

### EGAN, MARSTON PAIRED TO PLAY SCOTT, M'KINLAY

#### Draw for Opening of Scotch Foursome Matches in Walker Cup Play Announced at St. Andrews

By GAYLE TALBOT, Associated Press Sports Writer.

ST. ANDREWS, Scotland, May 10.—(AP)—The draw today for the opening Scotch foursome matches tomorrow in Walker cup competition paired the leading teams of the United States and Great Britain against each other in the feature match.

Johnny Goodman, United States open titleholder, and Lawson Little, the Californian, who had defeated the other three American combinations in practice rounds were drawn against Cyril Tolley and Roger Wethered, leading twosome of the British side.

The other pairs were: Captain Francis Oulmet and George T. Dunlap, Jr., United States, versus Jack McLean and Eric McRuvie, Great Britain; Gus Moreland and Jack Westland, United States, versus Harry Bentley and Eric Fiodian, Great Britain; and Max Marston and Chandler Egan, United States, versus Captain the Hon. Michael Scott and Sam McKinlay.

Johnny Fischer, the Cincinnati youngster, is the spare on the American side and Leonard Crawley and Tony Torrance on the British side.

It was generally agreed that the foursomes would result in an even split, leaving the decision to the eight singles matches to be played Saturday.

Goodman and Little, who had successive medal scores of 70 and 72 in their last two practice rounds, were conceded an edge as were Moreland and Westland, but most of the experts felt McLean and McRuvie were sure to beat Oulmet and Dunlap and that Marston and Egan were the underdogs against the Hon. Michael and McKinlay.

### HOFFARD LEADING LEAGUE BATTERS IN THREE GAMES

#### Medford Ball Hawk Has Average of .429—Ewauna Pair Best for One Game With Average Even .500

By BILLY HULEN, Secretary Southern Oregon League.

Paul ("Hoosier") Hoffard, Medford outfielder, blasted out two hits against Ewauna last Sunday and took over the actual Southern Oregon league batting leadership, with a mark of .429.

Nominal leaders are Christianson and Wheeler, both of Ewauna, who are hitting at a .500 clip in one game.

All Droulette, Grants Pass catcher, leads the Cave City hitters with a mark of .400. Gilman heads the Shaw-Portman players, also hitting .400.

Following are the official Southern Oregon league batting averages for players hitting .200 or over:

### GOLF TOURNEY TO SUPPLY MATS FOR ROGUE LINKS TEES

#### All members of the Rogue Valley Golf club are anticipating the novel event of a match tournament which is scheduled to be played at the local golf course Saturday afternoon, May 12, and Sunday, May 13.

### EDWARDS PINNED BY BIG TED COX

PORTLAND, Ore., May 10.—(AP)—Like Achilles' vulnerable heel, the foot of Billy Edwards caused his downfall in a wrestling match with Ted Cox here last night.

Cox apparently was nearly finished by Edwards' chiropractic headlocks when Edwards' foot came into play. The committee announces that one member has donated new flags for the course, and another has already contributed lumber for repairing the tees. A nominal tournament entry fee will be asked, but members have been urged to make larger donations if they feel they play more often than most.

The golf club is making an effort to get the course in the best possible shape in anticipation of Diamond Jubilee visitors.

Pairings for the tournament will be arranged by H. B. Kellom.

Women players of the club will conduct a tourney later to finance one mat, making a total of six to replace tees which are becoming badly worn.

### JENNINGS KEEP LEAD IN KITTENBALL RACE BY TAKING LAMPOR'S

#### (By Harold Grove.)

In the play-off of a postponed game, Jennings remained at the top of the kittenball race by defeating Lampor's, 7 to 1, on Van Scoyoc field Tuesday.

The fourth and fifth innings of the game proved fatal for Lampor's. The score was tied one-all until the fourth, when Jennings led off on an error to score three runs, and then again in the fifth inning Jennings started a merry-go-round that netted them four more runs.

The record of "having made the most sensational catch of the season" as recently awarded "Chuck" Clay, ex-high school athlete, was annulled by Bill Knips, also an ex-high school athlete. Bill, judging from the form shown by the batter in his previous times up, expected a shallow hit in his section of the diamond, when suddenly he heard the bat crack and the ball started sailing in the general direction of the fence!

It looked like a sure home-run, but Bill dove after it with his every ounce of speed. When he came to the board sidewalk leading to the grandstand, he gave a preposterous leap—his back toward the ball—reached up in the air with his left hand and hauled the ball in. One of those "liquid catches," the kind football players are supposed to make.

### CROWD OF GOLF ENTRIES PROSPERITY INDICATION

NEW YORK, May 10.—(AP)—Another sign of better business conditions was seen today in a substantial increase in the number of entries for the national open golf championship, to be played at the Merion Cricket club, Ardmore, Pa., beginning June 7.

All told, 1063 players, 112 more than a year ago, entered the lists. They included Johnny Goodman, the defending champion, virtually all the leading professionals, and many of Goodman's leading amateur rivals. A notable absentee will be George T. Dunlap, Jr., national amateur titleholder. Neither Dunlap, Francis Oulmet nor H. Chandler Egan, all of whom are abroad with the Walker cup team, entered the open.

Of the big entry list, 35 players—the first 30 and ties in last year's championship and four members of the Walker cup team—automatically qualify for the 72-hole competition at Merion.

The other 114 places in the field limited to 150, are filled through the sectional qualifying round system in 21 districts. One district, Los Angeles, already has held its test and qualified
