SMALLER SCHOOLS IN STATE QUINT MEET NEXT YEAR

SALEM, March 24.—(AP)—Oregon high schools will be redistricted for state tournament play into A and B classes, 12 of the former and four of the latter, Paul T. Jackson, president of the state high school athletic association announced today following a meeting of the board of control of the organization. "The purpose of redistricting the state is to afford more smaller schools opportunity to compete in the state tournament," Jackson said. The A schools will include all with an enrollment of 150 or over, while those under will be in the B class. The state will be divided into 12 districts for A teams and four for B teams. The change will affect games preparatory to eligibility to the state tournament, but after that time, the 15 teams will compete against each other in the same manner, Jackson said. The new system will go into effect for next year's play. The action of the board followed recommendations of a special committee named at the annual meeting, comprised of H. J. Hendrickson of Merrill, E. S. Stults of Perrydale and O. F. Campbell of Willowa. Jackson stated that smaller teams seldom reach the state tournament and the action was taken to encourage more smaller high schools and bring them to the tournament. The committee will continue at work drawing the lines for the new districts. The board will announce the new districts after it receives the committee recommendations.

DUNDEE, EX-CHAMP HIT-RUN VICTIM

WEST ORANGE, N. J., March 24.—(AP)—Johnny Dundee, former world's featherweight champion, was seriously injured early today by a hit-and-run auto. At the Orange Memorial hospital it was said Dundee's injuries included a dislocated shoulder, injuries to the left leg, and cuts and bruises on the head. He will recover. Dundee was returning to his home from New York at the time of the accident. William O'Connor found Dundee beside a road and took him to the hospital.

JONES' COMEBACK EFFORTS FUTILE

AUGUSTA, Ga., March 24.—(AP)—On the cold, foggy battle ground of Augusta National links today, after a gallant but discouraging pursuit, the great Bob Jones surrendered his last chance of overtaking the flying professional squadron in the \$5,000 masters' invitation golf tournament. Jones today shot the best golf he has exhibited since he began his comeback two days ago after a lapse of nearly four years since his retirement as world champion. He shifted to a rusty old putter his mother has been using and recovered his touch to the extent of taking only 30 putts for the 18 holes, but the "putts" were against him and his par golf was not good enough to close the big gap between him and the leaders.

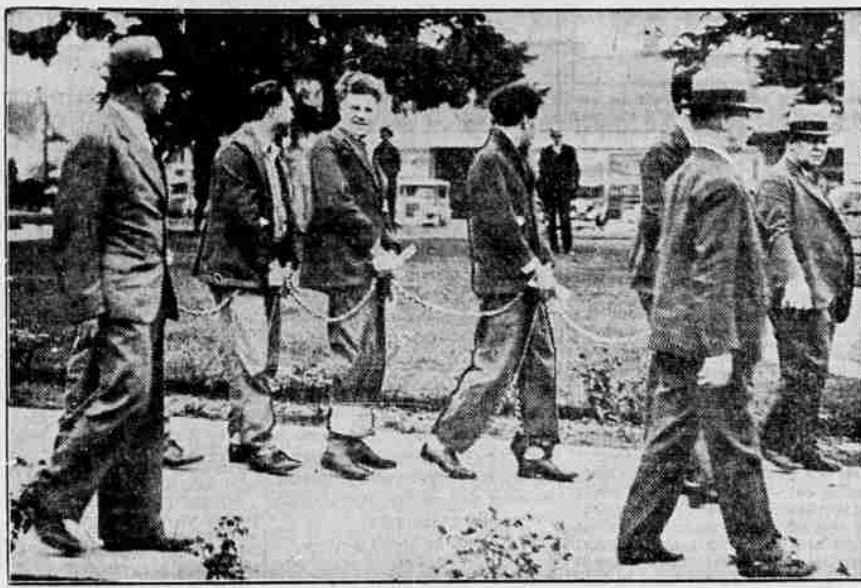

PORTLAND AGAIN LOSES TO SEATTLE

SANTA BARBARA, Calif., Mar. 24. (AP)—Seattle's Indians went on the warpath again today, evening their current series with the Portland Beavers by an 11-inning 6-5 victory. It was a former Beaver, Fred Berger, who scored the winning run against his ex-teammates, and he came across on Jim McFarney's single with the bases loaded. The teams meet tomorrow in the final game of the series. B. H. E. Portland 5 14 2 Seattle 6 11 2 Peterson, Beagland, Bryan and Head; Craighead, Caster, Lundberg, and Botarini, Bradbury.

STUDENT BODY OF HIGH HOLD PARTY FOR OPERA CAST

(By Harold Grove) Opera yodelers who recently took part in the high school opera, "Mikado," finished their last scene together Friday night at the senior high school in the form of a party given to them by the high school student body. The girls' gym of the high school served as the place, and scenery that was used in the production of the opera was used as decorations for the party. Punch with cookies was served during the evening. A few members of the faculty were present. The main entertainment of the evening was dancing and card playing. Those present were: Delmar Wright, Bob Holzgang, Josephine Applegate, Florence Bousam, Elaine Brophy, Rosemary Canine, Frances Combe, Frances Daly, Mary Enders, Margaret Geer, Carolyn Jane Hill, Barbara Holt, Dorothy Limbeck, Mary Lou Long, Virginia Loomis, Margaret Pennington, Frances Porter, Alene Ray, Lois Remington, Doris Rose, Martha Shurtleff, Patsy Smith, Edna Takahira, Doris Ellenburgh, Pat Carlson, Thelma Fowler, Betty Purdell, Stan McKinney, Bill Prentice, Joe Pierce, Clarence Canine, Bob Hinman, Wayne Bingham, Dick Reems, Roy Ward, Ed Vallier, Bud Gail, Lloyd Burton, Jack Caldwell, Wayne Harris, George Kumasawa, Tom Harvey, Sam Kroschel, Bill Luman, Marvin Burke, Bob Cherry, Lucian Clement, Arthur Cook, Bill Cummings, Hoke Curtis, John Dickinson, Don Field, Thayne Ford, Durward Glass, Leo Ghelardi, Herbert Gifford, John Gillings, Lawrence Grantman, Harold Grove, Bill Kirtley, Leonard Klein, Boyd Kline, John Koppen, Laurel Morris, Bob Murphy, Charles Overmeyer, Edwin Owens, Andrew Severson, Olaf Severson, Ardo Stocks, George Watson, Louise Pitts, Marguerite Boyle, Mary Kem, La Verne Stephenson, Joyce Banish, Margery Paley, Leona Conger, Lois Kimball, La Merle Beck, Georgia Webb, Dorothy Culy, Constance Moore, Phyllis Phythian, Dorothy Burgess and Betty Paake.

WHITE SOX NEED A GOOD CATCHER

LOS ANGELES, March 24.—(AP)—On the ability of Chicago's new players hinges the chances of the White Sox to pull out of the second division in the American League pennant race this year. Manager Lew Fonseca, in his drive to rejuvenate the club, has added strength in every department—a much better organization, he believes, than the one he took charge of two years ago, but hardly a pennant contender. He isn't satisfied by any means with the White Stockings as they now line up. For example, Fonseca would like very much to get another catcher. And he believes a south-paw pitcher would help out.

HOLMAN PONDER'S MAKING CRUSADE FOR GOVERNORSHIP

(Continued from page one) which appeals to all true progressives in the state. "The great mass of unorganized people have been, and still are, fleeced by the unscrupulous, organized special privilege-seeking crowd until there is widespread want in a land of plenty. This fact is most apparent in the operation of the private power, telephone and other public utility companies and in the tremendous unemployment situation which is the result of the concentration of wealth through special privilege laws and unfair and dubious regulation. Before our eyes we see these same utilities scheming with the apparent aid of the Portland chamber of commerce to capitalize the power resources of the Bonneville dam for their private profit to further impoverishment of the people. Their plan apparently is to have the dam and all its contents and purposes make the local power companies a present of the dam. "I sincerely hope the Oregon Journal and General Martin can divorce that statement from subservency to power company interest. "With the above challenge for public service before us, why the hesitancy about entering the fray? "These are the reasons: "Possibly the Oregon Journal and General Martin can clear up or repudiate the quoted statement; if not, then bear these facts in mind. "A Smart Reminder "I crusaded with the late George Joseph and know the mental stress, moral anguish and physical strain of a campaign against entrenched private interests which control much of the means of communication between the candidate and reform and the voters. I particularly refer to the subservency of many newspapers and their radio stations, to power and other public utility companies. "He related that "better men" than himself despaired of entering the contest, and concluded with: "I assure you to be a candidate for governor under present conditions is a thing not to be entered upon lightly or unadvisedly by any prudent citizen." STATE PLANS MAPS OF ACCIDENTS IN SAFETY PROGRAM

SALEM, March 24.—(AP)—The secretary of state's office, in connection with a safety program, has devised a plan whereby particularly dangerous spots on the Oregon highway may be determined and steps taken to remedy the defects in the highway system. Through the co-operation of the highway department the secretary's office will prepare a set of maps of all counties in the state. Thereafter when an accident is reported, the exact location where the mishap occurred will be marked on the map. Consequently, when it is shown that numerous accidents take place at any one spot that location will be investigated by the highway department, and any road defect found at that point, such as a dangerous curve, blind intersection of poor highway surfacing will be remedied as soon as possible. Tables of such accidents will be kept in both the secretary of state's office and in the highway department.
