

OFFICERS OF CCC REASSIGNED WHEN CAMPS INCREASED

Orders have been issued from CCC district headquarters here, in which are included the transfers of numerous officers within the district. These changes become effective immediately, and have been brought about by the entry of the additional 10 camps from the Redding and Eugene districts into the district supervised by Medford headquarters.

Captain Herman L. Harms, Ord.-Res., who has been in command of Camp Wingless, is now assigned to Camp Oak Knoll in northern California. First Lieutenant E. C. Howe, Inf.-Res., will leave Camp Bradford and go to company 926 at Camp Applegate.

Now on duty with the Applegate company, Captain Roy E. Farley, Air-Res., will go to the Hill camp, in northern California. The changes being made will put First Lieutenant Charles H. Jeffers, Qm.-Res., with company 1934 at Camp Wingless, transferring him from company 1910 at Camp Indian Creek, in northern California.

Lieutenant (jg) Frederick W. Kuhn, USN, with Camp Hill, will go to Camp Indian Creek, and First Lieutenant Cyril H. McGuire, CA-Res., is relieved from command of Headquarters detachment here, and will go to Camp Bradford.

Second Lieutenant Henry A. Barris, Inf.-Res., with company 1555 at Camp Annie Springs, although assigned to company 926, Applegate, will be on detached service at local headquarters, for temporary duty.

Captain George L. Maynard, U. S. M. C., will report to Camp Tiller from Camp McKinley, and First Lieutenant George W. Everman, Inf.-Res., will leave Camp Steamboat for assignment to Camp McKinley.

GLEEMEN ATTENDING REHEARSALS IN HOPE OF SEEING DANSEUSE

When the spring concert of the Gleemen was first planned, many of the members were too busy to attend the rehearsals and for a while it looked as though the date would have to be abandoned. This despite the fact that two very capable artists, Miss Frances Mullen, pianist, and Dorothy Wagner, dancer, had been secured to divide the program with Medford's singing organization.

However, Jim Stevens, the club's director, is nothing if not resourceful. He quietly spread the word among the members that one of the numbers to be presented by Miss Wagner would be the famous Sally Rand "Fan Dance." Since which time all of the chairs have been filled during the weekly practice meetings and the waiting list of applicants for membership has grown tremendously.

Needless to say, Jim's ruse for obtaining full representation at rehearsals was purely a fabrication. Nevertheless, the public is assured a program that for variety and talent has not been excelled in past performances. The joint concert is to be held at the high school auditorium Monday evening, May 14.

ATTENTION, VETERANS: There will be a special meeting at the Armory Friday evening at 8 o'clock. A matter of importance to all Veterans of all Wars will be discussed. Every veteran, whether a member of any organization or not, is urged to be present.

NAME COMMITTEE TO ENFORCE NEW BUTTER SYSTEM

Southern Oregon creamery operators, butterfat producers and cream station managers, representing 11 creameries, met here last night with a committee working under the state butter marketing agreement which is holding a series of meetings throughout the state. Cream grading and improvement in butterfat quality, grading of butter under the new system of labeling in A, B and C grades and the appointment of a local enforcement committee were explained to local dairymen.

The state committee consists of J. D. Mickle, chief of the division of foods and dairies, state department of agriculture; Dr. G. H. Wilster, dairy department, Oregon State college; E. L. Martindale and H. C. Raven, creamerymen, Portland, and Paul C. Adams, secretary Oregon Dairy council. Similar meetings will be held today in Coos county and in Eugene on Saturday.

Under the marketing agreement, the producers of butterfat will be paid a premium on grade A cream, which should result in greater returns to Oregon dairymen without extra expense or equipment, according to Mr. Mickle. A local enforcement committee, consisting of John Lulman, Mrs. Maude Snider, County Agent Fowler of Medford; Paul Taylor, Ashland, and J. R. Harvey, secretary of Grants Pass chamber of commerce, was selected at last night's meeting. Enforcement of the state butter marketing agreement in Jackson and Josephine counties will be conducted by this committee.

Increased consumption will be the immediate result of the improved quality of butter now being marketed under the new grade A label, according to this committee.

Bazaar and Dinner At Phoenix Today

A bazaar and cafeteria dinner is being given by the ladies of the First Christian church of Phoenix this afternoon and evening, opening at 4

o'clock, at the Blue Flower lodge. There will be a fish pond and candy booth.

Mothers' day is Sunday, May 13, and the fancy work booth is expected to solve the Mothers' day gift problem. A program will be presented in the evening.

Ice cream will be served and the ladies extend a cordial invitation to every one.

How to make good coffee everytime

Only 3 things are necessary—(1) a drip coffee maker in which boiling water drips through (2) a specially prepared coffee and (3) a filter paper. That's all! And it never fails! Delicious every time! Always crystal clear! In a Drip Maker, the water drips through the coffee but one time, not many times as in a Percolator. At that one time, all the rich fragrant flavor is extracted from a coffee specially prepared to yield its flavor quickly. Any coffee prepared for the slow percolator process will not do. (Schilling DRIP Coffee is specially blended, roasted and ground—with filter papers enclosed.) A filter paper rests below the coffee to let through nothing but the delicious amber drops. Real drip coffee cannot be made otherwise. Try it! You'll join the millions who have turned to drip coffee.

Special \$1.20 OFFER You can now buy a Special model Drip Coffee Maker and 1 lb. of Schilling Drip Coffee for \$1.20 at your grocer's. If he cannot supply you, send his name and \$1.20 to A Schilling & Co., San Francisco. Moneyback in either case if not satisfied.
