

JONES CHEERFUL OVER FOOTBALL TEAM OUTLOOK

Southern California Mentor Liked Showing in Spring Training — Loss of Stars Fails to Dim Hopes

LOS ANGELES.—(UP)—Shed a tear for the University of Southern California football team. It has lost five great players, and its 1935 squad probably will be kicked around properly.

Probably. But unless we miss our guess, Howard Harding Jones will come up with another crack team. Any squad that loses such great players as Aaron Rosenberg, Ford Palmer, Larry Stevens, Curtis Youell and Home Griffith could be in a bad way.

Good Spring Showing. Yet Jones is confident he has a good team in the offing, on the basis of showing during spring training.

Jones' line was badly hit by graduation, yet he has the faculty of turning ordinary backs in to crack-jack linebacks.

From his freshmen squad, Jones looks fondly on Theron Keller, David Davis, George McNeish, brother of Bob.

He expects his dynamic All-American star, Irvine Warburton, to be harder than ever to stop. He expects great things of Julius Beascoa at end; Cal Clemens at blocking back, and Haskell Wotkyns at full-back.

Happy Over Jorgensen. He was delighted to see Elwood Jorgensen, red-haired center of two years ago, return for another season of football. Jones will alternate Jorgensen with Herb Tatch, letter winner, from last year, at left tackle.

King Hall, last year's guard, is holding down center. Jorgensen weighs 200 pounds and his beer will be a big help.

Although some of his stars still are competing in baseball and track, Jones has used the following lineup in spring practice:

Fuhrer and Larabee at ends; Jorgensen, Tatch and Art Dittberner at tackles; Francis McKinley and Stan Koyne at guards; Hall at center; Bill Howard, Cliff Propat, Clemens and Keller in the backfield.

The Trojans won't be so badly off for material. Jones expects his greatest opposition to come from Stanford, California, Washington and Notre Dame.

SCHMELING GIVEN DRAW WITH BASQUE BARCELONA, Spain, May 14.—(AP)—Max Schmeling's second encounter with Paulino Uzcudun had gone into the record books as a draw today but the impression was general he easily had earned a decision he didn't get.

Through 12 rounds, the former heavyweight champion pounded away at Paulino's face, had the veteran Basque bleeding badly from the sixth round on, and outboxed him by a wide margin in the feature match of Montjuich stadium's 160-round boxing carnival yesterday. But at the finish the judges called it a draw.

Ringside critics, giving Schmeling at least eight rounds, thought the judges had been unduly influenced by the courageous fight Paulino put up against a younger, more skillful rival.

G. PASS GOLFERS DEFEAT KLAMATH GRANTS PASS, May 14.—(AP)—Repeating a 30-man Klamath golf team by the surprising score of 33 to 7. Grants Pass men golfers yesterday duplicated the feat of the local women golfers, who on Wednesday played the Klamath women and beat them 25 to 13.

Low medal of the tournament was turned in by Scott Hamilton of Grants Pass with a 78, and there local players tied with 79. Marvin Clark, Karl Bennett and Earle Voorhes. The low Klamath score was 83, turned in by E. Welmer and H. N. Moe.

This Sunday the local golfers will entertain the Roseburg Country club team here, and on June 3 will go to Klamath Falls for a return tournament.

LOCAL GOLFERS GOING TO EUREKA SUNDAY Rogue River Valley golf club has set Sunday, May 20 as the date for the local golfers to journey to Eureka for a return inter-city tournament with that club. Eureka members motored to Medford several weeks ago for a contest on the local course.

Larry Schade, chairman of the tournament committee, has wired the Eureka club that the locals will invade their city on that date.

HENDERSON'S WIN FIRST HALF FLAG KIT BALL LEAGUE

(By Harold Grove.)

In a thrilling game that was decided in the last inning, Henderson's All-Stars laid claim to first place in the first half of the Medford kat-ball league by defeating Jennings' Tire company, 3 to 7, Friday night.

The last half of the league pennant race will start Monday night with the new rules in effect. At the end of the fourth inning, the score was tied at three-all and during the first half of the sixth inning Jennings piled in four runs to lead, 7 to 3, but Henderson's came within one run of tying the score in that frame. Then in the last half of the seventh Henderson's scored two runs on errors. One of the errors accounted for a home-run on a single.

ALL SIGNED UP AND READY TO GO

You'd never guess it from this picture but these two fellows shortly will try to muss up each other's features amply. MORE ARRESTS IN CIRCULAR PASSING PLANNED BY D. A.

(Continued from page one)

Hiram R. Coleman, Fitch so far has been unable to furnish the \$1000 bonds. Fitch, according to the sheriff's office, had the circulars in his possession when arrested.

In this city most of the pamphlets were distributed in the residential district Friday afternoon, and resulted in a flood of phone calls demanding the distribution be halted in the interest of public peace and tranquility.

Under the Oregon law, criminal libel is a misdemeanor with a maximum penalty of one year in the county jail.

State authorities will take action against instigators of the pamphlet coming under their jurisdiction.

Bunch Not Witness The circular is based upon an affidavit of Talton Jack Bunch, a fellow convict of Fehi's in state prison. Bunch alleges in his affidavit that he watched the ballot theft from a county jail window. The records of Douglas county show he was confined in the county jail at Roseburg on that date. Authorities state this comes under the head of perjury and subordination of perjury. Bunch claims he made the affidavit for Fehi and "in the interests of truth and justice." He alleges that Chief of Police McCredie and then State Trooper James O'Brien visited him in Roseburg and tried to induce him to commit perjury. Bunch stands indicted in this county for bad check operations. He was sentenced to state prison from Douglas county.
