Public Attention Focused On Music, Beginning May 6

While there will be no formal celebration of National Music Week, beginning May 6, in Medford this year, extensive plans are being made to focus attention on that beloved art for the cultivation of a greater appreciation and enjoyment of music.

All music teachers of the city are cooperating in such a plan and the public is asked to give all the time possible to music. The many programs held at Easter time, the music festival today and tomorrow in Ashland, and the spring concert of the Gleemen, promised for the early future, have made it impossible to prepare formal programs in particular celebration of the dates chosen for music week.

The programs planned, regardless of the dates, it is believed, will constitute a fine observance of the week in the true sense of its creation.

Members of Writers' League Enjoy Session

The southern Oregon branch of the League of Western Writers met Saturday at the Hotel Holland for a pleasant program. A story by Mrs. Olive May Cook was presented for criticism and Mrs. G. R. Satchwell read a poem, written by her sister.

Music Lovers Enjoy Ayres' Concert

A number of Medford music-minded folk enjoyed two concerts, played by Harold Ayres, University of Oregon student pianist, yesterday, having moved to Ashland for his morning concert at the Southern Oregon Normal school, which preceded his Medford appearance at the Baldwin recital hall.

In the group attending the Ashland program were: Mrs. John White, Mrs. E. E. Gore, Mrs. Walter Mundy, Mrs. Rawles Moore and Misses Joyce Banah, Margery Paley and Dorothy Gore.

Following the concert here, which was more than enthusiastic applause from a mixed audience of musicians, critics and students, an informal reception was held for the talented pupil of Louis Artau. Mrs. Rawles Moore and Mrs. E. E. Gore were hostesses for the occasion. Assisting about the rooms were Misses Grace Jo Burnett, Dorothy Gore, Constance Moore and Frances Dillard.

WASH OUT 15 MILES OF KIDNEY TUBES

Win Back Pep . . . Vigor . . . Vitality

Medical authorities agree that your kidneys contain 15 MILES of tiny tubes or filters which help to purify the blood and keep you healthy. They should pour out through the bladder 3 pints of fluid a day which contains 4 pounds of waste matter.

If you have trouble with too frequent bladder passages with scanty amount causing burning and discomfort, the 15 MILES of kidney tubes need washing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and vitality, getting up nights, lumbago, swollen feet and ankles, rheumatic pains and dizziness.

If kidneys don't empty 3 pints every day and get rid of 4 pounds of waste matter, your body will take up these poisons causing serious trouble. It may knock you out and lay you up for many months. Don't wait. Ask your druggist for DOAN'S PILLS . . . a doctor's prescription . . . which has been used successfully by millions of kidney sufferers for over 40 years. They give quick relief and will help to wash out the 15 MILES of kidney tubes.

But don't take chances with strong drugs or so-called "kidney cures" that claim to fix you up in 15 minutes. Your common sense will tell you that this is impossible. Treatments of this nature may seriously injure and irritate delicate tissues. Insist on DOAN'S PILLS . . . the old reliable relief that contains no "dope" or habit-forming drugs. Be sure you get DOAN'S PILLS at your druggist. (Copyright, 1934, Foster-Milburn Co.)
