

BIG FRENCH SUB READY TO MAKE CIRCLE OF GLOBE

PARIS—(UP)—The submarine Surcouf, the world's largest undersea boat and believed to be the most dangerous fighting ship afloat, will start its world cruise early in June. Estimated at approximately 3000 tons, the Surcouf represents the latest development in submarine warfare, and with its cruising radius of 20,000 kilometers, or half way around the world, it will visit various ports. Measuring 110 meters overall, with 18 meters amidship, the Surcouf has a surface speed of 20 knots and will have an undersea speed of 11 knots, the fastest of all submarines. Its effectiveness lies principally in its ability to fire a salvo of 14 torpedoes. Eight of the 14 torpedo tubes are in

the bow, two in the stern and four are on the beam, giving the ship an immediate range on its target, regardless of position. The Surcouf is listed as a defense submarine, despite its offensive character. With its battery of four 5.5 guns and its powerful anti-aircraft rifles, the ship is armored heavily on its exposed deck and is virtually invulnerable to aerial bombs, or light caliber fire from cruisers or destroyers. The Surcouf is almost double the size of the famous German U boats. In its recent plunging tests off Brest, it descended quickly to 80 meters, cruised along at 10 knots and rose as quickly. Equipped with Diesel engines, the ship has provisions for long cruises, insuring normal surface air, drinking water and supplies. The interior is a model of mechanical ingenuity and almost every known safety device is included in the protective apparatus. The deck even carries a small airplane. The V-4, which is the nearest approach to the Surcouf in the American navy displaces 2800 tons, and the best British submarine is the X-1, of 2525 tons. It is probable that a second giant submarine of the Surcouf class will be constructed as soon as the credits can be provided for the naval budget.

BULLETS SPRAY RESORT WINDOWS

This was how machine gun and pistol bullets shattered windows of the Little Bohemia resort near Mercer, Wis., as the result of the gun battle between federal agents and John Dillinger's gang. (Associated Press Photo)

REV. BAIRD SELECTED CHAIRMAN OF BENEFIT CONCERT FRIDAY EVE

Capt. O. R. Durham, commanding officer of the Medford corps of the Salvation Army, announced today that Rev. W. R. Baird of this city has been selected to act as chairman of the concert of sacred music to be given for the benefit of the Army's band fund at the Baptist church tomorrow evening. Program of the concert follows: Organ Prelude, "Medley"—Mrs. O. C. Felling. "Praise Ye the Father" (Gounod). "Pilgrim's Chorus" (Wagner)—Presbyterian Choir. "Abide With Me"—Salvation Army Brass Quartet. "The Lord Is Exalted." "Were You There When They Crucified My Lord?" (Spiritual)—Baptist Choir. Vocal Solo, "Close to Thee"—Miss Genevieve Brown. Piano Numbers: "Nocturne" (Chopin). "Glockenspiel" (Spindler)—By Cyril Sanders. "Evensong" (Cedman). "Come and Rest" (Adams)—Christian Choir. Violin Solo, "The Holy City" (Hendley-Adams)—Mr. John R. Knight. "Sitting at the Feet of Jesus." "Is Your All on the Altar?"—Nazarene Quartet. "The Awakening Chorus"—Mixed Choirs of All Churches. Benediction. The concert will begin at 7:45. Tickets are on sale at the Chamber of Commerce and will be on sale at the door.

Lindbergh Suspect

William Lardner (above), inmate of the federal prison at Leavenworth, Kas., was placed in solitary confinement after his name was linked with the continuing investigation of the Lindbergh baby kidnapping. U. S. Marshal John J. Murphy in Boston, where Lardner was convicted for passing spurious currency, said he believed Lardner "knows a great deal" about the Lindbergh case. (Associated Press Photo)

PRESBYTERIANS PLAN INSTITUTE ON HOME AT PHOENIX FRIDAY

Dr. Gerrit Verkuyl of Philadelphia and Dr. W. L. Van Nuy of Portland will conduct an institute on the Christian home at the Phoenix Presbyterian church Friday, April 27. At the afternoon session the conference feature will be dominant. Those attending are invited to submit written questions on home problems they would like discussed. The Ladies' Aid of the church will serve dinner for a nominal price for the convenience of those attending. The evening session will open at 7:30 o'clock, when Dr. Verkuyl will give an address, "Instead of Thy Fathers." It is hoped that people of the Rogue River valley will respond enthusiastically to the opportunity to hear Dr. Verkuyl, whose visit to the northwest has been made possible by the board of Christian education in an effort to place emphasis upon the application of Christian principles in the complex relationship of the modern home. Dr. Verkuyl has written a challenging book on "Christ in the Home" and has made a special study of the problems of the Christian home.

county committee before the applicants will be considered by the forest or park service. Men eligible for the work must be experienced woodsmen, legal residents, over 25 years of age, with dependents. BAKER, Ore., April 26—(AP)—Five-hundredths of an inch of rain fell here Wednesday night, increasing the total for the storm that started Monday to .2 of an inch of precipitation. Lt. Shepard transferred—Lieutenant Frank V. Shepard, U. S. N., who reported for duty with company 1028, Camp Steamboat of the Civilian Conservation corps, has been transferred to company 1746, now located at Camp Lower Pistol river, announcement made today at district headquarters states.

PUHL ANSWERS WIFE'S DIVORCE COMPLAINT

Fred Puhl, widely known valley rancher, in answer to a divorce complaint filed by his wife, Anna M. Puhl, charges that his spouse assaulted him with a butcher-knife, hit him in the face with a dishrag, and threw dishwater upon him, that she was extravagant, and "her declarations of love were false, but that she married him to secure an interest in his property." The answer further sets forth that "plaintiff has ample funds for suit money and attorney's fees." The couple were married last November.

CHICAGO HEIRESS TO BE FUR FARM GUEST

Mary Fahrney, of Chicago, heiress to a huge patent medicine fortune, and much in the public prints because of Hollywood appearances and marriage annulment proceedings will arrive tomorrow for an extended stay at the Fish, Fur and Game ranch in the Prospect district. Dr. Richard Kingsley of New York City is now at the resort. He is connected with the Dr. W. B. Mayo laboratory of New York and is a medical research scientist of renown.

DEUEL BUILDING RUIN RENOVATED

The Deuel building on East Main street, which has been the subject of many discussions before the city council since fire gutted the building several years ago, promises to be in good condition for the Diamond Jubilee early in June. General clean-up of the building is underway this week. The braces, recommended by the special committee, appointed by the council to investigate safety of the building, are also being installed. The city officials are anxious to have all buildings made as attractive as possible before the thousands of guests anticipated for the jubilee arrive in Medford.

POPULAR LIQUOR DROPS IN PRICE

A new supply of fancy liquors has arrived at the state liquor store here and a reduction in price of Canadian liquors was reported today at the store. Monogram, one of the popular brands, has been reduced from \$5.45 to \$4.85 per quart and from \$2.35 to \$2.10 per pint. Sheriff's Gold now sells at \$3.25 per fifth. It was formerly priced at \$3.75. Speyside has gone down from \$4.00 to \$3.35 per fifth. Among recent attractions are "Little Paul Jones," put up in a 20 cent bottle; and Applejack at \$2.45 a fifth.

CHRISTIAN SCIENCE LECTURE IS TONIGHT

This evening at eight o'clock, in the Holy theater, Dr. John M. Tutt, C. S. B., of Kansas City, Mo., will give a Christian Science lecture, "Christian Science—Its Case Against Superstition." Dr. Tutt is a member of the board of trustees of the mother church, the First Church of Christ, Scientist, in Boston, Mass. Rutherford county, N. C., claims to have the largest variety of minerals of any county in the United States.

Divine Origin of Bible Proved Is Claim of Evangel

Rev. McKay who is conducting revival services at the Free Methodist church, 10th and Ivy streets, said in part, last night: "The marvelous harmony of the Bible proves its divine origin. Here we have a book written during a period of 1500 years, by 40 different writers, living in widely separated lands and not one contradiction is to be found." Another proof, declared the evangelist, is that "it has swayed the minds of earth's greatest scholars and finally it gives comfort in the hour of death." Tonight the evangelist will speak on "Isaiah's Vision." A public divine healing service will be held Friday afternoon at 2:30. Bring the sick.

EXPERT WOODSMEN HARD TO FIND FOR CCC CAMP PLACES

Considerable difficulty to date has been encountered in filling the experienced woodsmen quota of the Civilian Conservation corps, it was announced today by the Jackson County Relief committee in the city hall, where applications are being received. Experienced men for the Emergency Conservation work are not coming in at the rate anticipated. Applications will be received from now until 12:30 noon, Saturday, of this week, it was reported today, and all men eligible for the work are urged to apply at the city hall before that time. Between 75 and 100 experienced woodsmen are still needed. Applications must be certified by the

WHEN TO SERVE
Lyons' California CREME DE MENTHE
After demi-tasse, cover bottom of small cordial glasses with finely chipped ice and then pour in this cherished cordial. Sip slowly, enjoy its delicate, true flavor which characterizes Lyons liqueurs... famous throughout America since 1852.

GILMORE roars again!

CONTROLLED POWER

MADE THE LONG RANGE GUN POSSIBLE

GILMORE APPLIES THIS PRINCIPLE TO GASOLINE... CONCENTRATING SUSTAINED POWER ON THE PISTON HEAD

New life for old motors... full operating efficiency for modern high-power cars... that's the promise of sensational new Gilmore Red Lion gasoline with Controlled Power. Its performance actually parallels that of smokeless powder in a 30-mile range Coast Defense Gun. Highly developed powder doesn't explode... it burns slowly, permitting an even expansion of gases with tremendous force directed against the base of the projectile. Controlled Power delivered when and where it's needed! That's Gilmore... and to this wonderful new gasoline has been added just the scientifically correct mixture of tetraethyl lead. Gilmore burns slowly. There's a perfectly timed "push" concentrated against the piston head for the full length of the stroke! Gilmore is all power... no waste heat! Pre-explosion and damaging motor knocks are positively eliminated. You get only buoyant, dependable energy humming through the motor—always. Just try new "Fortified" Red Lion gasoline today and you'll be out on the highway of amazing performance... roaring with Gilmore!

IT IS NO LONGER A LIGHT BILL

IT WAS IN 1890

BUT TODAY

LIGHT is a very small part of it

YOU USED TO CALL the monthly statement from the electric company your 'light bill'. It was a light bill then. It represented a few lights here and there about your home. But now... light is a small part of the total electric bill. Today electricity is used for cooking, refrigerating, washing, ironing, sweeping, cleaning and entertainment. Yes, indeed... the light bill disappeared with the pompadour and the bustle of 1890!
