The Rev. Julius Moscati (right), pastor of Our Lady of Mt. Carmel Roman Catholic church in Jersey City, N. J., was shot to death in the hall of the church when he stepped between his sister-in-law and the gun of a Newark carpenter, whom police charged with the slaying. The carpenter, Dominic Marra, is shown at left as he was questioned at Jersey City police headquarters. HOW LONELY AND BLUE I FEEL — HAVEN'T HEARD FROM CHRIS IN TWO WEEKS. WELL, I'M GOING SHOPPING — A NEW HAT MIGHT CHEER ME UP

"B.O. GONE — Chris is rushing her now! TONIGHT TOO! WHY CHRIS, IT'LL BE OUR FOURTH DATE THIS WEEK

DARLING, YOURS IS A REAL "PEACHES AND CREAM" COMPLEXION THANKS TO LIFEBOUY! NO DOUBT you know how grand Lifebuoy is for the bath—how it refreshes and protects! "I know how Steel Protects You - in a Warship or a Car"

A CERTIFIED INTERVIEW WITH M. E. MERRITT, NAVY YARD, CHARLESTON, S. C. "I bought a Plymouth for its Safety-Steel Body... Lucky for me that I did!" YOU'VE SEEN the steel armor on warships. It's Merritt's job to help make it. He knows how strong it is. Small wonder that when he wanted a car, he picked Plymouth for its Safety-Steel Body. But he never thought that this precaution would one day save his life! The drawing shows what happened. A foggy night. A sudden stop. Rammed by a truck from behind... catapulted into the air. Smashing down! Turning over and over! "The Safety-Steel Body was all that saved me!" he told us. Experiences like this aren't common, but they do happen. That's why our engineers gave Plymouth a Safety-Steel Body and Hydraulic Brakes... the safest brakes made. THEN, they made Plymouth more comfortable, with patented Floating Power engine mountings to keep all motor vibration away from the passengers... and Individual Wheel Springs to end all jouncing. Any Dodge, De Soto or Chrysler dealer will gladly give you a Plymouth demonstration—any time. "There's nothing but steel plates on today's warships. And steel is what I wanted in the body of my car, though I never thought, at the time, I'd be in a serious accident."
