

# Foreign War Vets Change Convention Date to Jibe With Jubilee

## VETERANS, WIVES TO JOIN THROUGH HERE JUNE 3 TO 6

Special Trains Leaving Portland Saturday, June 2—Prominent Men Invited to Attend Annual Meeting

**(Contributed)**  
Veterans of Foreign Wars of the United States have decided to change the date for the fourteenth annual state convention, which was to be held in Medford May 23, 24, 25 and 26 to June 3, 4, 5 and 6, thus lending aid to the Diamond Jubilee and bringing the veterans and families to Medford to help in the celebration.

Soldiers have always taken an active part in all colonization, and it was the soldiers who were called upon to quell all the uprisings of the Indians and afford the settlers protection. In fact every piece of land we now possess was taken at the point of a gun. By thus lending our support we will bring in several thousand more visitors that would not come otherwise.

**Plan Special Train**  
Realizing that Medford will be crowded during the convention and that hotel rooms will be scarce, in addition to the space we will occupy in the hotels, we will have our own hotels on wheels. By arrangement with the Southern Pacific company, there will be a special train leaving Portland, Ore., Saturday, June 2, at 7:15 p. m., Salem 9:22 p. m., and Eugene at midnight.

This train arrives at Medford at 8:10 Sunday morning. Total cost of bed for five nights and round trip ticket from Portland, \$12.00; Salem, \$10.25; Eugene \$8.50; Roseburg, \$7.85. The excursion train will be run in three sections, one for the Veterans of Foreign Wars Auxiliary, and one for the Military Order of the Cootee, the fun organization of the V. F. W. Invite Notables

Invitations have been sent to a number of prominent people to attend the convention, among them Admiral Coontz, General Smedley Butler, Harold DeCoe, past national commander of the V. F. W., Commander-in-Chief James E. VanZandt, Governor Julius Meier, Senators Wheeler and McNary and Congressman Mott.

Among the crack organizations that will be here are the ladies' drum corps of the auxiliaries. These drum corps have always made a hit at every convention.

The Military Order of Cootees will also have an interesting program. The street which will long be remembered, Organized in 1899.

The Veterans of Foreign Wars of the United States was organized in Columbus, Ohio, September 23, 1890, by 14 comrades who had served overseas under the American flag and has since grown into one of the leading veterans organizations.

In 1917, at the time of America's entrance into the World war, posts of the Veterans of Foreign Wars of the United States could be found in every section of the United States. Thousands of its members again entered the service under the American flag and the name and fame of the Veterans of Foreign Wars of the United States was spread over every battlefield in Europe where American soldiers were engaged. As a result, when the younger veterans of the World war returned to their native shores from Europe, Siberia, the Far East, or from service on the high seas, they were greeted by the members of the Veterans of Foreign Wars of the United States who, like them, themselves, had fought for Old Glory under alien skies.

**Posts in Every State**  
Today the Veterans of Foreign Wars of the United States—America's Gold Chevron order—is composed of posts in every state in the union, as well as in Alaska, the Canal Zone, Hawaii, the Philippines, Europe, and Cuba. Today the Veterans of Foreign Wars of the United States is recognized as America's most unique veteran organization, taking a militant lead in all great movements tending to help the veteran and his dependents.

That the Veterans of Foreign Wars of the United States is still the fastest growing veterans' organization in the country is proved by the record number of charters being issued by national headquarters to new posts in virtually every state throughout the country. Since Commander-in-Chief James E. Van Zandt's administration began on September 1, 1933, up and including April 12, 1934, charters have been issued to 209 new posts. This includes the V. F. W. all-time record for a single day when 18 new posts in seven different departments were chartered on March 19.

**Good News for Kidney Sufferers**  
Here is relief that goes right into the critical kidney and bladder regions so quickly, you can actually see results within a few hours. Flushes out poisons, neutralizes burning acids, brings prompt soothing comfort. No more aching back or bladder, more peaceful nights from lack of kidney activity. Ask druggist for Foley's. No other. Money back guaranteed. **OLIST**

## MITZI'S BACK—MINUS NOBLEMAN

Mitzi Mayfair, the dancer, is shown doing a nautical turn as she returned to New York after a theatrical engagement in London. Miss Mayfair admitted she had turned down the love of an English earl who kept her phone busy and almost smothered her with flowers—but she refused to divulge his name. (Associated Press Photo)

## PRIMARY FAILS ROUSE INTEREST AMONG VOTERS

Apathy continues to rule politics in Jackson county, with the primary election a week away. Assessor J. B. (Bill) Coleman figures at the present rate of interest, only between 6500 and 7000 voters will manage to get to the polls. This is about 30 per cent of the registered vote of 18,172. A sudden burst of interest might bring the total to 8500, he states.

In the opinion of Assessor Coleman, there are not 18,172 voters in the county. "That figure would mean," he states, "that half of the population are voters, and anybody knows better than that. If we have 18,000 voters, we have 54,000 population, and something is wrong there. Jackson county has between 13,500 and 14,000 voters. The rest are an 'over-shoot' from the last election."

In 1932 solicitors were out registering voters at a dime per name, which courthouse officials say, boosted the registration. A heavier vote is expected in the country precincts, than in the cities and towns. The chief interest rests in the school relief sales tax. No great amount of enthusiasm has been aroused for any candidate. Democratic major domos are predicting the nomination of weak Republican candidates, and claiming a clean sweep of all county offices in the fall.

As far as the records show, there have been only a few political speeches by county candidates, and they were brief, due in some instances to lack of an audience large enough to talk to. There has even been a lull in campaign canards. Two or three were started, but were promptly nipped in their incipency. A number of candidates are making either a hand to hand canvass, or meeting the voters where they catch them. It has been a pleasant campaign with no oratorical disturbances or hurling of mud and charges.

The revived "Good Government Congress" held a meeting at Lake Creek last night. Nineteen voters of the county court, and three children were reported present. Mrs. Henrietta B. Martin presided and was the chief speaker. She set forth the aims of the "Congress," and praised the merits of Rufus Holman for governor. She urged all present to vote for H. E. Conger for county judge, Fred Rapp for commissioner, A. C. Hough of Grants Pass for circuit judge, and A. W. Walker for sheriff. Walker was the only candidate on hand. All were endorsed by the "Good Government Congress."

**Announces New Schedule**—E. W. Mosher, district passenger agent for the Pennsylvania railroad, with headquarters in Portland, was a visitor in Medford today. He announced that new spring schedules, beginning on April 29, will be effective on the Pennsylvania line. From Medford he continued north to Eugene.

## NORMA TALMADGE AND JESSEL WED

Less than a month after she obtained a Mexican divorce, Norma Talmadge, star of the silent films, and George Jessel, actor, were married in Atlantic City by Mayor Harry Bacharach. Jessel and Miss Talmadge are shown in the first picture taken of them together since her return from Mexico. (Associated Press Photo)

## ARGUE DEMURRER IN TAX SALE SUIT

Arguments on a demurrer in the suit of Dan Watson against George L. Jantzer, and Jackson county, were held this morning before Judge H. D. Norton, on the legality of the tax sale under which the county court sold Jantzer a timber claimed owned by Watson for delinquent taxes, amounting to approximately \$123.

The land is located in the Prospect district on the Ulrich road. Jantzer purchased the claim for use in his sawmill operations.

District Attorney Coddling represented the county. Attorney George M. Roberts the plaintiff and Attorney Frank J. Neman, the defendant. The county takes the position that it acted within the law, that due notice of tax delinquency was served upon Watson. Jantzer holds that he made the purchase in good faith, and that it is now necessary in the carrying out of his lumbering operations, and attacks the validity of the delinquent tax sale provisions. Watson, through counsel has tendered the amount paid in the transaction.

## MARTIN BACKERS RALLY TONIGHT

At eight o'clock this evening, at the Hotel Medford, a rally in behalf of the campaign for General Charles H. Martin as Oregon's governor, will be conducted and a Martin for Governor club organized. Main speaker for the evening will be Edward F. Bailey of Eugene, member of the Martin state campaign committee. Fred L. Heath is chairman of the local committee. The women are also requested by Mrs. A. E. Reames, chairman of the women's division, and Mrs. Gordon Voorhies, vice-chairman, to attend. The committee has announced that anyone interested in Martin for governor, regardless of party affiliations, is invited.

## CALIFORNIA STOCK HELD TRESPASSING

Stockmen of the southern part of the county complained yesterday to the county court that their grazing ranges are being trespassed upon by California stockmen, who drive their herds across the state line, to pastures that are greener than those in Siskiyou county. Action under the state grazing laws is probable, the district attorney said today. Valley stockmen contemplate the formation of an organization for the protection of their grazing rights, which have been set aside for them. It has also been reported that California sheep flocks have been driven to the upper Applegate ranges, and have nipped the grass short before the cattle could get to it.

## BANWELL ELECTED EAGLES' PRESIDENT

Officers elected to head the local Eagles lodge for the coming year, will be installed at a meeting in June, according to Jack Hueston, president during the past year. Newly elected officers are Junior past worthy president, Jack Hueston; worthy president, A. H. Banwell; worth vice president, George Coates; chaplain, Dr. W. F. Rooney; trustee, Marc B. Jarmila; seric physician, Dr. A. F. Walter Kress; secretary, V. O. Gillette; treasurer, Bert Roedel; inside guard, Phil Thurston; outside guard, Mr. Huber, and worthy conductor, Lee Shaffer.

## Evanglist Duff Giving Practical Truth in Sermon

The sermons preached by Rev. Walter Duff, Jr., at the First Methodist church are quite notable for their practical application of spiritual truths to the standards of everyday life.

The sermon last evening upon the general theme of forgiveness emphasized the manner of human forgiveness, and then showed the manner and superior quality of divine forgiveness, and closed with a strong appeal to the unavowed to receive the salvation offered through Christ. Tonight he will preach another very practical sermon upon the theme, "The Drama of Life." It will be one of the most interesting in the series. The service tonight will begin promptly at 7:30 o'clock.

## No More Piles

Doctor's Prescription Guaranteed. Thousands of Pile sufferers do not know that the cause of Piles is internal—bad circulation of blood in the lower bowel. This is the scientific truth about piles—the real reason why saline and suppositories do not give lasting relief, why cutting does not remove the cause. Your itching, bleeding or protruding Piles will only go when you actually remove the cause. External treatments can't do this—an internal medicine should be used. HEM-ROID, the prescription of Dr. J. S. Leonhardt, sold by good druggists everywhere, succeeds because it stimulates the circulation, drives out congested blood, heals and restores the affected parts. So why waste time on external remedies or worry about an operation when Jarmila's, Woods' also McNair Bros. of Ashland, invites every Pile sufferer to try HEM-ROID with guarantee of money-back if not joyfully satisfied with the help one bottle gives.

## MUSICIAN AND DANCER TO SHARE SPOTLIGHT AT GLEEMEN CONCERT

A program of unusual attraction and novelty will be presented as the final spring concert of the Medford Gleemen on May 14th at the high school auditorium. Sharing the spotlight with the men's chorus will be Frances Mullen, pianist and Dorothy Wagner, interpretive dancer.

Miss Mullen, a graduate of the American Conservatory at Fontainebleau, and recently returned from several years' study abroad, has already achieved a wide reputation as a pianist of distinct individuality and charm. Her contribution to the program is a presentation of new and unusual music of a melodic and rhythmic nature by both modern and classic composers.

## SUPERINTENDENT DUFF ATTENDS WATER MEET

City Water Superintendent Robert A. Duff left today for Eugene, to attend the annual meeting of the Pacific Northwest section of the American Water Works association. Mr. Duff will read a paper, "Design

and Upkeep of the Distribution System," at the gathering. The Pacific Northwest section includes the states of Oregon, Washington and Idaho, also British Columbia.

To Medford Mail Tribune And Its Editor And All Other Jackson County Papers Who Stood and Stand For Law and Order. Congratulations To Medford And Jackson County For Being Known As a Good Place In Which To Live. Farmers and Fruitgrowers Bank Deposits Insured

## Firestone LEADERSHIP

**Firestone** has maintained its leadership in tire development by producing a new tire for 1934 with a wider tread, flatter contour, deeper non-skid, greater thickness, and more and tougher rubber, which gives greater non-skid safety, more traction, greater blowout protection, and more than 50% longer non-skid mileage.

These achievements are made practical by the Firestone patented process of Gum-Dipping, providing greater adhesion between the plies of the high stretch cords and between the Gum-Dipped body of the tire and the tough, massive non-skid tread. It also provides greater strength, longer flexing life, and greater protection against blowouts.

**THE NEW FIRESTONE HIGH SPEED TIRE for 1934**

DEEPER NON-SKID GREATER THICKNESS FLATTER AND WIDER TREAD MORE AND TOUGHER RUBBER MORE TRACTION MORE NON-SKID

Gum-Dipping made it possible for Firestone to design, develop and put on the market the first successful balloon tire in 1923. This tire was the pattern used by all others and completely revolutionized the tire industry and set new standards for the automobile industry. Firestone also developed the first all-rubber non-skid tire, and has always been first to give motorists the benefits of new discoveries in non-skid design, providing more traction and greater non-skid safety.

For fourteen years leading race drivers have driven to victory on Firestone tires, built with Gum-Dipped high stretch cords. They have trusted their lives to Firestone Leadership—as they know that the patented Firestone construction features provide them with greater safety—longer mileage—and greater blowout protection.

Firestone HIGH SPEED TYPE			
SIZE	PRICE	SIZE	PRICE
4.50-20	\$7.85	5.50-19HD	\$14.45
4.50-21	8.15	6.00-17HD	15.10
