Bing Crosby On Craterian's Screen

With Bing Crosby in the best role of his meteoric career, singing six new song numbers, and surrounded by a veritable galaxy of talent, "We're Not Dressing," opening a three-day run at the Craterian theater today, promises much in the way of entertainment.

Aboard a palatial yacht, Carole Lombard, a wealthy heiress, is touring the South Pacific with her two rich suitors and her goofy uncle, Leon Errol.

Bored with life in general, the young lady gets a kick out of watching the antics of one of her sailors, Bing Crosby, to whom she has entrusted the care of her pet bear, Droopy.

In his drunken moments one night, Errol stumbles into the wheelhouse, opens a door through which all the charts are blown, breaks the compass and they all wake up, wrecked on a desert island.

Complications arise daily, and being come quite serious when Burns and Allen, a couple of naturalists, join the camp. How Bing sings his way through their troubles brings the picture to an entertaining climax.

On Double Bill

Buck Jones, in the role of a frontier marshal, brings romance and thrills to "The Man Trailer" on the Rialto theater's double feature program for Friday and Saturday.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

DON'T GET UP NIGHTS

Lax the Bladder With Juniper Oil, Buchu Leaves, Etc.

Flush out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves, etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days if not relieved of "getting up nights" go back and get your money. If you are bothered with backache or leg pains caused from backache or leg pains caused from bladder disorders you are bound to feel better after this flushing and you get your regular sleep. BUKETS guaranteed by Jarmin Drug Store and Heath's Drug Store.

If you feel sour and snaky and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in pimples. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Request a substitute, 25c at all stores. © 1931 C. M. Co.
