

LIGHTING EXPERT GIVES KIWANIS AN INTERESTING TALK

Members of the Kiwanis club enjoyed an interesting and instructive talk on the relation of better light and better sight as applied to commercial, office and home lighting at their weekly luncheon yesterday noon. The talk was presented by Walter E. Potter of Portland, illumination engineer for the General Electric Co., who is a past lieutenant governor of the northwest district of Kiwanis International.

VICTIMS IN BATTLE WITH GUNMEN

Two of the four persons injured in the northern Wisconsin battle between Dillinger gangsters and federal officers were Carl Christensen, constable of Spider Lake, Wis., shown with his nurse, Mary Levenson, and John Morris (inset), a CCC camp officer. Christensen was critically wounded. Morris was hurt when shots were fired into a car in which he was riding. John Bolsonau, one of his companions, was killed. The men are shown in a hospital at Ironwood, Mich. (Associated Press Photos)

DOUBLE DOG TAX WILL BE CHARGED SOON IS WARNING

(Contributed.)
The people of Medford owning dogs—and there are no better people and none to be more congratulated—are reminded for the last time that the minimum dog tax is now due and payable at the county clerk's office. The tax now is only \$1.00 for grown males and \$1.50 for females, the lowest, thanks to the efforts of the Humane society on behalf of dog owners, for many years.

To the Editor:
I certainly was surprised to learn that someone saw me hotfooting it after school on my bicycle for the Pioneer Parade. However, that little incident seemed to cause some real concern, but they haven't seen anything yet. For instance, two of my lieutenants, a couple of BB's (big ammunition) from last year's campaign, accompanied by the generalissimo of the Oregon forces just returned from a trip into northern California, and they tell me that they met Paul Bunyan rehearsing his entry for our Pioneer Parade.

MAHONEY TALKS AT EAGLES' HALL

Addressing a gathering of about one hundred last night in the Eagles' hall, Willis E. Mahoney, Klamath Falls mayor and Democratic candidate for governor, condemned the power companies, watered stock, and claimed that the holding companies in the east are robbing the people in the west by their exorbitant power rates.

COUNTY PRIMARY TEACHERS MEET

Jackson County Primary Teachers Council held the last meeting of the year at the county court house in Medford Saturday.

Double Feature at Studio Theatre Now

A powerful effective and colorful story and a notable cast mark the opening day at the Studio theater of Warner Bros. picture, "The Narrow Corner," by Somerset Maugham.
The story is laid in the Malay Archipelago, on one of the islands of the Dutch East Indies, after opening in Sidney, Australia.
Douglas Fairbanks Jr., Patricia Ellis, Ralph Bellamy and Dudley Digges have the leading roles in this all-star production. Miss Ellis, a newcomer to the screen, is not only an exquisite beauty, but a very able actress who played for years on the New York stage with her father, the musical comedy producer, Alexander Leftwich.
"Should Ladies Behave," based on "The Vinegar Tree," Paul Osborn's scintillating comedy of a group of people who get into amusing difficulties at a week-end house party, comes to the screen at last following its triumphant Broadway run of eight months. Metro-Goldwyn-Mayer made the film version of the play which starts today at the Studio theater with a sterling cast headed by Lionel Barrymore and Alice Brady.
