

MEDFORD TO DON GALA DRESS FOR DIAMOND JUBILEE

Decoration Contract Let to Portland Firm—Neighboring Towns to Participate—Band Contest Interests

Another enthusiastic meeting of the general committee of Oregon's Diamond Jubilee celebration this week revealed that preparations are rapidly approaching an early stage of completion for the big event, June 3 to 9.

Contract for the decoration of Medford streets was let to the Flak Flag and Decorating company of Portland at prevailing prices. All new material will be used by the company, taking advantage of the pioneer motif.

Street decorations are not being confined to Medford, but merchants in Ashland, Jacksonville, Talent, Phoenix, Central Point and Gold Hill are urged to take part in the beautification of store fronts as well.

Decorate Wide Area. The company has agreed to decorate without additional charge. Main street, Central avenue, Sixth street, Riverside, Bartlett and numerous other streets in the business section, giving Medford the distinction of being one of the best decorated cities in the northwest when having a celebration.

The cooperation of all business establishments is sought.

Lines will be strung across the streets, displaying the state seal on either side of the Jubilee celebration emblem. The blue and gold official colors of Oregon will be stressed, with every other line using red, white and blue. Lamp posts will carry the state seal, gold pan, crossed pick and shovel and covered wagon—leaving a very impressive effect. The ideas were worked out by the street decoration committee of which John Moffatt is chairman.

Band Contest Interests. Wilson Wait, chairman of the band contest committee, reported that interest is increasing in the Jubilee band contest, with indications that quite a number of bands from northern California and Oregon will be present.

W. W. Allen, chairman of the band contest committee, has been busy with the arrangements. Arrangements have been completed for the presence of the Browning Amusement company in Medford during the Jubilee week. The company bears the reputation of being one of the best carnival attractions in the west.

Space for the Manufacturers' and Industrial exhibit in the Natatorium is already selling fast, according to Chairman W. A. Gates. Up-state manufacturers are taking a great interest in the exhibit and are sending down elaborate displays of their products.

Pageant Progressing. Likewise, the pageant, "Over-Under-Gon" is rapidly progressing. Prof. Irving E. Vining, pageant committee chairman, and Prof. Angus Bowmer, director, reported. Quite a number of the cast of 500 have been selected, with the probability that more will soon be under way. The production is one of the big features of the week.

Material for the Pioneer parade is coming in from all parts of the state. Chairman J. Verne Shangle said. Interest in this important feature of the celebration has doubled in the past fortnight. Jubilee visitors can expect the longest parade in the history of southern Oregon. All committees reported progress.

Resurrection is becoming more and more apparent that Oregon's Diamond Jubilee celebration will be one of the most extensive ever presented in the state, bringing thousands and thousands of visitors to Medford. The earnest cooperation is being sought from every Medford and southern Oregon resident to assure the success of Jubilee week.

FOX EXPERT WILL SPEAK AT G. PASS

A meeting of great interest to the fox farmers of southern Oregon will be held at the Grants Pass fairgrounds April 21 at 2 p. m.

A. H. Leonard, head of the fox department of the Purina Mills, St. Louis, Mo., will address the fox farmers at that time. He is one of the country's best authorities on the food requirements of foxes. He will present his talk in a way all can understand.

Mr. Leonard has made a very careful survey on eight fox ranches located in various parts of the United States, who received the most outstanding prices for their pelts last year. Every possible factor that may have been responsible for the good fur, such as heredity, climate, shade and methods of feeding, have been carefully investigated and evaluated. The results of this survey will be discussed in this meeting.

With Mr. Leonard will be J. S. McCortie of Kirkland, Wash. fox field service man for the Purina Mills in Oregon and Washington.

All fox and fur ranchers, and anyone else interested are invited to attend the meeting.

Educational Advisor—George C. Bereman of Pullman, has been designated to the Medford COG district headquarters, and will be placed on duty as camp educational advisor at Camp Carberry Creek, company 958. Mr. Bereman will accompany the group to the summer camp at Dog Lake, when they move on Monday.

RABIES FEARED WHEN PET CAT BITES MISTRESS

GRANTS PASS, April 19.—(Spl.)—Mrs. Emma Boehle, route 4, received her first injection of rabies vaccine Tuesday, following a wound inflicted on her pet cat Friday by the fangs of her pet cat, suddenly infuriated for no apparent reason.

The vaccine arrived in Grants Pass Tuesday from Indianapolis, having been brought by plane to San Francisco and mailed here in answer to a telegram from Dr. B. G. Bailey. Appearing at the local doctor's office Saturday for treatment of the badly swollen hand, Mrs. Boehle related her early Friday her pet cat attacked her without warning. It was accustomed to following her about her house and garden.

A short time before, Mrs. Boehle said, the other cats had refused to eat with her pet, shying away from it as if in fear.

The animal, soon after inflicting the wound, was killed with a blow on the head. It was impossible later for the brain cells to be analyzed in search of the rabies germs.

Dr. R. J. Garman, veterinarian of this city, after learning the actions of the cat before it bit Mrs. Boehle and discovering that it had a fresh scar on its forehead, apparently inflicted by another animal, declared it was highly probable the pet was crazed by rabies.

Fourteen injections of the rabies vaccine are the required treatment of a person feared to have become infected with the disease, Dr. Bailey stated. One is taken each day.

According to the local doctor, it is

PLAN BARN DANCE OLD CITY MARKET

D. A. V. employment headquarters in the old city market at 35 South Riverside, Medford, is coming along fine, according to James Little, chairman of the committee.

To start the program off right, plans have been made to hold a real old hard times barn dance on the evening of Thursday, April 26, with some good old-time dance music.

Lunch will be served from 11 to 12 p. m. by the ladies. Tickets will be on sale at the door. Those coming "dressed up" are liable to a fine. Money derived from the dance will be used as a benefit fund, office expense and to gain employment for disabled veterans.

What SHE TOLD WORN-OUT HUSBAND

SHE could have reproached him for his fits of temper—his "all in" complaints. But wisely she saw in his frequent colds, his "ragged" look, "on edge" condition the very trouble she herself had whipped. Constipation! The very morning after taking NR (Nature's Remedy), as she advised, he felt like himself again—seemingly alert, peppy, cheerful. NR—the safe, dependable, all-vegetable laxative and corrective—works gently, thoroughly, naturally! It stimulates the eliminative tract to complete, regular functioning. Non-habit-forming.
