

DOROTHY BURGESS VOTED PRESIDENT OF GIRLS' LEAGUE

By Lois Remington.

At a meeting held Wednesday the Girls' league of senior high school elected the following officers for the coming year: Dorothy Burgess, president; Betty Thordike, vice-president; Helene Salade, secretary, and Mildred Buckles, treasurer.

The following were nominated by the members of the Girls' League council at their regular luncheon Monday: For president, Alice Mae Shirley, Mildred Drury, Dorothy Burgess and Alleen Latham. Vice-president: Betty Thordike, Mary Kem, and Betty Vilm. Secretary: Virginia Porter, Amy Elliott and Helene Salade. Treasurer: Mildred Buckles, Virginia Lindley and Anna Bechel. These girls are selected for their dependability, former experience and ability to fill the office.

A Girls' league meeting was held immediately following the council luncheon for the purpose of nominations from the floor and campaign speeches.

There were no nominations from the floor for president, vice-president or secretary. Pauline Rogers and Betty Paske were nominated for treasurer.

Alleen Latham, Mildred Drury, Pauline Rogers and Helene Salade declined their nominations. Mildred Drury and Helene Salade's resignations were not accepted.

Campaign speeches were made by the candidates and various members of the league.

After the election Wednesday Alleen Latham, who has filled the office of president for the past year very successfully, thanked the girls as a body for their co-operation.

New Serial Starts At Roxy Saturday

"The Mystery Riders," the first episode of the new serial, "Fighting With Kit Carson," comes to the Roxy theater tomorrow.

The picture leaps into action with the opening scene, and there is no let-up in the amazing pace until Kit Carson's death-daring feat at the end of the chapter. The story concerns a period of the great scout's youth when he is engaged in escorting a shipment of gold to the Pacific. Beset by warring Indians on one hand and treacherous fellow-guards on the other, Carson is faced with a demand for all the bravery, all the skill, and all the cunning that have made him the outstanding figure he is in American history.

Johnny Mack Brown plays Kit Carson. He is ably supported by an excellent cast, including Betty King, Ross, Noah Berry, Sr., Noah Berry, Jr., Tully Marshall and Lane Chandler.

The feature picture Saturday will bring Ken Maynard in "Fargo Express."

JUNIOR-SENIOR FORMAL DANCE YEAR'S CLIMAX

By Joyce Danish.

Tonight at 8:30 at Medford high school is the big formal of the year. The custom in past years has always been for the juniors to have a junior prom and the seniors the senior reception, but this year the two classes have combined their efforts into one Junior-Senior formal.

The beautiful scenery used in the "Mikado" is to be used in decorating the gym for this formal. The following decorations: Harold Grove, president of the senior class, chairman; Alene Ray and Bob Sherwood. The junior committee: Betty Vilm, chairman; Verne Campbell, Cyril Sanders, Ann Verne Campbell, Cyril Sanders, Ann Mr. Leland Meuter's shop boys have been giving a great deal of aid in the placing of the scenery and other work in connection with the decorating.

Programs for the dance were designed and made by the following committee: Seniors, Bill Prentice, Phyllis Phythian, Virginia Lindley, Waunita Wilson, Bob Young.

The feature for the evening will be arranged by Pat Young and Lucien Smith.

Invitations were taken care of by Helene Meier.

The orchestra committee, consisting of Harold Grove, Lewis Campbell and Bob Young has engaged Dinty Moore's orchestra to play for the dance.

The classes cordially invite all parents to attend.

The success of the preparations for this formal is largely due to the able direction of the class advisors, Miss Maurine Carroll and Mr. Meuter of the senior class and Mrs. Wilma Kincaid, Mrs. Justin Smith and Mr. C. D. Thompson of the junior class.

OLD TIME GARB VOGUE IN PARADE

Pioneer raiment, fashions of a hundred years ago, will be in vogue in Medford and Jacksonville during Oregon's Diamond Jubilee celebration in Medford and Jacksonville next June. These garments will be especially popular during the pioneer parade on Thursday when all participants are urged to wear old-time garb.

Mrs. J. L. Taylor has agreed to devote her time to fashioning these clothes at jubilee headquarters. Persons wishing to take advantage of this offer are to bring their own material, which will be made into dresses peculiar to pioneer days. A small charge will be made for the labor.

Very few have this sense of balance

Most of us walk, but few have the highly developed skill and delicate sense of balance needed to tread a slender wire suspended high in the air.

It is almost as difficult to blend fine coffee. That is why there is only one mellow'd coffee... only one S&W Shade of flavor added to shade of flavor by consummate skill, culminates in perfect balance—mellow'd and full strength.

Expect much from every cup of S&W. Its mellowness is the ome of deliciousness. Its full strength means more cups per pound.

PIANO AIRPLANE IN 'FLYING DOWN TO RIO'

A piano-plane, something entirely new in the field of both aviation and music, makes its appearance in "Flying Down to Rio."

The term "piano-plane" is literal, for the airship, with a piano built into its fuselage, is as much a flying piano as it is a flying ship.

Its practicability was proved by Vincent Youmans, celebrated composer of the music in the picture. Youmans used the ship while composing the production's theme song, "Flying Down to Rio." This song, according to the composer, is a symphonic arrangement of the rhythm, from throbbing motors and whirling propellers.
