Trojans Nose Out California Tracksters

JAVELIN TOSS BY QUINN NETS TROY CLOSE 69-62 WIN

Each Team Scores Seven Firsts—Bear Hurdling Ace Fails To Click—Closest Meet Since 1924.

EDWARDS STADIUM, Berkeley, Calif., April 7.—(AP)—Southern California's Trojans defeated California's Bears 69 to 62 in their annual duel track and field meet here today but only after hair raising finishes that accounted for the closest competition between the two rivals since 1924.

Unexpected developments in the javelin throw turned the tide the Trojan's way to eventually bring their ninth successive victory over the Bears.

The spear tossing contest was claimed by Bob Quinn, left handed Trojan, who turned in the best mark of his career to win. On his last throw he whipped the javelin out 193 feet, nearly ten feet further than his previously recorded efforts.

Otherwise the two teams fought it out on practically even terms. Southern California won the mile relay as expected in 3:20.5, but not as easily as had been looked for. On the third lap Horace Street of California overtook Al Fitch and the batons were passed on to the anchor men at the same time.

John McCarthy led California's Everett Leek by four yards at the tape.

"Bullet" Bop Kiesel, California's sprinting ace, was the only double winner. He raced in to clinch the hundred yard dash in 9.5 seconds, with Floyd Draper of the Trojans a yard and a half behind. It set a new meet record. Charles Paddock of Southern California having established the old time of 9.6 in 1926.

The blonde speedster came back to win the 220 in the comparatively slow time of 21 seconds flat.

One of the surprises of the meet was the failure of Dick Coe, California's hurdling star to place in the low barrier event. His team mate, Leonard Charvet, who had trailed in earlier competitions, won in 24.1 seconds.

Each team won seven firsts and each scored clean sweeps in one event. The Trojans ran one, two, three in the quarter mile. Fitch winning in 48.2 seconds. The Bears took everything in the pole vault, Vantress, Haskell and Mauger tying at thirteen feet. The high jump ended in a tie at six feet two inches between Brannan of Southern California and Thompson of California.

New Screen Ordered For Savage Fishway

State police yesterday announced that Tom Cingcade of Eagle Point is building a new screen for the new fishway at Savage Rapids dam, which will be installed the first of the week.

The screen, officers said, will let the salmon up the river, in good shape.

An unemployment census in Utah showed children under 16 years of age made up 34 per cent of the relief rolls.

Meets Les Wolfe Here Thursday

BILLY EDWARDS

Les Wolfe, will make his final appearance of the season here next Thursday evening, against Billy Edwards, the Kansas City butcher boy. Wolfe leaves for Los Angeles next week for a vacation, and may wrestle in the south, a couple of months before returning here.

Edwards is listed as a top-notch grappler, with many sensational holds, including the headlock. He weighs 200 pounds. Wolfe weighs 187.

Marvin Westenberg, University of Puget Sound football star, and all around athlete will grapple with Robert Evans, a Harvard student, who took to the mat to finance further education.

Promoter Mack Lillard says this is one of the best cards, he has been able to secure, and promises plenty of action in both bouts.

Ted (King Kong) Cox refused to wrestle here, unless Promoter Lillard boosted the price of ringside seats. Lillard declined, so the Cox bout with Charlie Hansen was called. Hansen will wrestle in Seattle.

POOR SHOOTING OF DUBS UNDER QUIZ

Jack Hueston, pro at the Rogue River Valley Golf club, announced last night that none of the results in the dubs' and duffers' tourney which opened at the club yesterday, would be made known, until action was taken by the grievance committee.

Due to the penalties laid down by the tournament committee, should the duba or duffers make unusually low scores, several of the contestants shot exceptionally poor golf on the last several holes, in order to avoid paying amounts ranging from ten cents to five dollars, according to complaints made with the grievance committee.

Score cards of such matches were placed in the hands of the committee, Hueston said.

According to the rules of the tourney committee, a duffer making a score of 95, 94, 93 or 92, was to be assessed ten cents for each, while he was fortunate in shooting a 91, he would be assessed 50 cents, while a dollar was the fee for a 90, and should he so shoot as to add up an 89, his payment to the club would be $5.

A dub shouldn't shoot below a hundred, but should he get a score of 99, 98 or 97 he would have to pay the dime for each, with fifty cents for a 96, a dollar for 95 and a 94—htat would mean $5.

Hueston said Saturday that those contestants losing their matches Saturday were to continue in the consolation flight, which will close by Wednesday.

POST MAPS PLANS FOR TWIN GOALS

OKLAHOMA CITY, April 7.—(AP)—The Daily Oklahoman says in a copyrighted news story tonight that Wiley Post, stocky globe circling record holder, has fixed for his twin goal in 1934 a new airplane altitude record and the winning of the international air race from London to Melbourne, Australia, next October.

The newspaper says Post has invested thousands of dollars and more than 18 months of engineering and experimental work in the new ventures.

Shy At Entanglements

WASHINGTON, April 7.—(AP)—Secretary Hull said today the United States had made no official commitments with regard to the American position toward any agreement between Great Britain and France calling for economic and finacial measures to be taken against any violator of an international arms pact.

Music Teacher Passes

ST. LOUIS, April 7.—(AP)—Ernest R. Koreger, 71, national prominent organist, pianist and music teacher, died here today.

STATZ' HOMER AND KALLIO'S BLOW UP DEFEAT BEAVERS

Oaks' Kid Pitcher Blanks Hollywood — Portland Hurler Weakens Near End And Angels Win Game.

LOS ANGELES, Cal., April 7.—(AP)—Los Angeles won its fourth game from Portland out of five in the initial series of the season today, driving Rudy Kallio to the showers in the eighth with a five-run splurge which put the contest on ice for an 8-to-2 victory.

With the score tied at two-all, Arnold Statz hit a home run in the last of the fifth to put the Angels out in front, but just to make sure they staged their eighth inning rally.

Frank Demaree doubled to right in that stanza. Oglesby was out on a long fly to right, but Lillard walked. Campbell hit a fluke single through Third Baseman English to score Demaree, and Pitcher Thomas singled, sending Lillard home. At this point Kallio grew wild, walking Statz and Jimmy Reese to force in the third run. Kallio left the game abruptly, with Peterson relieving.

Marvin Gudat drove in the other two runs with a single off Peterson before the side was retired. The teams meet in a double bill tomorrow. The score:

	H.	H.	E.
Portland	2	7	1
Los Angeles	3	9	2

Kallio, Peterson and Cox; Thomas and G. Campbell.

SAN FRANCISCO, April 7.—(AP)—Staging a three-run rally in the eighth inning, the Seals defeated the Seattle Indians by a score of 6 to 3 to take the lead in the series here today.

The local team forced Paul Zahniser, starting pitcher for the Indians, to leave the game in the eighth, and pounded his successor, Ulrich, for the deciding hits of the contest.

The game was nip and tuck for the first seven innings.

The score:

	H.	H.	E.
Seattle	3	9	0
San Francisco	6	10	0

Gibson and Woodall; Zahniser and Bottarini.

OAKLAND, Cal., April 7.—(AP)—The Oaks uncovered a southpaw find this afternon in the person of Jimmy Rego, former local high school pitcher, to turn the Hollywood Stars back with only five hits as the locals scored a 5-to-0 victory.

Rego, who got his start as a pitcher for a Junior American Legion baseball team that won the 1928 national championship, conducted himself on the mound like a real veteran. Smead Jolley, hard hitting outfielder of the Stars, was completely baffled by the slants of the young southpaw, who displayed exceptional control.

The score:	R.	H.	E.
Hollywood	0	5	0
Oakland	5	9	0

Schulz and Hershberger; Rego and Raimondi.

EGAN SHOOTS 64 ON LOCAL LINKS

Chan Egan's golf is like wine—the older it gets the better it is. Friday afternoon in a competitive match with Earl Tumy, former southern Oregon golf champ, Chan shot a 64, which is the best score he has ever made on the local course and establishes a new course record.

His card, printed below, shows the record score was no freak, due to spectacular shots, but was straight sub-par golf, including 7 birdies out of 18, all the remainder pars, except on the first hole where Chan, off to a bad start, marked up a 5. Par for the course is 70.

Next week Chan leaves to play on the American Walker cup team against the Britishers at St. Andrews in Scotland. If he can hold his present stride he promises to make a showing that will go down in golf history, for a man of his age, having won the U. S. amateur golf title in 1904 and 1905, before most of the crack amateurs of today were born. The local star is 50 years old.

The record breaking card follows:

Out	5-3-3-3-4-4-3-3-5—33
In	2-3-3-4-4-4-3-4-4—31
	Total 64

H. Chandler Egan's good golfing luck was continuing yesterday morning, when he went out on the course to play another nine holes. He came back with a score of 34, making his total on 27 consecutive holes 98, which is two under 100, seldom shot under, and something a golfer in any land would shout about, according to Jack Hueston, professional.

Wild Fowl Stamps Go On Sale June 16

WASHINGTON, April 7.—(AP)—Five million new migratory bird stamps will be placed on sale June 16 by the postoffice department.

The stamps, to cost $1 each, must be attached to the licenses of migratory bird hunters to make their kill legal. The design for the stamp has not yet been approved.

Rogues to Battle In Klamath Today

The Medford Rogues journey to Klamath Falls today to play the Shaw Bertram Lumber company team of that city in the second test of the 1934 season for the Rogues.

The following players will make the trip: Dean Joy, Cliff McLean, Billy Courtney, Billy Hulen, Virgil Swanson, Johnny Christenson, Paul Hoffard, Ed Joanis, Johnny Smith, Tully Williams, Malcom Stine, Hogan and Haight.

3 Midget Photos 10c Pesaley Studio.

SACRAMENTO, Cal., April 7.—(AP)—Jim Stroner hit a home run with one on in the tenth inning today to win the game for the Missions, 6 to 4, but the real hero of the win was Mickey Duggan, the kid catcher of the Reds.

The defeat was the third for the Senators.

The score:	R.	H.	E.
Missions	6	12	3
Sacramento	4	12	3

Phebus and Fitzpatrick; Nitcholas and Mayer.

2-BALL FOURSOME DUE NEXT SUNDAY

At the regular weekly luncheon held last Wednesday by the women of the Rogue Valley Golf club, it was decided to hold a two-ball foursome on Sunday, April 15.

Plans are being made by the tournament committee, headed by Mrs. H. A. Marx to make this the outstanding tournament of the year.

Invitations have been sent out to all clubs in southern Oregon and northern California and judging from the response already received there will be at least twenty entrants from out of town.

The tournament is also open to all men and women golfers of the city who are not members of the club.

In order that the tournament will not interfere with the regular play, 10:30 has been the time set for the men and women to tee-off.

A special committee has been appointed to arrange for suitable prizes.

Play will be on a handicap basis thus assuring each entry an equal chance to win one of the prizes.

FISHERS REPORT VERY GOOD LUCK

Today will be fish day in Medford. For yesterday was a good day for anglers. Salmon, steelhead and trout were caught, the largest catches coming, again, from Fish Lake.

E. C. Ferguson, on his first fishing trip in a long time, landed two salmon at Savage Rapids, weighing approximately 20 pounds each. Harry Hansen, who went to the dam with him, also landed a good sized salmon, but James Murray, who usually brings in a good catch, got nothing. W. O. Fillinger caught two salmon. The total number caught at the dam, prior to four o'clock, when the Medford fishermen returned, approximated 12.

State police yesterday morning reported 42 persons, fishing at Fish Lake, each hooking the limit in about two hours. The trout were biting spinners and worms. They were also biting in all streams yesterday, they reported, describing Evans creek as especially good.

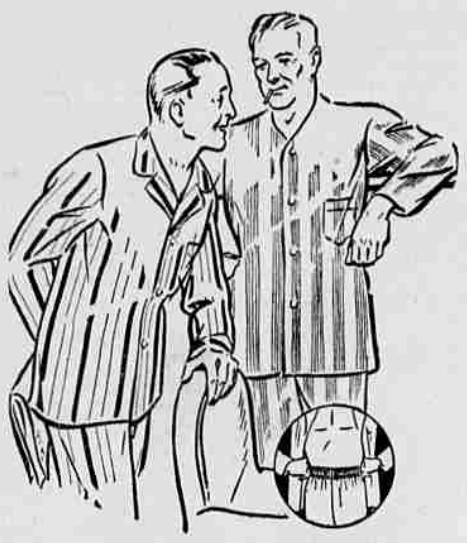
Among those catching the limit at Fish Lake were C. L. MacDonald, L. M. Welsenburger, I. N. Gainer and Tom Ginn.

The preceding day, Dr. R. C. Mulholland brought in six trout from a mountain stream and Dr. F. G. Bunch the limit. John Ross, veteran Central Point angler, announced that indications pointed to the best fishing season in many a moon. He got 10 fine trout in a mountain stream and Bob Kincaid of Central Point added another limit catch to the day's record.

A. H. Banwell of the chamber of commerce came in from the Prospect country yesterday with a well filled basket, and as a result a general exodus from Medford is expected today.

Get Bounty Permits—Bounty warrants were issued at the county clerk's office the latter part of the week to L. E. McDow of Butte Falls for $3, for a bob cat, and a $3 warrant was also issued to H. L. Jugger for one coyote. Dewey Givan of Eagle Point got a warrant amounting to $18 for one coyote and ten coyote pups.

FAULTLESS NOBELT PAJAMAS



At last you can buy Pajamas that are really comfortable. Faultless Nobelts are unconditionally guaranteed to give satisfactory service during life of the garment

Nobelts never bind. They breathe with you. They hold up the trousers and prevent sagging and bunching. There are no rubber threads to break or fray.

See our special window display of Faultless Nobelt Pajamas!

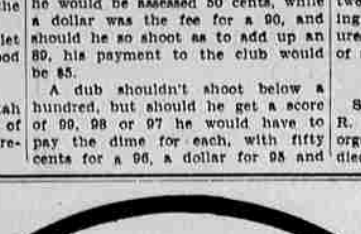
THE GRAHAM CAR



The Graham has a character and a feel all its own. Today it represents an even greater standard of value in the popular-priced car field.

The Supercharger in the Custom Eight forces motorists to revise all their former conceptions of acceleration and economical power. And the progressive character of Graham engineering is further evident in the outboard springs, banjo frame, aluminum head, full-length water-jackets, and other features which give added comfort, safety and economy.

With the Standard Six now priced at $695, the luxury of Graham ownership becomes possible for more motorists than ever before. It is bigger, roomier, with 116-inch wheelbase. Visit our showrooms and learn for yourself the "feel of a Graham."
