

32 JOIN MEDFORD LODGE OF ELKS IN IMPRESSIVE RITE

Twenty-two candidates were initiated as members of the Elks lodge in impressive ceremonies last evening conducted by Past Exalted Ruler C. Y. Tengwald and Exalted Ruler J. F. Fliegel. At the same time, ten members of other Elks lodges were received into the local organization through demit. Following the initiation a welcoming talk was given the "baby" Elks by C. E. "Pop" Gates.

Announcement was made at the meeting that the lodge officers and committee are preparing for one of the greatest out-door gatherings ever sponsored by the Medford Elks, in the form of a picnic at the Elks picnic ground on Rogue river next Tuesday afternoon and evening.

In addition to a "songfest," and feed with plenty of beer, a boxing card is being signed up by Mack Lillard, local promoter. The main event on the card will pit Frankie Monroe, Klamath and Portland fighter who has been going great guns around Portland in recent weeks, and Johnny Shaw, Seattle negro who recently won a main event in Portland. They will go six rounds.

Jack Ray, of Yakima, Wash., and Jebb Wilder, Medford, will also fight six rounds in a semi-windup. Wilder made a great hit at a recent Elks smoker in Ashland, when he beat the well known Spider Fields.

Following the lodge session last night the Elks and their newly made brothers enjoyed a feed and beer. Those initiated were: Fred W. Greene, N. A. Mead, Wm. M. McAllister, W. E. Thomas, E. C. Westergren, Alfred E. Stoeber, Edwin V. Anderson, J. S. Johnson, Mack Lillard, Roland A. Smith, Dwight H. Finley, O. H. Bengston, Walter L. White, Lee R. Allen, J. Orbin Cooksey, Allison Moulton, Ray W. Johnson, Ivan W. Harrington, Harry E. Foster, G. W. Kiehn, Chas. D. Farmer, T. H. Robinson.

Those joining by demit were: Walter W. Abbey, Leland Clark, Lloyd G. Morthland, Frank DeSouza, A. Z. Dean, James S. Pardee, Frank H. Reum, J. D. Moad, H. E. Armstrong, H. D. Byington.

NEW YORK, May 25.—(AP)—The stock market enjoyed a creeping advance today and prices of various leaders recorded gains of 1 to 2 or more points. The list was steady throughout and rallying tendencies appeared in the latter part of the session. Notwithstanding the upward slant, however, extreme dullness prevailed. The close was firm. Transfers approximated \$25,000 shares.

DUB AND DUFFER TOURNEY SLATED AT GOLF COURSE

The "Dubs" and "Duffers" will engage in open warfare at the Rogue Valley Golf club over the week-end as a result of the taunts which have been hurled promiscuously for the past several weeks, since finish of the recent tournament among the "not-so-good" divot diggers of the local links.

A team made up of 12 duffers will play a similar contingent of dubs, matches to be completed by Sunday night, and the winning team will play the team which recently went to Ashland for a match. Three-quarters of the difference in handicap will be allowed in the dub-duff engagement and Jack Hueston, club pro, is looking forward to a grand time in settling the arguments which are bound to arise in the heat of battle.

The teams will be made up as follows:

Dubs—	Duffers—
Bruce Bowers	Jack Reynolds
E. L. Childers	George Hunt
Frank Perl	Walter Leverette
George Codding	Mark Miller
Capt. Barbin	F. H. Reum
Dr. Kresse	John Cupp
"Irish" Coleman	Orin Schenck
George Fry	Gene Thorndike
H. R. Barton	Rawles Moore
R. Ebel	Bill Heath
W. Johnston	Howard LeClere
Harold Bunce	Maje Morris

Ye Poet's Corner

IN HOSPITAL WARDS
(By Ida Walradth.)

In hospital wards the poppies blow,
Among the cots which row on row
Do mark the place where heroes lie,
And keep hope still bravely high,
Though all life's plans have crumbled low.

We are disabled. Long years ago
We worked, left vigor, saw hope aglow
Loved and were loved; and now we lie
In helpless state.

Take up our battle with woe!
To you, from falling hands we throw
The poppy, be yours to wear it high!
If you break faith with us soon to die,
We shall not sleep, where poppies lie
In hospital wards.

RATTLENAKE BITES KLAMATH FALLS LAD

KLAMATH FALLS, Ore., May 25.—(UP)—Billy Smith, 12, was in a critical condition in a local hospital today—the result of being bitten by a rattlesnake.

The lad thrust his hand down into a squirrel hole. The snake lay coiled at the bottom.

Experiments have proved ordinary calcium arsenate, used for years in killing boll weevil in cotton, is just as effective in eradicating potato bugs.

sorted missiles, gathered at the plant of the Electric Auto-Lite company here at noon today and reopened the bombardment of the building and troops, which already had cost the lives of two men.

The crowd gathered at street intersections still strewn with the wreckage of debris of three days of rioting. Guardsmen, laying a field telephone communication system, made no attempt to break up the crowd as paving bricks and chunks of concrete came hurling up toward the factory building.

Attack Lacks Spirit

The attack was aimless and less spirited than the fighting yesterday, which led to hand-to-hand slugging and bullets. The militiamen had bayonets fixed, but did not use them.

City police today were on watch at train, bus and interurban stations, after they said they heard a report that a group of 200 communists was en route here from Chicago and Detroit to join rioters.

This surveillance of visitors to the city was being carried on while a bombardment of missiles from angry members of a constantly growing crowd in excess of 1500 persons was being laid down against Ohio National guardsmen in the Electric Auto-Lite Plant riot area.

NEW CHERRY ON PORTLAND MART

PORTLAND, May 25.—(AP)—A cherry new to the local trade was offered today on the east side farmers' wholesale market. It was known as the yellow French and was of small size and the name indicated the color, rather sweet.

Some Tartarian cherries were sold at 5c lb. with pie stock mostly 4c.

Strawberries were showing a spread of 75c to \$1.25 stuff with most of the really good stuff at 90c to \$1 crate.

Raspberries were sold, \$1.15@1.40 crate generally with a few Marble-heads higher. The latter were offered for the first time.

Loganberries held a weak tone at 75c to \$1, but few moving at the higher mark.

A foundation stone from the Kentucky home of Mary Todd Lincoln, wife of the president, has been placed in the rock garden of the Girl Scout headquarters in Washington.

Three hundred and thirty-six different firms and individuals benefited when a Wisconsin national farm loan association received a loan of \$314,000.

LEGION CARAVAN PLAN DISCUSSED

Plans for the American Legion caravan to Klamath Falls were discussed at a meeting of the executive committee of Medford post No. 15, held at the Hotel Jackson this noon. The caravan which will advertise the Diamond Jubilee in the Klamath metropolis will leave here Tuesday afternoon at 3 p. m. sharp and local citizens are cordially invited to participate either with or without cars. All who can go should get in touch with Lee Garlock at the AAA office or H. L. Bromley at Copco, before Monday night.

A big caravan is planned with the Medford Legion drum corps, a steam calliope, loud speaker equipment, a jumping steer and other novel features to entertain the Klamath citizens. Further details of the caravan will be discussed at the meeting of Medford post, to be held at the Armory Monday night.
