

# Oregon Motion Picture Men Coming for Golf Tourney May 15-16

## DIVOT DIGGERS OF THEATER INDUSTRY COMING EN MASSE

### Hundred Hotel Reservations Already Made for First Annual Statewide Gathering for Sport Event

The first annual Oregon Motion Picture Golf tournament will be held at the Rogue River Valley course here May 15 and 16, it was announced yesterday by local members of the state-wide committee, planning the largest golf event in state history for theater operators, owners, exhibitors, managers of theaters and supply houses and their employees.

All members of the theater business in the state are expected to gather here for the two-day event and hotel reservations have already been made for 100 people.

The general committee in the state is composed of Dennis Hull of North Bend, Sam Whitehead of Corvallis, Ted Gamble of Portland, Duke Smith of Tillamook, Dutch Stover of Portland, Guy Matthews of The Dalles, Harry Poole of Klamath Falls, Robert Marsden of Marshfield and Hank Craybill of Eugene.

The Medford committee is composed of George Hunt, Walter Leverette and Gene Childers.

The event will mark the first time in the theater business that all persons interested in the motion picture industry have been brought together for a sports event.

## ARCHERS OF OREGON INVITED TO MEET AT PACIFIC UNIVERSITY

An invitational meet of the archers of Oregon will be held on Pacific University campus and near-by Forest Hills golf course on Saturday, May 19. There will be a courtesy exhibit of bows and archery material made by the late Fred Barnes of Forest Grove, the famous archer and bow maker, whose reputation was as great in England as in the United States. His famous longbows will be on exhibit in the president's office at Marsh Hall.

Dr. George A. Cathey, former flight champion, will be field captain. Mrs. Noyes E. Tyrrell will be lady paramount. Homer Prouty, for three years and still the national flight champion, will shoot on the targets on the campus in the morning and have charge of archers' and golfers' contests on the Forest Hills course in the afternoon.

At the close of the target shoot, the clout will also be shot on the campus. The targets will be placed on the athletic field, which has the advantage of an excellent range and a grandstand for the gallery. Luncheon will be served at McCormick hall, the boys' dormitory, at 12 o'clock noon. The meet is called for 8 o'clock for registration, payment of target fee and assignment to the targets. The shoot begins at 9:30 a. m. An invitation is extended to all interested archers.

Plan Food Sale—The American Legion Auxiliary will have a baked food sale at the Reliable Grocery Saturday, it was announced today.

## BELCASTRO PINS MURDOCK TWICE IN FAST MATCH

Pete Belcastro of Sacramento took two out of three falls from the stocky Paul Murdock of Oklahoma, in the main event at the Armory last night and showed Medford fans what a honeymoon trip in Mexico can do for a wrestler.

Thirty-two minutes from the starting gong, the grappling bridegroom decided that three Sonnenbergs in a row were too much, and met beefy Murdock in the middle of a fourth rush with such a hefty two-handed slap under the chin that it was easy to clamp the groggy Oklahoma to the mat for the deciding fall. Belcastro took the first fall in 14 minutes, after a series of headlocks had dazed Murdock into submission, but the man from Oklahoma came back fast, worked on Pete for eight minutes, and pinned his shoulders down after his specialty of three Sonnenbergs had taken the Sacramento bad man unaware.

In the colorful and furious semifinal, Chief Little Wolf, 195, of Colorado, displayed his dangerous Indian death lock to good advantage, forcing the 181-pound speedy Bunny Martin of Oklahoma to pat for mercy twice by the use of it. Referee Ray Felsie worked fast to untangle the clever leg hold in both falls, and Martin limped painfully out of the ring. The Indian chief slugged Bunny under the ropes to lose the second fall by a decision, but took the match with the first and third falls by virtue of the punishing death lock, which the agile Martin was unable to evade.

Roland Warren, 163-pound grappling Copco engineer from Klamath Falls, took the opening match of the evening, a handicap affair, when Bull Bon Vlain, 188 pounds, of Salt Lake City, failed to secure two falls in the allotted 30 minutes. Warren was awarded one fall on a foul when the Utahian slugged him under the ropes. Bon Vlain, a circus-strong man, proved he could bend nails and break them in his hands, but was unable to make good his boast that he could throw the engineer twice in 30 minutes, and was booted out of the arena by the majority of the fans, who favored the more agile Warren throughout.

Swede Anderson, local fireboy, issued a challenge to the Salt Lake mail-bender, and should give him plenty to think about if the two are matched. Jack Mitchell, who claims to be one of the best middleweight wrest-

## POINT PAR BASIS USED IN SCORING OF MAT TOURNEY

### Five Winners to Have Name Plates On Tee Cushions at Rogue Valley Course — Players Have 2 Chances

The Rogue Valley Golf club is going to have some new mats for the tee, if plans for the tournament committee, which met Wednesday night at the Hotel Medford work out, according to Larry Schade, chairman of the committee.

A mat tournament played on a point-par basis, is planned for Saturday and Sunday, May 12 and 13, and the entire proceeds from the tournament will be used to purchase mats, which are already ordered. Through the courtesy of Weeks and Orr, furniture dealers, one of the mats will be placed on the first tee, just to show the golfers what they are playing for, because prizes will be the mats themselves.

**Names On Mats.**  
In other words, Schade pointed out, the five winners in the tournament, or the five highest, will each get his name on one of the mats. The winner's name will be painted on a plaque, and nailed to the edge of the mat. The women golfers of the club have already requested that they be allowed to play for one of the mats.

And a tournament for the women will be held soon to see which of the women golfers gets her name on one of them.

For several months the mats at the Rogue Valley club have been going to pieces, and visiting golfers, while charmed with the course as a whole, have all complained of the mats. Most of the mats are so hard a tee can't be driven into them, and others have great holes worn clear through them.

With the shrine tournament coming up, and the Jubilee tournament, with all the guests that will be here, the tournament committee felt that a mat tournament, to raise money to buy mats, should meet with the approval of every member of the club.

**All Have Chance.**  
The tournament committee, composed of H. B. Kellom, F. C. Cone, and Schade, decided upon the point par basis of play for the tournament because it gives the club member of the club as good a chance to win as it does the good player. It all depends on whether he's hot or otherwise.

Each player can get but one chance to win in the two days, if he pays only one entry fee of a dollar, but if any player wants to pay a dollar and play Saturday, and isn't satisfied with his score, he can pay another dollar Sunday and try it again.

R. O. Stephenson, of the Economy Lumber company, has agreed to donate the lumber for making the mat foundations, and will have one of them constructed by Saturday noon.

**Might As Well Play!**  
Schade also announced that all members might as well get in on the tournament, because all those who do not play in the tourney will be called upon personally by the members of the tournament committee, and asked for a donation of a dollar or more to help pay for the mats. As some players play every day, and others only once a week, Schade said, some are expected to dig deeper than others.

The idea of the mat tournament has met with great approval by all members, as the mats have been a disgrace to the club for months. It is expected that the turnout Sunday will be one of the largest this year, for a purely local tournament, Schade said.

In the west, challenged any middleweight to meet him here, preferably the engineer, Roland Warren. Warren accepted the challenge without any backtalk, and Promoter Mack Lillard is fixed for a next week's curtain-raiser.

## MEDFORD, EWUANA TO PLAY SUNDAY IN JACKSONVILLE

### Local Nine Forced to Entertain Invaders On Miner Diamond Account of Diamond Jubilee Preparations

The Medford-Ewuana baseball game scheduled at the fairgrounds Sunday, has been transferred to the Jacksonville ball park, due to the fact that workmen are already on the job erecting the enormous stage on the fairgrounds diamond, to be used for the pageant during the coming Jubilee.

Fans making the trip to Jacksonville will be treated to a twin bill, the Jacksonville Miners and the local Gloucester Lions clashing in the first game of the doubleheader. This game will start promptly at 1 o'clock and will be a seven-inning affair. If the seven innings have not been played by 2:30 the game will be called, with the

proved team last Sunday at Grants Pass. The entire club played errorless ball and their hitting was in the pinches, where it should be.

Ewuana has a nicely balanced team and but for Carlstrom's wildness Sunday, would have made a very creditable showing. They have heavy hitters, which include three players from Coast League training camps.

Excellent crowds have turned out for all league games and signs point to even greater attendance figures as the circuit settles down to some real battles.

The Rogues will wear their new uniforms for the first time before local fans Sunday.

**Southern Oregon League Standings.**

W.	L.	Pct.	
Medford	2	1	.667
Ewuana	1	1	.500
Shaw-Bertram	1	1	.500
Grants Pass	1	2	.333

**Games Sunday.**  
Ewuana vs. Medford at Jacksonville. Grants Pass at Shaw-Bertram. Hal Haight's league leading Medford Rogues play host to the Ewuana Sox Co. team from Klamath Falls, Sunday at Jacksonville in their second local league appearance.

At Klamath Falls, Ken Williams' Grants Pass Merchants will tangle with Shaw-Bertram and attempt to get revenge for the 2-1 licking handed them last Sunday by the Klamath outfit, in what was reported the finest game played in Grants Pass in years.

McLean to Hurl.  
Cliff McLean, with two wins and one loss to his credit in league appearances, will do the Medford hurrying while Dean Joy will bear the catching burden.

Carlstrom, who tried out with Sacramento this spring, will work on the mound for Ewuana with Blansa behind the bat.

Last Sunday, Medford defeated Ewuana, 11-3, but until the ninth inning, when Medford scored seven runs, it was a close and thrilling game.

Medford, this year, seems to be well started on its way toward the Southern Oregon league pennant. Receiving great plucking from McLean and healthy batting from every member of the team, and Hoffer in particular, the Rogues are, without doubt, the team to beat.

The mystery club so far has been Grants Pass. Boasting probably the best material of any outfit in the circuit, they nevertheless have been unable to win with the exception of the first game.

Shaw-Bertram showed a vastly im-

# LOWER PROPERTY TAXES

The object of the Sales Tax (expires automatically June 30, 1936), is two-fold: (1) to maintain rural and city school standards and prevent shortening of school terms by providing needed cash which delinquent property taxes cannot provide; (2) to lower taxes on real property.

Need for rural school relief has been admitted by sales tax opponents. At 1933 special session of the legislature, they introduced various make-shift measures that transferred state funds (needed for blind, insane, orphans) to schools. All these bills were rejected by your elected representatives. A Sales Tax was proposed by a Grants Pass farmer-Granger, and passed.

On May 18, you will vote to uphold or reject this two-year Sales Tax.

**GILL ADMITS TAX SAVING**—Authority for statement that Sales Tax will actually reduce your property taxes, is Ray W. Gill, State Grange Master, in Lakeview Tribune, March 22, 1934. Mr. Gill wrote: "As far as my brother and I are concerned, we would save money by the adoption of the Sales Tax, for the reduction on our property would be about \$110." Mr. Gill and his brother would have to spend \$616 a month on taxable items before their Sales Tax would equal their property tax saving! No tax on rent, doctor bills, insurance, commercial feed. Only 1c tax on \$1 purchase!

Why is the Sales Tax Being Opposed? Because Opponents Oppose It "As a Theory" Choose Between a "Political Theory" and Actual Cash Saving on Your Annual Tax Bill

**VOTE THE SALES TAX 308 X YES**

This advertisement prepared, submitted and paid for by the School Relief & Property Tax Reduction League, Paul T. Shaw, Chairman, P. H. Young, Manager, 907 Spaulding Building, Portland, Oregon.
