

Little, Brilliant Coast Golfer Wins British Amateur; Outclasses Scot

WALLACE, SCOTCH IDOL UNABLE TO WIN SINGLE HOLE

Victor Hailed As Peer Of Bobby Jones By Gallery—Sensational Golf Thrills.

PRESTWICK, Scotland, May 26.—(AP)—Literally blinding his opponent with the greatest exhibition of competitive golf ever shot in the championship, W. Lawson Little, 23-year-old Pacific coast husky, today overwhelmed hapless Jimmy Wallace, Scottish champion, 14 and 18, to win the British amateur title. He was the third native American to win the championship.

The gallery of upwards of 12,000, which swarmed after the match hopeful of victory for their native idol, gave the square-shouldered American a great ovation.

Wallace did not win a hole.

When the new champion and Wallace returned from the 23rd hole, where the slaughter ended, a solid line of cheering Scots made a triumphant pathway to the clubhouse for the victor and the vanquished.

Regardless of their disappointment over Wallace's crushing defeat, the natives of the land of heather love a great golfer and when Little made a charming speech in accepting the trophy they interrupted him after every sentence with a booming cheer.

Throughout the sensational, record-cracking match Little's face was a mask of determination but he smiled when the cup was presented to him by the venerable Marquis Alisa, acting for the Prince of Wales.

As far as 12,000 Scots are concerned, Little now supplants Bobby Jones and the veteran Harry Vardon as the world's greatest golfer. They saw him shoot 23 holes in eight under par, including seven birdies and an eagle three for a new all-time record for this classic tournament.

Little's 66 in the morning shattered the professional course record of 69 hung up by MacDonald Smith and smashed the amateur standard of 71 set by H. Blackwell. That stellar round also created a new low for championship rounds.

Only once in what was to have been a 36-hole match did Little yield to par. The lapse occurred at the sixth hole where he required two putts from six feet for a five. Otherwise he was even with par or under regulation figures.

On Elk's Card

Jack Ray, Yakima mitt slinger, who will face Jobb Wilder, of Medford, in a six-round brawl at the Elks club picnic smoker next Tuesday at the Elks lodge picnic grounds on Rogue river. The bout will be part of a boxing card which will feature the program Tuesday night when the Elks and their invited guests gather for a great open-air feed and entertainment on the river.

Meanwhile the temperature of John F. Pan was rising rapidly. He hasn't been so excited over the little fellows since Benny Leonard's heyday. Madison Square garden officials announced the advance sale had crossed the \$100,000 mark and reiterated their belief full 70,000 would find their way into the Garden's Long Island bowl for the fight. With any sort of a break from the weather man, they figured the "gate" would pass \$250,000.

The betting odds remained at even money despite the belief of many well-informed critics that McLarnin would carry too much weight and hit too hard for Ross.

But if the experts figure Ross can not concede so much weight and hope to win, the lightweight champion himself is confident.

"I'm in the best condition of my career," he said. "I haven't a sign of excuse. McLarnin can't beat me."

Royal Neighbors of America will give a dance and card party at the K. P. hall Thurs. evening, May 31, admission 25c per couple. Extra ladies 10c. Refreshments. Good music.

Thanks mainly to the marked superiority of two young giants in the weight toting ranks, John Lyman and Gordon (Singer) Dunn, who took the first two places in both the shotput and discus, Stanford had no trouble at all in rolling up 35 1/2 points. Six of the seven Indians from Palo Alto figured in the team scoring, captured four first places altogether and removed any doubt as to the outcome by the time the meet was half finished.

It was the tenth consecutive I. C. A. A. A. victory for a Pacific coast team, the 13th triumph in 14 years and Stanford's fourth annexation of the state's most highly prized track and field trophy, "Dink" Templeton's pupils, who last won the championship in 1927-28-29, succeeded Southern California, which did not send a team this year after scoring four successive victories.

The Medford high school tennis team closed a fairly successful season this week with a record of four victories and two defeats, the latter being handed to the local boys by the Grants Pass team by the close score of 4-3 in each case. The match played last Wednesday in the Climate City was practically a tie, the winning point being made by the Pass boys in the last set of doubles after each team had one set and the same score stood at 7-up in the third and deciding set. The players who participated in this exciting match, together with scores, are as follows: Cope (M. H. S.) vs. Blanchard, 6-2, 8-6; Brown vs. Van Dyke, 5-3, 6-1; Kroschell vs. Gilmore, 8-10, 4-6; Coss vs. Dillingham, default in favor of Coss after one set; Dudley vs. Haman, 2-6, 1-6; Cope and Coss vs. Blanchard and Dillingham, 3-6, 6-8; Kroschell and Brown vs. Haman and Van Dyke, 4-5, 6-4, 7-9.

In the five matches played against Southern Oregon high school teams, two members of the local squad made excellent records. Cope, playing first position, has five singles to his credit, winning in each of the five matches played. Brown is a close second with four out of five to his credit. Kroschell, who is third in number of points won, is the only member of the team to graduate, thus leaving next year's team practically intact and assuring another successful season. H. F. Cope of the high school faculty was in charge of tennis for the season just closed.

M'LARNIN DRILLS TO MAKE WEIGHT AND SAVE \$10,000

No Rest Till Monday Noon—Ross Ends Training And Confident Of Victory—Fans Excited.

By HERBERT W. BARKER (Associated Press Sports Writer) NEW YORK, May 26.—(AP)—Mainly to save himself a fat check, Jimmy McLarnin toiled on at his Atlantic City training camp today in preparation for his welterweight title defense against Barney Ross Monday night.

A little older, a trifle slower but hitting just as powerfully as ever, the pleasant-faced Celt already has rounded into perfect condition. But \$10,000 in forfeit money depends upon his ability to make 145 pounds, two pounds under the welterweight limit, at noon Monday in accordance with a private agreement with Ross. That means Jimmy will get no real rest until after he has hopped on the scales. Ross expects to scale around 137 pounds.

For Ross the training period is over. The speedy lightweight champion from Chicago arrived in town last night from his camp at Ferndale, N. Y., and immediately installed himself and his entourage in a mid-town hotel. He planned a brief drill in a gymnasium this afternoon, just enough work to keep him at razor-edge.

Meanwhile the temperature of John F. Pan was rising rapidly. He hasn't been so excited over the little fellows since Benny Leonard's heyday. Madison Square garden officials announced the advance sale had crossed the \$100,000 mark and reiterated their belief full 70,000 would find their way into the Garden's Long Island bowl for the fight. With any sort of a break from the weather man, they figured the "gate" would pass \$250,000.

The betting odds remained at even money despite the belief of many well-informed critics that McLarnin would carry too much weight and hit too hard for Ross.

But if the experts figure Ross can not concede so much weight and hope to win, the lightweight champion himself is confident.

"I'm in the best condition of my career," he said. "I haven't a sign of excuse. McLarnin can't beat me."

OREGON TRACKMEN DEFEAT STATE BY 2-POINT MARGIN

By the surprisingly slim margin of two points the University of Oregon track team defeated Oregon State college, 66 to 64, here today.

The contest was not decided until the next to the last event when Wagner's great two-mile brought the needed first place. The Beavers fought back gamely and won the mile relay to put the finishing touch to a close meet.

The Webfoots were doped to win by a good margin but the Beavers predominated the early events for a steerable lead. Each team captured seven firsts while a three-way tie for first resulted in the pole vault.

The one new meet record was set by Bronson of Oregon State, who won the 440 in 49.8, eclipsing the old record set by Kirk of Oregon State in 1932.

The other track record was set by Parke of Oregon, who whistled the javelin 203 feet 3/4 inches to win the event handily. The former record of 195 feet 1/2 inches was set by Dixon of Oregon.

Guglielberg of Oregon State clipped off the mile in 4:28 while Wagner of Oregon ran the two-mile in 9:54.

With only the two mile and the relay remaining Oregon needed five points to win. Wagner, former Helix high star, was free and circled the track eight times in a near record performance. He was the only Oregon man to finish the long grind.

Defeated but game to the last, the Beavers won the mile relay when Captain Bob Bronson running anchor man for Oregon State overtook Shoemaker of Oregon to win the final lap by two yards.

The Webfoot sprint star Shoemaker won both the 100 and the 200-yard dashes, tying the Bell field mark of 22 flat in the latter event. He became the fifth sprinter to share the record.

Only two places were awarded in the hundred yard dash because Fyock and Hopsan were disqualified for jumping the gun twice. The elimination of the one point for third place in the century made it possible for the meet to end in a tie, which almost happened.
