PELICANS UNABLE TO MATCH SPEED AND LOSE, 24-13

Astoria Big Shots Wreck Klamath Defense After Gaining Early Lead—Sarpola Stars for Winners

Special Honors
Most valuable player: Bob Anet, Astoria.
Best sportman: Billy Castleman, Columbia.

SALEM, Ore., March 24.—(AP)—A sensational second half rally brought Astoria high its second state high school basketball championship when the Fishermen defeated Klamath Falls 24 to 13 in the final game of the tournament here tonight.

At half-time Klamath Falls looked like a sure winner, leading 11 to 4. At the start of the second half Sarpola, Riseman and Anet scored goals in rapid succession and soon the score was tied at 12 to 12.

The Klamath Pelicans were powerless against the Astoria defense the second period and scored only two points, on foul conversions. The speed of the Fishermen could not be matched and the Klamath Falls defense fell apart in disorder. Before they could stem the attack they were hopelessly behind.

Sarpola was the big gun for the champions, dropping in four field goals and a foul conversion.

Astoria won its first state championship in 1930 by defeating Salem in the finals. Klamath Falls takes second honors in the tournament.

Astoria (24) (13) Klamath Falls
Sarpola (9) F (4) Wakeman

SALEM, HOST TEAM, ON SEVENTH RUNG

SALEM, March 24.—(AP)—Salem, last year's champions, dropped to seventh place this year after the Dalles smothered them under an avalanche of baskets until the score stood 48 to 8, with the Salem tying with La Grande for the questionable honor of scoring the least points in any one game.

The fast aggregation from upper Columbia river today literally stopped the Capital city boys and took fourth place in the 18th annual state hoop tourney. In the earlier game Columbia of Portland took Silverton into camp by a 37 to 18 score for first place in the consolation and fifth place in the final listings. Silverton placed eighth.

HANSEN TO GRIP WOLFE THURSDAY

A top-notch card has been announced for Medford's wrestling show at the Armory Thursday evening by Mack Lillard, promoter. For he has signed up Medford's favorite from TEXAS, to do battle with Charlie Hansen of Seattle, who last week won his match from Bob Stone of Chicago in one fall.

The other main event booked will put Tommy Thompson of St. Louis in the ring with Medford's uprising wrestler, "Suede" Anderson of the fire department. Each of the main events will go for one hour, or two out of three falls.

Lillard has also promised the fans a fast preliminary, for which final arrangements have not yet been completed.

FRANKLIN NOSES OUT ASHLAND BY LONE FREE THROW

Lithlans Rank Sixth—Wage Uphill Fight to Tie Score in Closing Minutes—Foul Breaks Deadlock

SALEM, Ore., March 24.—(AP)—A rabidly cheering tournament crowd was disappointed as Franklin high converted a free throw in the last 10 seconds of play to defeat Ashland, 24 to 23, and win third place in the state high school basketball tournament.

The Ashland team ranked sixth in the field of 16 tournament entries.

The score was tied through the final five minutes until Tubby Dickinson of Franklin sank a free shot after he was fouled. The Lithlans dominated the second half, scoring nine points and holding the Portland crew to four. At half time the score was 20 to 14 for Franklin.

Ashland battled upward, led by Hess and Hardy. Lanky Bob Hardy tied the score at 23 to 23 with a foul conversion and the teams were deadlocked until the dying seconds of the game.

Friday Night Games
SALEM, Ore., March 24.—(AP)—Staging a brilliant last half rally over Franklin high school of Portland, Klamath Falls won the right to enter the finals of the 15th annual basketball tournament Friday night against Astoria, which had little difficulty in defeating Ashland in the semi-finals last night. Klamath Falls won, 25 to 23, while Astoria took a 41-to-16 score over the Lithlans.

In the first game last night, Astoria, after Ashland took a four-point lead, started out to demoralize the Lithlans, and succeeded. Constant shots by Sarpola, Canessa and Wright from any position on the floor, discouraged the Ashland boys, and their forwards, Hoxie and Hess, were unable to sink their shots. The score at half time, 33 to 7, indicated what the result would be.

SHERWOOD, Ore., March 24.—(AP)—Representatives of 13 American Legion posts here Friday voted to withdraw from national competition unless the new territory regulation for Junior Legion baseball teams is changed. The group insisted the larger cities are given a great advantage by the new rules.

Only Three Teams Get All State Recognition

ALL-STATE BASKETBALL TEAM

GUARDS: Ernest Miles, The Dalles, and Robert Anet, Astoria.

SECONd TEAM

Center: Derrill Miller, Klamath Falls.

GUARDS: Richard Right of Eugene and B. Dick of The Dalles.

SALEM, Ore., March 24.—(AP)—Only three schools were represented on the all-state basketball team voted by coaches, officials and newspaper men at the 15th annual state high school hoop tournament here tonight—Astoria, The Dalles and Silverton. Klamath Falls, who played with Astoria for the state championship last night, failed to place any on the first team, due, it was declared, to more team work on the part of the squad.

Ted Sarpola and Robert Anet were chosen for the forward and guard positions from the Astoria quintet. Sarpola receiving the highest vote of any players named. Ernest Miles of The Dalles received the next high-

est vote for guard position. Wayne Scott, a member of the 1933 all-state team, repeated for the forward position, although the vote was close.

The choice for center position was not unanimous, but Douglas Bothwell was given the largest vote. He is a member of the upper Columbia river aggregation which took fourth position in the tourney.

The second team vote was more scattered, although Leland Canessa of Astoria rated the highest vote and won a berth at forward with Clyde Dickinson of Franklin high school of Portland. Derrill Miller of Klamath Falls was chosen center, while D. Wright of Eugene and B. Dick of The Dalles were chosen for the guard positions.

The all-stars were named for the positions in which they played, which of necessity eliminated several good men who would have been named in other positions. Thirty votes were cast for the players. Consideration was given to scoring, floor work and general ability on offensive and defensive playing.

Many players were given honorable mention, chief among which were Dean Galloway of Pendleton and Egelhoff of Klamath Falls, forwards; Jewell of Franklin, William O'Donnell, Columbia, and Danner of Eugene, centers; and Harold Wright of Astoria, Grozanni and Scroggins of Klamath Falls and Castleman of Columbia.

forwarded to the national association, little hope was expressed in the meeting that a change would be made.

The Junior baseball teams formerly were selected by high schools and counties. The new ruling provides for one team for each American Legion post, it was said, and the argument was advanced that the larger cities would thus receive an overwhelming advantage by reason of a multitude of candidates for the teams.

ROGUES TO MEET J'VILLE TODAY IN SEASON OPENER

Medford's Rogues will invade Jacksonville today for a pre-season test of baseball prowess against the Miners. Manager Hal Haight of the locals has been looking over a likely bunch of baseballers on lumbering up arms and legs during the past few days and will take a large squad to the pioneer town with intention of giving all a chance to work at least a few innings.

The Miners have been working out in preparation for the game today and with the promise of Jack Hughes to handle the heating, may be able to show the Rogues a surprisingly fast team.

Haight is expected to start Cliff McLean, the Indian smokeball flinger, and will probably use Hogan and several others who are in line for a looking over on the mound. Jonas and Lenard will take a turn at the backstopping work.

Infield talent available includes Malcolm Stine, Tuley Williams, Chuck Swanson, Billy Hulen, Dick Lewis and Manager Haight.

In the outer gardens will be the old reliable Hoosier Hoffman, Johnny Smith, Johnny Christianson and others.

A meeting is expected to be held soon for formation of a league, a six-club organization being favored, with Grants Pass, Medford, Klamath Falls, Yreka, Wood and Dunsmuir or Hill.

Today's game will be called at 2:15 on the diamond near the Jacksonville school.

VALLEY GOLFERS MEET SISKIYOU LINKSMEN TODAY

A galaxy of visiting golfers will trek over the Rogue Valley course today, in competition for the team challenge cup, now in possession of a northern California group. Players from Grants Pass and Ashland will compose one team, while a squad made up of men from Weed, McCloud and Yreka clubs will defend the emblem which was posted some time ago by the local organization.

In addition to the team watch, which is expected to attract close to eighty divert diggers, a blind bogey tourney will be conducted for members and non-members of the Rogue Valley club. All golfers of southern Oregon are invited to participate and a large assortment of worth-while prizes will be distributed. Because of the scoring system used, all entrants will stand an equal chance to carry away some of the awards.

The team competition will get under way promptly at 9 o'clock this morning and local club members are urged to come early to avoid congestion on the initial tee.

Open house will be the order of the day at the club house and the tournament committee has laid plans to entertain the greatest number of golfers ever to attend a tourney on the Rogue Valley course.

Wool Trade Slow

DILLINGER AIDES GET 'CHAIR,' LIFE

COURTHOUSE, LIMA, O., March 24.—(AP)—The old Dillinger gang was formally dissolved here late today when two of its members were sentenced to die in the electric chair and a third was condemned to life imprisonment.

Harry Pierpont, brazen, defiant and Charles Makley, rotund, slow moving, will pay with their lives in the Ohio state penitentiary Friday, July 13, for the murder of Sheriff Jess L. Barber last October, when John Dillinger was "sprung" from the county jail by his confederates.

Sleepy-eyed Russell Clark alone was given quarter by Allen county jurists. For his part in the jail break here he drew a verdict of guilty with mercy, obligating the court to pronounce sentence of life imprisonment.

YES YOU CAN SAVE ON YOUR ELECTRIC BILL

Eye strain is dangerous and glasses are inconvenient. A wash board is hard on clothes but you can save 3c to 5c a week on your electric bill.

BUT.....

nothing else you can buy will give you as much comfort, good health and convenience as electricity. Keeping your toaster on the shelf an entire month would save less than enough on your electric bill to buy one gallon of gas for the car. When you are away in the evening, a dark house is an invitation to burglars. One light left on costs less than one cent an evening and is excellent burglar insurance. The difference between an abundance of light for safe, comfortable seeing anywhere in the living room, for all of the family, and one small light around which everyone tries to crowd, would save less than enough on the electric bill to take the entire family to the movies once. Yes, you can save on your electric bill... but at what a sacrifice!
