## Dusky Roman

Eddie Cantor in "Roman Scandals" opened at the Studio theatre today. This is the pop-eyed comic's fourth annual screen musical comedy. Ruth Etting, Gloria Stuart, David Manners, Edward Arnold and Verree Teasdale are his companions as he frolics among the gorgeous slave girls gathered for the pleasure of a Caesar; in and out of prison dungeons or flying over dusty roads at the reins of a thundering chariot, with lives at stake. Eddie plays a wistful, dewy-eyed lad in West Rome, Okla., whose imagination carries him back to the aid of beauty in distress in the Rome of the Caesars—to fantastic complications in court intrigue, ending in a stirring chariot chase, with the emperor's soldiers in hot pursuit of Eddie who has gained possession of a court secret. Of course Eddie escapes—back, in fact, to West Rome, Okla.

## Piles Go Quick

Without Salves or Cutting.

Thousands of sufferers from itching, bleeding or protruding piles have learned that quick and lasting relief can be accomplished with an internal medicine. Neither salves nor cutting remove the cause.

Dr. J. S. Leonhardt was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for hundreds of patients with a marvelous record of success, and then decided every Pile sufferer should be able to get HEM-ROID tablets from their own druggist with a rigid money back guarantee.

So why waste time on external remedies or worry about an operation when Jarmila's Woods' also McVair Bros. of Ashland, say "No matter what kind of Piles you have, one bottle of HEM-ROID tablets must show you the safe clean way to get rid of your Pile misery or money-back."
