

TRAP TOURNEY TO BE SPORT FEATURE DIAMOND JUBILEE

Scatter-Gunners Will Gather June 3 for Day of Competition in Many Events at Local Gun Club

A schedule of events for Oregon's Diamond Jubilee trapshooting and skeet tournament were announced this week by Tournament Chairman T. E. Daniels.

The Diamond Jubilee 50-target handicap is another feature on the program for cash awards, taking in events 5 and 6, followed by event 7, 12-pair doubles.

A grand handicap will have trophies for the last five high guns. A special skeet event will be staged as a part of the regular program. Trophies will be awarded to high gun and runner-up in a special match at 25 targets.

Mendenhall Offers Trophy. A trophy, donated by S. G. Mendenhall of Grants Pass, will be offered to amateur trapshooters, other than a class. A three-time winner gains permanent possession.

The Diamond Jubilee school is registered under the Pacific International Trapshooting association, the rules of which will govern the event. The scores will be included in the official records of the association, to be published next December.

CAT BALL TEAMS IN HARD STRUGGLE FOR SECOND HALF HONOR

Kat-ball teams are rounding into form for the second half pennant race as the first week of the play ends, many teams have started an undefeated march toward top honors and two games had to be postponed, but not because of rain.

The first games of the second half ended in defeats for Campbell's Clothing and Lampport's. Henderson's have lacked the strength of the first half. Lampport's have shown a decided increase in strength with the signing of a new pitcher, said to be the fastest in the league.

The high school team, taken over by "The Toggery," didn't show much strength in their game with the Active club, which ended in a 4 to 4 tie, but in their second game they showed world of strength in defeating Kidd's, 16 to 3, allowing them no hits up until the first of the sixth inning.

Your Office Boys had plenty of trouble in defeating Campbell's Thursday night. The youngsters pounded Sam Colton's wipers for 3 runs, holding a lead of three runs for nearly three innings, but on a fluke hit by a batter that had fanned in every preceding inning, scored four runs to win. The suiters kept nagging at the Office Boys' pitcher and started on a hitting spree only to be rewarded by three putouts by the Office Boys' infielders.

Jennings piled up a two-game lead on its opponents by taking into camp the Active club by a 6 to 1 score. Jennings' won their first game from Kidd's, 16 to 7.

Henderson's and Lampport's postponed their game.

LIONS WIN, 22 TO 7, FROM TALENT CAMP

In a seven inning merry-go-round the Gilmore Lions won Sunday from the Talent Relief camp, 22 to 7. Joe Patton came to bat six times for five hits, two triples, two doubles and a single.

Merris and Hee handled the pitching duties with Ward catching. Next Sunday the Lions travel to Eagle Point.

"GENERAL GRANT" LEAPS TO FAME IN FROG TEST

ANGELS CAMP, Cal., May 21.—(AP)—Angela Camp claims for its own today the "dangest, jumpin'est frog of 1934."

The agile amphibian, "General Grant" by name, a product of the home town's back lots, leaped 12 feet, 8 inches to win Calaveras county's great annual jumping jubilee.

Against a field of 155 entries, including the world's record-holder, "Budweiser" of Stockton, "General Grant" skidded to the championship yesterday while a crowd estimated by jubilee officials at 20,000 whooped things up.

"Budweiser" record of 15 feet, one inch, set in 1931, remained intact, however. The Stockton frog was declared by the owner, Louis Fisher, to be a victim of old age and made but a weak effort for the 1934 crown.

Another Stockton frog, "Jack" entered by Robert Gianelli, bounded 12 feet, 3 inches, for the second best mark in yesterday's competition. Third place went to "Flying Coon," owned by Louis Robinson, also of Stockton, with a leap of 12 feet, 1 inch.

"General Grant" comes from a long line of noted jumpers which first sprang to fame during the gold rush days, when old "Dan'l Webster" was champion. "Dan'l Webster's" downfall, through a dinner of buckshot administered by "city slickers," was recorded in Mark Twain's story and is the inspiration of the annual competition.

MENDENHALL HIGH IN TRAP SHOOTING

At the Medford Gun club traps Sunday morning, S. G. Mendenhall broke 50 straight for high score in the practice events. Ed Lampport was right on Mendenhall's heels with a 49.

George Jantzer headed the skeet shooters with 2025. In the skeet lead tournament, Ron DeVore still holds top place, having successfully defended his position against Jim Moore, who challenged him in Sunday's matches.

The Chester Wood challenge handicap trophy was won by Charles L. Woods in a shoot-off with Dr. Low and H. Croissant. Woods was challenged by several other shooters, the match ending in a tie between Woods, Clarence Eads and George Porter. This tie will be shot off Sunday, May 27.

The score at 50 targets: S. G. Mendenhall 50, Ed Lampport 49, Bill Bates 48, H. Croissant 48, Dr. Low 45, Fred Hull 45, George Porter 43, Charles Woods 41, Chauncy Brewer 35.

At 25 targets: Sid Newton 24, Ed Pease 23, Clarence Eads 23, Geo. Jantzer 22, Joe Burroughs 21, H. L. Claycomb 20.

At 25 Skeet: Geo. Jantzer 20, H. L. Claycomb 19, Ron DeVore 18, Chauncy Brewer 16, Jim Moore 14, C. E. Hoeler 12, Dr. Blake 11.

EGAN CHILLED BY SCOTCH BREEZES; LOSES GOLF DUEL

Medford's Entry in Walker Team Far Off Form—Eliminated in British Amateur by J. Wallace, 3 and 2

PRESTWICK, Scotland, May 21.—(AP)—Four of the shirt seven Americans to play in the British amateur golf championship today won their initial matches in a round featured by the thrilling uphill victory of George T. Dunlap, Jr., United States amateur titleholder, in a 22-hole match.

Dunlap, a British semi-finalist last year, was dormie five to G. P. Packenham Walsh, former champion of India, when he staged a remarkable rally with sub-par golf. The slender American captured five holes in a par and won on the 22nd, with a par four, as Walsh faltered.

Other victories were scored by Jack Westland of Chicago, who was carried three extra holes before vanquishing Robert Harris, a former British champion, one up at the 21st; Jesse Guilford of Boston, by 2 and 1, over R. A. Howell of Willingdon; Johnny Fischer of Cincinnati, 4 and 3, over K. Graham Patrick of Stirling; and Gus Moreland, the Texas star, who took the measure of the Walker cup captain, Francis Guimet of Boston, one up, 18 holes.

Guimet's game collapsed after an outgoing 35 which put him three up on Moreland. The Texan steadily cut down the Bostonian's margin, squaring the match on the 13th and finally settled the issue on the 18th.

The two oldesters of the American Walker cup team, Max Marston of Philadelphia and H. Chandler Egan of Medford, Ore., were eliminated. Marston fell before D. H. R. Marrin of Kneel Park, 3 and 1, and Egan lost to J. Wallace of Troon, 3 and 2.

Egan Off Form. Wallace had no business beating Egan, but the Oregon peer ranher simply wasn't playing up to form. On almost every drive Egan wandered into the rough or a bunker and he completely lost his putting touch. He missed a two-foot putt for a win at the 14th and failed to sink a one-footer at the 18th.

"I just wasn't hitting them," Egan said. The cold wind seemed to trouble the Oregonian, who kept his hands in his pockets between shots and blew on them before each shot.

After the 10th and 11th holes, Wallace took the 13th with a 4 to Egan's five for what proved to clinch his triumph. They halved the remaining four holes.

The cards: Egan out 539 535 554-41, Wallace out 439 534 545-39, Egan in 735-554 4xx, Wallace in 544 555 4xxx.

MINERS WIN, 4-3, OVER GOLD HILL IN EXTRA INNING

Playing on the Gold Hill diamond Sunday, the Jacksonville Miners downed their closest rivals 4 to 3 in a 10-inning contest replete with thrills and circus plays.

Other victories were scored by the Miners' hurler, Bill (Screwball) Turner, held the cement mixers scoreless for eight innings, after two hits and two errors had been committed. Turner allowed but eight scattered bingles, while the Miners collected 10 base hits off Tuffy Kell, Gold Hill hurler. Heads-up ball was played by both sides, with the score standing 3-3 till the tenth, when three hits in a row drove in the winning run.

Turner, recently with Denver in the Western league, is a local gold washer who Manager Leonard Hall persuaded to climb out of a mine hole long enough to put the bucket lifters back in the win column, and a heavy schedule has been lined up for the next few weeks, starting Sunday, when the Miners will journey to Butte Falls to meet Shorty Miles' loggers, who last week-end downed Ashland 11-7 on the Lithia field.

Following Sunday Jacksonville contemplates a game with Klamath Falls' Pelicans, fast nine, who have offered to make the trip to southern Oregon, Thursday of the same week. During the Gold Rush Jubilee, the nugget seekers will meet Hal Haight's Medford Rogues on the Jacksonville diamond, when a repetition of an early-season victory will be sought by the Miners.

Applegate

APPELGATE, May 21.—(Special)—Miss Luetta West of Little Applegate was pleasantly surprised Saturday night when about 30 friends and neighbors remembered her birthday, May 13, and came to spend a social evening with her. Dancing was enjoyed, with George and Bill Pursel furnishing the music. Lunch was served at midnight.

Mrs. Kathryn Denzer, teacher of Little Applegate school, presenting an interesting program the morning of May 11, which was enjoyed by more than 50 people. The program, which lasted more than an hour and was presented on a grassy knoll near the

creek, consisted of a May pole dance with all the fairies, flowers, brownies and even the sunshines and dew drops gathered around the greens thrown in their paper dresses. Each gave a dance and one dance given by Luella Chisman and Velma Wolf, two fourth grade girls, was of their own origination. A picnic lunch with ice cream was served at noon. The afternoon was spent in playing games.

Walter and Ellis Hartly returned home to Little Applegate Sunday after spending the past several months at Tula lake, where they were employed.

Mr. and Mrs. Bartow and little son of Little Applegate left Wednesday for Hood River.

Mr. Hughie of Tacoma arrived here last week to make an extended visit here with his daughter, Mrs. Harold Crump.

Only two new teachers will be employed in all the Applegate schools next term. Miss Mary Beatty will teach at Ruch and Carl Ayers has been chosen for Little Applegate.

Many friends of Uncle Bill Pursel will be pleased to know that his health is much improved and he is again able to play for dances.

Sunday guests of Mrs. R. S. Burchard included Mr. and Mrs. Pine, daughter and son-in-law and Mrs. Pratt of Medford.

The new barn being erected on the Kleinhammer ranch is progressing rapidly. Several of the neighbors met Thursday for the barn raising. The barn is being built where the barn stood that was destroyed by fire nearly eight years ago. Charley Hamilton of Ruch has charge of the work.

This is the final week for the 8th grade pupils in this vicinity and many of them are working hard with their examinations with great hopes of a trip to Ashland for graduation exercises. Several schools close this week, with others closing next week.

Mrs. Agnes Hynes spent the week-end here with her sister, Mrs. Mary Cantrell. Mrs. Cantrell accompanied her to Medford last Saturday to attend the writers' meeting there.

Miss June Nugent, who is attending school at Medford, spent last week-end with her parents, Mr. and Mrs. Vincent Nugent at Steamboat.

Week-end guests of Mr. and Mrs. L. C. Fort included their son, Lee junior, who is attending school at Corvallis, and Miss Herbert of Ashland.

Mr. Spaulding of Medford, who logs for the Tomlin mill, has moved his logging equipment to the Victor station place in the Yale creek vicinity and is finishing the logging he started there last year.

Sunday guests of Mrs. Mary Pursel on Yale creek included Mr. and Mrs. W. D. Peckham of Williams creek, Mrs. Edna Pursel and friends of Medford.

Sunday afternoon guests of Mrs. Nellie Ridings included Mrs. Mattie Russell, son and daughter, and Mr. Marvel of Medford. Other callers during the week were Mrs. Alice Summers and son Lyle, en route to their home in Washington after spending some time at Los Angeles, Tia Juana and other California cities.

Mrs. Ridings and Mrs. Summers were schoolmates in Missouri.

The Keyhole, the new newspaper at Camp Applegate, seems to be interesting and has caused fun among the neighbors as well as those in the camp. The editors are Hal Gates and Guy Tilman and the advisory editor is G. I. Jones. The first issue of the paper, typed in camp, was published May 6.

Mr. and Mrs. Vern Buck of Colusa, Calif. motored here Sunday to spend Mother's day with Mr. Buck's parents, Mr. and Mrs. M. R. Buck.

Mr. and Mrs. Ray Offenbacher were surprised Saturday when several neighbors came to spend a social evening with them.

Griffin Creek

GRIFFIN CREEK, May 21.—(Spl.)—William Fields, who passed away suddenly at the home of his daughter, Mrs. Ethel Meadows, on May 10, was buried Saturday in the Griffin Creek cemetery beside his wife who died 20 years ago. The community extends its sympathy to the two daughters and their families.

All were sorry to learn of Mrs. Fields' accident, but hope for her speedy recovery.

Mrs. D. A. Hood entertained the afternoon of May 9 with a handkerchief shower for Mrs. A. M. Williams, who left Thursday for Los Angeles, Mrs. Williams has been an active member of the study club.

"Building a Canal or Buying a Car... good Engineering Counts"

A CERTIFIED INTERVIEW WITH CONSTRUCTION ENGINEER FRANK VIOLETTE, PANAMA CANAL ZONE

"We punish cars down here...but let me tell you how my Plymouth takes it."

FRANK VIOLETTE is a modest man. He talks very little about his supervising millions of dollars' worth of Panama's construction. But ask him about cars...

"In the Canal Zone, our everyday driving soon proves to us how a car takes punishment. I've found that of all the low-priced cars, Plymouth stands up the best."

And Mr. Violette isn't surprised that Plymouth proved to be the strongest. As an engineer, he knows

from long experience that steel reinforced with steel is the safest form of construction you can have.

But Plymouth engineers didn't stop with this one safety feature. They added Hydraulic Brakes—the safest brakes made.

Then, they built in extra comfort, too...with patented Flexing Power engine mountings and Individual Wheel Springing.

Any Dodge, De Soto or Chrysler dealer will demonstrate Plymouth.

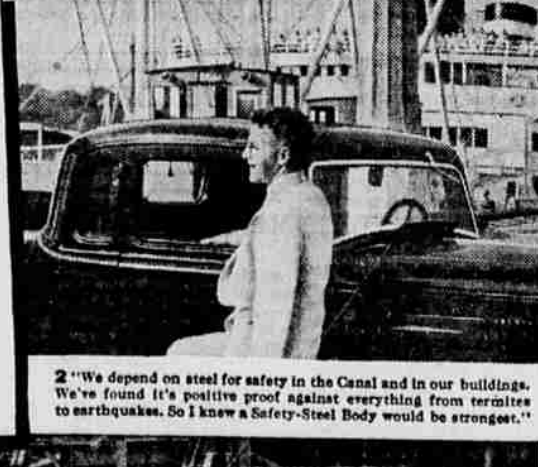

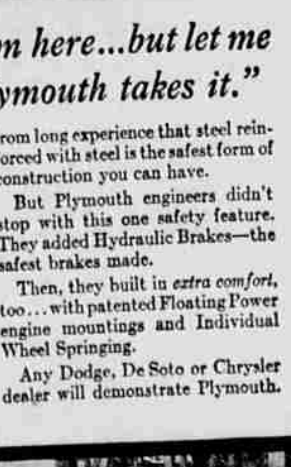

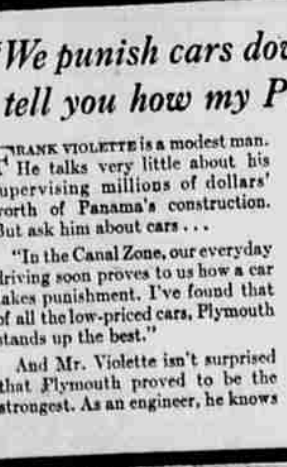

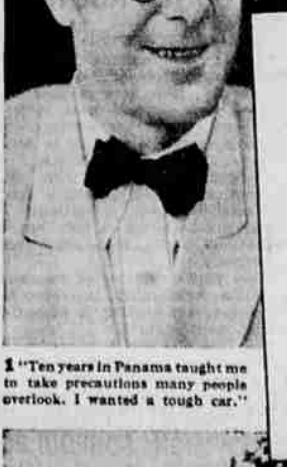

2 "We depend on steel for safety in the Canal and in our buildings. We've found it's positive proof against everything from termites to earthquakes. So I knew a Safety-Steel Body would be stronger."

3 "Some of our roads weren't built for comfort. But my Plymouth was. Its Individual Wheel Springing levels out the bumps. And Hydraulic Brakes keep me out of many unexpected mud holes."
