

ENTIRE SALES TAX GOING TO SCHOOLS OF STATE IS WORD

"The sales tax is entirely for school relief. Except for the cost of administering the law, the funds received can be used for nothing else but school relief..."

"Every dollar of sales tax money distributed to our schools will be felt by property owners in tax reductions against their property."

"The tax is extremely simple and inexpensive to collect. The state tax commission already has income tax collection organization, which will do much of the work."

"No authentic information is or has been available, which connects with big business or Wall street any specific person or group of persons, who proposed and passed the sales tax in the state legislature."

"The sales tax in no way operates to destroy the income tax and is not intended in any way to supplant it."

"The sales tax is proposed for school relief, for which there is immediate need. The idea that school relief was brought forward in order to pass a sales tax is vicious, misleading and unfair to the schools."

"The sales tax was not designed to relieve taxes already delinquent. No such claim for it has ever been made by its advocates."

"We are told that schools receiving \$900 per elementary teacher from the two-mill elementary levy tax will receive no money from the sales tax; however, we are not told the rest of the story which is this: No school for the past five years, and we believe since Oregon has had schools, has ever received \$900 per elementary teacher from this tax, which means that all districts in Oregon will receive money from the sales tax."

Medford Musicians Contribute to Ashland Program Monday

Much praise for valley musicians is found in a report in the Ashland Tidings of the program given there Monday in observance of Music week. It reads in part:

"Those who were privileged to hear the concert given at the Methodist church last night were more than repaid by the pleasure afforded in the numbers presented by outstanding musicians who gave their talent in this observance of National Music week."

"Mrs. Arthur W. Warnock of Medford, accompanied by Mrs. H. B. James, sang a group of folk songs; English, "O Willow, Willow, Willow," "When the Nightingale Shall Sing"; French, "Snake Charmer's Song," "India"; and two Americans, one a spiritual, "Golden Crown," and an old ballad, "Johnny Sands." For each of these Mrs. Warnock told at what period written, by whom and a bit of musical history concerning the selections. Mrs. Warnock delighted her listeners in her interpretation of these so different songs, the quality of her voice and clearness of enunciation, with the dramatic expression making her selections especially pleasing."

"Two violin solos, played by Mrs. Helen Drummond, Medford, with Mrs. Marine Duncan at the piano, "Celebrated Air," J. S. Bach, and "Sourvenir De-Wieniaski," Wm. Hasenc, were feelingly interpreted by the player."

"In line with the folk songs sung by Mrs. Warnock, Mr. Enders led the audience in the ensemble singing, using familiar negro melodies."

CASTING TOURNEY DETAILS GIVEN AT LIONS' LUNCHEON

William F. "Toggerly Bill" Isaacs, today gave the Lions club a brief outline of the plans for the flycasting tournament to be staged here June 3, the opening day of the Oregon Diamond Jubilee, to which fly casters from the entire Pacific coast are expected to attend.

Through the co-operation of City Superintendent Fred Scheffel, Bear creek will be dammed in order to afford a site for the tournament, Mr. Isaacs said. To assure a full attendance at the event, Mr. Isaacs made a trip to Portland, where he obtained the co-operation of the Portland Fly Casting club. The club expects to send two or three cars of members to Medford to participate.

Mr. Isaacs named the four events as planned, to be: wet fly accuracy, dry fly accuracy, dry fly delicacy and distance fly event. President H. W. Conger of the Lions club assured Mr. Isaacs that the ability of the Lions' fishermen would not make it necessary to dam Bear creek.

Secretary H. T. Hubbard also read a letter from Karl L. Janouch, supervisor of Rogue River national forest, in which the latter assured the Lions no plans had been made to build a road into the Blue Canyon country.

Committees appointed by President Conger were Roy Elliott, chairman of next week's entertainment committee; Lions C. G. Smith, L. J. Knox, E. R. White and A. C. Walker, to see about badges; and Lions Tjerkelson, Ed Mann, K. D. Ross, Smith and Oscar Anderson on the float for the Diamond Jubilee.

Mr. Isaacs also announced to the Lions that the retail trade division of the chamber of commerce had selected May 19 and 21 as pre-Jubilee buying days.

The club went on record endorsing Ed Shea of Portland, district governor, as a candidate for governor of Oregon.
