

SOUTHERN OREGON MEDICAL SOCIETY WILL MEET HERE

Annual Session Scheduled for May 8 at Guild Hall—Auxiliary Board to Be Guests of Mrs. Sweeney

ASHLAND, April 11.—(Spl.)—The 43rd annual session of the Southern Oregon Medical Society will be held in Medford at the Saint Mark's Guild hall, 5th and Oakdale, May 8, according to announcement by Dr. E. A. Woods, of this city, who has been secretary of the society for many years.

Dr. Charles T. Sweeney of Medford, is president of the society; Dr. Harvey A. Woods and Dr. E. A. Woods, Dr. A. H. Ross, Roseburg, Portland; Dr. J. C. Hayes, Medford; Dr. C. L. Ogle, Grants Pass as the board of censors.

Following the address of welcome by President William S. Boiger of the Medford chamber of commerce, and the president's address by Dr. Sweeney, the program will include addresses by Dr. G. S. Beardsley, of Eugene; Dr. Robert M. Coffey, Portland; Dr. A. H. Ross, Roseburg; Dr. B. G. Bailey, Grants Pass; Dr. A. W. Holliman, Portland; Dr. George W. Swift, Seattle, who is a world-recognized authority on head diseases; Dr. Eugene W. Rocky, Portland; Dr. Thomas W. Watts, Portland; Dr. Ralph A. Penton, Portland, and Dr. A. C. Seely, Roseburg.

The executive board of the Woman's Auxiliary to the State Medical Society will also meet at the home of Mrs. Charles T. Sweeney, to which all doctor's wives will be invited.

HIGH ASSEMBLY ENTERTAINED BY GIRL LEAGUERS

(By Lois Remington.) One of the most amusing programs of the year was presented by the Girls' League of Medford high school in their annual assembly this afternoon. Coming as one to the main events of the Girls' League week, the assembly proved fully as entertaining as any given in past years. The program under the direction of Miss Pauline Rogers was unique in every respect, showing much ingenuity and effort on the part of the committee in charge.

The first number was a selection by a violin trio, Dorothy Gore, Doris Upp and Esther Alexander. This was followed by a style show intitled "The Evolution of the Skirt." All types of skirts, from the cave-woman's bear-skin evening gown through the years to the modern evening gown.

The Glee club then presented a short skit which featured such songs as "In the Shade of the Old Apple Tree," "Never Make Love in a Buggy," and "Corn Ears," each song being acted out with clever dances.

Betty Thorndyke completed the program with a humorous reading concerning etiquette.

Much credit for the success of this program is due to the combined efforts of Miss Baldwin, Miss Carroll and Connie Moore.

GILL'S ADMISSION MAY OPEN EYES OF GRANGERS ON TAX

LAKEVIEW, April 11.—Ray Gill, master of the state grange, may continue to charge that "Wall Street" is behind the sales tax and that the tax won't reduce property taxes—but not in this town any more.

There's a reason. It may make the eyes of some of the grange boys pop, but Editor Dutton has the admission in Ray's own handwriting that the sales tax will reduce Ray's own property taxes by \$110 a year. Nor is that all—in the self-same letter which Dutton has published, Gill also admits that C. P. Strain, Josephine county farmer and granger who conceived the sales tax in Oregon "might have something to do with it." Gill hastens to add, however, that big business was busy a year and a half ago . . . forgetting that Strain started his letter writing on the present measure a year prior to the date that Gill set for Wall street.

Strain is now stumping the state in behalf of the measure and his straight-forward presentation of how and why he worked out the tax is demolishing Gill's Wall Street bogey in every community that Farmer Strain enters. Strain was formerly assessor of Umatilla county. He is chairman of the legislative committee of the Pomona grange in Josephine county, where he owns a farm near Grants Pass.

Mrs. Kletzer Honored At Ashland Luncheon

Mrs. William Kletzer, president of the Oregon Parent-Teacher association, a charming guest in the valley this week, was feted by officers of the three P-T-A. units in Ashland Monday, according to the following social note in the Ashland Tidings: "About forty ladies, officers in the three P-T-A. units of Ashland, met at the Civic club house at 12 o'clock Monday, honoring Mrs. William Kletzer, in a no-host luncheon, during which time questions were asked by guests and answered by the head of the organization.

"As a happy introduction to the splendid address of the afternoon, Miss Helen Gould sang two songs, composed by Miss Margaret Kinsinger, 'Remember' and 'My Isle Is So Far Away,' accompanying Miss Gould at the piano. "In the address of the afternoon, there was a representative group present to enjoy the splendid presentation of the relationships that should exist between the schools, the importance of parents being aware of the changes in the schools, made necessary by the changing conditions of the times, was stressed."

Mrs. Damon, Hostess, Honoring Mrs. Prensall

A congenial group of friends and neighbors gathered at the home of Mrs. Frances Damon, 14 B street, Ashland, April 5, for celebration of the birthday anniversary of Mrs. C. O. Prensall.

A short poem, composed by the hostess, and dedicated to the guest of honor, was released over radio station KXED, accompanied by the much loved song, "When Your Hair is Turned to Silver."

Following this came the happy congratulations of the hostess, who then introduced the speaker of the hour, Rev. Prensall, who gave an appropriate gift a beautiful china bowl filled to capacity with fruit from the south, the north and the Rogue River valley. A fitting response was given by the recipient.

The exercises continued with the introduction of Mrs. S. D. Doremus, who, accompanying herself on the violin, sang two delightful numbers, and followed the same with a violin solo, "Home Sweet Home."

GET CODLING MOTH SPRAY ON BEFORE APRIL 18, ADVICE

Sprays for codling moth worm control should be completed on all varieties of pears and apples by April 18, according to the recommendations of County Agent L. P. Wilcox and L. G. Gentner, entomologist of the southern Oregon experiment station.

Codling moths are out in fairly large numbers and young worms are expected to be hatching by the middle of next week. Pears that received an application of spray this week may be allowed to go until the second cover spray is called for, which will be approximately ten days or two weeks from the above date, unless weather conditions change decidedly.

Those orchards receiving their calyx spray early last week should be re-covered again by the date given above, or as close thereto as possible. Use powdered arsenate of lead at the rate of 3 pounds to the 100 gallons of water. Spray thoroughly, being sure to cover all leaves and young fruits.

In orchards failing to receive the dormant spray and it is the desire of the grower to control rust mite, the following combination spray may be used at this time. Powdered arsenate of lead, 3 pounds, medium summer oil emulsion, 1 1/2 gallons, and 1/2 pound spreader to the 100 gallons of water.

The mites are to be found chiefly on the undersides of leaves and around the calyx ends of young fruits. In order to obtain control the spray must contact these insects, therefore, see that these parts are well drenched.

The second cover spray will probably follow in from 10 to 14 days, depending upon weather conditions. Irrigation plans should be made to the end that no orchard will be too wet at that time for proper spraying.

Phoenix Thursday Club Will Meet

PROSECUTION FOR MILK VIOLATORS

PORTLAND, April 11.—(P)—Dealers who violate Oregon milk control board price orders will be summarily prosecuted, according to E. G. Harlan, chairman of the board.

Three months have elapsed, he explained, since the first price schedule and fair practice order was issued. In this time it is assumed all dealers will have had an opportunity to adjust themselves. All dealers are expected to report violators.

Meetings of the milk control board will be held at Roseburg tomorrow at 1 p. m., at Coquille at 6 p. m., and at Reedsport at 11 a. m. Friday.

ACTIVIANS GOING AFTER NATIONAL CONCLAVE IN 1935

That the Medford Activians are going after the international convention in 1935 is very much in evidence at all of their regular meetings by the reports of the various committees, and the enthusiasm displayed by the membership of the local club. Encouraging remarks have also been received in the recent issues of the "Activian," which is the official publication of the organization, in that the advance efforts of the local boys have been recognized and commented upon repeatedly. The international convention for this year is to be held in Spokane, and the local club plans to send a large representation.

Entertainment for last evening consisted of an interesting talk by Jay Glese, representative of the sales department of the Standard Oil

Company of California. Mr. Glese discussed very capably, in comparison, the process of refining of eastern and western lubricating oils, and dealt also with their action in operation of an internal combustion motor.

He was very careful in that he did not comment on the comparative values of the two oils. His subject, as presented, was extremely interesting and instructive.

DELINQUENT TAXES ROLLING IN FAST

Delinquent tax payments have shown brisk improvement the past 10 days, according to Gertrude Martin, chief deputy of the tax department of the sheriff's office. This is a decided contrast to a year ago when practically none were being paid. Money received from pear sales, federal home loans, crop production coin, and federal bank loans to farmers, CWA pay, and a generally rosier view of the future, are given as reasons for the payments.
