is essential to the safety of our country."

Members of the Medford unit will have an opportunity to hear the auxillary's national president explain the aims and achievements of the organization on April 5. Mrs. Walter Oimschield, unit president, has announced. On that day Mrs. William H. Bilester, Jr., national president, will speak from New York on the Women's Radio Review of the National Broadcasting company. The broadcast, to be made on a nation-wide network of radio stations will begin at 3:30 p. m., eastern standard time.

New Ford V-8 Victoria Displayed Here

The newest and smartest of the Ford V-8 body types, the Victoria, with its smart lines reflecting the latest continental mode; (insert), a glimpse of the new divided front seat, which provides ample room for three persons.

THE Ford V-8 Victoria is on display in the showrooms of Ford dealers throughout the United States.

Aside from its attractive streamlined contours, the new Victoria has two unique features. One is a divided three-passenger front seat and the other a large luggage compartment at the rear of the car. The new body type has de luxe appointments throughout. The interior is unusually spacious.

The new front seat is especially comfortable, and has the most desired features both of the full width front seat of the Fordor sedan and the individual front seats of the Tudor model. The front passenger seat may be tipped forward to provide access to the rear.

Baggage or other articles may be carried in the luggage compartment with the compartment door closed, or, when occasion requires, the compartment may be left open to provide added space, and be protected

with a canvas cover which is provided.

Among the many other body refinements in the new Victoria is the clear-vision ventilating system which is built into the body. Individual control is provided for both front and rear side windows. When ventilation is desired, the window is raised to the top, and an additional half-turn of the crank slides the window back, forming a vertical opening through which stale air is drawn.

City Council.

The regular monthly meeting of the City Council of Parents and Teachers was held at the home of Mrs. Lyle Thurman with the Washington association acting as hostesses.

Of great interest to the members present was the announcement of the coming visit of Mrs. William Klitzer, state president of the Oregon Congress of Parents and Teachers. Mrs. Klitzer will be in southern Oregon the second week of April. She will spend April 9 in Ashland, April 10 in Medford, April 11 in Eagle Point at the all-day county P.-T. A. meeting. All friends and patrons of the schools are urged to hear Mrs. Klitzer at these meetings.

Mrs. Jack Heyland, state vice-president, and Mrs. Arthur Short, city president, are planning entertainment for Mrs. Klitzer while she is in Medford.

The next meeting of the City Council of P.-T. A. will be held in April at the home of Mrs. B. R. Finch.
