

SCENE OF GOLFING WAR SHIFTING TO ASHLAND SUNDAY

Medford, Grants Pass and Klamath Falls Teams Will Seek to Wrest Trophy From Lithia Divot Diggers

ASHLAND, April 20.—(Sp.)—The largest golf tournament in the history of the course will be played on the Ashland Golf course Sunday.

The committee is making final preparations to entertain teams from Medford, Grants Pass, Klamath Falls, and probably two teams from northern California, who will compete for the Ashland team trophy.

Reports from Yreka indicate they are enthusiastic about the tournament. For the past two weeks they have been conducting an elimination tournament to pick the best possible team. Liked to win trophies from Oregon, they are after this one with extra enthusiasm.

Golfers of Medford claim that it can't be done, and that they are going to keep it in Jackson county. Tuesday, Jimmie Swanson at Klamath Falls reported that a place on the mantle in their club house is all dusted off for the trophy. Grants Pass has not been known to make threats regarding the trophy, but players from the Climate City are usually able to take care of themselves, so it looks as though winning will be a fight to the last putt.

In the team tournament a blind nation trophy will be played, and a large number of prizes will be given to individual players who are able to get the best of old man Boney.

To make a big golfing day perfect, a special feature in the form of an exhibition match will be played about 1:30 p. m.

Jack Heuston, pro from Medford, former northwest champion and holder of several other titles, will team with Hank Pringle, southern Oregon champion, and will play against Bill Hackney, pro from Klamath Falls and Ashland, and H. B. Bentley, local player and runner-up in the southern Oregon last year.

CHAN EGAN JOINS GOLF TEAMMATES FOR BRITISH TRIP

NEW YORK, April 20.—(AP)—Nine leading amateur golfers of the nation, including the U. S. open and amateur champions, gathered in New York today preparatory to starting an ocean voyage which ultimately will lead to St. Andrews in Scotland for the international Walker cup team matches with Great Britain on May 11 and 12. The team sails tomorrow at noon on the Caledonia.

Francis Ouimet, the team captain, came down from Boston; Chandler Egan, the durable marvel, arrived from Medford, Ore.; Gus Moreland came up from Texas. They were joined by George T. Dunlap, Jr., and Johnny Goodman, amateur and open kings, respectively, Jack Westland of Chicago, Johnny Fischer of Cincinnati, Max Marston of Philadelphia and Lawson Little of San Francisco.

Together they are considered one of the strongest aggregations of the United States Golf association has ever sent abroad. Ouimet has played on every Walker cup team. Marston, Westland, Dunlap and Moreland also have played in previous cup matches, while the veteran Egan, and the youthful Goodman, Fischer and Little will be making their debuts as internationalists.

The foursome and singles matches to be played over the famous Royal and Ancient Golf course will be the eighth renewal of the series, with the British yet to score a victory.

The members of the team will be the dinner guests tonight of Herbert Jaques, president of the United States Golf association.

SALMON BITE BETTER WHEN ROGUE MUDDIED

GRANTS PASS, April 20.—(Sp.)—Rogue river fishermen have decided, according to Joe Wharton, it is not such a bad idea for the water to be a little muddy. They used to think mining spoiled fishing.

Wednesday, prior to one o'clock in the afternoon, seven salmon were caught below the Savage Rapids dam near Pierce riffle, and the water was slightly discolored. From what mine the muddy water came no one seemed to know, but the slight cloudiness in the stream helped to conceal from the wary salmon their enemies on shore, so seven of them struck before 1 o'clock, and now all the fishermen feel better.

ROGUES EXPECT TOUGH SLEDDING IN GRANTS PASS

Locals Going to Climate Town Sunday Loaded for Bear—Play Here Week From Sunday Present Plan

Medford's undefeated Rogues will pry the lid off the Southern Oregon league schedule Sunday at the Josephine county fair grounds when they tangle with Ken Williams' Grants Pass Merchants, one of the best semi-pro teams in the state for the past two years.

It will probably be the only league game played on that day as complications have arisen over the two-team setup in Klamath Falls and also due to the fact that three California teams: Weed, Yreka and Dunsmuir, want to enter the league at the last minute.

In case no other league games are played, Medford and Grants Pass will be forced to remain idle one Sunday or the other teams play a double header in order to catch up.

McLean to Hurt Manager Haight will start Cliff ("Chief") McLean on the mound at Grants Pass with Dean Joy behind the bat. McLean has won three straight games so far this year with only 13 hits being made off him with only three earned runs.

Billy Courtney will hold down first; Billy Hulen, second; Hal Haight, shortstop; and Tully Williams, third. Hoosier Hoffard will go after them in center field with Ed Jeanie in right and Virgil Swanson in left.

Grants Pass will have practically the same lineup that put them near

BASEBALL INJURIES TOP LIST IN MAJOR SPORTS

PITTSBURG, Pa., April 20.—(AP)—Baseball leads all major sports in the number of accidents resulting in damage awards while the more rough-and-tumble game of football trails at the end with the fewest.

Hunting, a less popular sport, heads the list in total damage claims, however, according to reports made to the Pittsburgh safety engineers' conference last night. The conference was arranged by the Western Pennsylvania Safety Council.

The meeting was told that a survey from 1922 to 1930 showed 2,120 accidents resulting from baseball on which \$186,964 was paid in damage claims. Figures for football for the same period showed 373 accidents costing \$24,400.

There were less than 800 hunting accidents, but these cost approximately half a million dollars in claims.

Fishing, one of the mildest of sports, had an accident toll of 713 and damages of \$115,910. The statistics were given by W. H. Cameron, managing director of the National Safety Council.

ACORNS TROUCE LEADING ANGELS BY 17 TO 1 SCORE

Medford One Up Earlier this year, Medford defeated the Cave City club, managed by George Young, 4-0.

Since then, Young has stepped out and Ken Williams in, and the team has been strengthened considerably. Manager Haight expects a tough game.

Without a doubt, it will be one of the hardest games we will play all year," he said.

According to the present Southern Oregon league schedule, Grants Pass journeys to Medford a week from Sunday to inaugurate the league here. Haight is making arrangements for an opening day celebration, with "first balls," prizes and the usual opening day ceremony.

Medford's uniforms, purchased from the Seattle club of the Pacific Coast league, will arrive in time for the game at Grants Pass.

land, all the teams scored generously again yesterday. Oakland, trounced twice in a row by Los Angeles, turned on the pace-setters to record yesterday's biggest count, 17 to 1. Seattle beat Hollywood, 8 to 7; the Missions won from Portland, 6 to 3, and San Francisco nosed out Sacramento, 5 to 4.

The Oaks drove three pitchers from the box in as many innings before the fourth, Oscar Judd, could hold them in check.

The Seattle Indians came from behind to win their first game for their new manager, Walter (Dutch) Ruethe.

The Missions rose to second place when they took their second straight game from the Beavers. First Baseman Dahlgren and Outfielder Dan Harty of the Missions each hit a home run.

After committing an error in the sixth inning that allowed the Senators to start a rally that netted them four runs and tied the score, Frankie Gire, rookie third baseman, atoned in the seventh inning by driving in the Seals' winning run with his slide.

BOSTON RED SOX TAKE TWIN BILL FROM SENATORS

By HUGH S. FULLERTON, Jr. (Associated Press Sports Writer) The Boston Red Sox, picking Patrick Day, a strictly Boston holiday, as their starting point, already have begun to pay dividends upon Owner Tom Yawkey's big investment in them.

After dropping two tough decisions to Washington's Senators, the Sox made it all up yesterday by trimming the 1933 league champions in both halves of the holiday doubleheader, 3 to 4 and 7 to 3.

The afternoon drew 34,000 fans, the largest crowd since the rebuilding process began.

The terrific clouting continued right down the American league line with the single exception of the Cleveland-St. Louis duel, and the Indians won that when Joe Vosmik clouted a 400-foot line homer with one on in the eighth.

Chicago's White Sox added the Detroit Tigers to the list of clubs which have lost one game, by pounding out a 9 to 6 victory. The New York Yankees out-swatted the Athletics in a homerun duel, 10 to 4.

The world champion Giants turned four hits, one a homer by Bill Terry, off fideity Phil Collins, into a 2 to 0 victory over the Phillies.

Brooklyn and Boston provided one of the early-season oddities in a 1-1, seven-inning tie. A thick fog, which rolled in to obscure the outfield, forced the umpires to call the game. Pat Malone's five-hit hurling plus some timely hitting against Paul Berringer gave the Cubs their third straight triumph over Cincinnati by a 4 to 1 count.

The Pittsburgh Pirates refused to follow the rest of the league and piled up 19 assorted hits to trim the Cardinals, 14 to 4.

And when your wife twitters over the fact that she is saving a few cents per pound on "bargain counter" coffee—that's a foul tip—even though her best friend gave it to her. So as a loyal husband, you should put your wife straight on the rules of coffee-buying. Just tell her that you don't drink coffee by the pound, you drink it by the cup. Put her wise to the fact that the sure way to get outstanding goodness in every cup is to buy Hills Bros Coffee. That's the coffee that tops the league in uniformity, strength and real flavor.
