KLAMATH, MEDFORD GIRL SCOUTS WILL HAVE JOINT CAMP

Medford Girl Scouts are having a joint summer camp with the Klamath Falls scouts at the Lake of the Woods this year. Camp will open Sunday, June 17th and close Saturday, July 7th. The camp fee is \$5 per week. Transportation will be arranged by scout parents and friends. Will those people who have cars and are willing to help with the transportation get in touch with Mrs. Chas. Bateman (phone 1304-L) as soon as possible?

All scouts who plan to attend camp are urged to leave their names and camp date preferences with Mrs. Bateman within the next week. It is hoped that many scouts will be able to take advantage of at least a two-week camp period.

Camp bulletins with complete camp details will be issued from scout headquarters, 500 East Main street, as soon as they are received from Klamath Falls.

Camping on the lake will furnish new experiences for the girls who have formerly camped at the old Applegate site. Every girl should try to earn \$5 between now and camping time so she will be sure of at least one week at camp.

LUNCH WAGON TO PROFIT SCHOOL

A lunch stand, in the form of a covered wagon, will be operated during Diamond Jubilee week by the Lincoln Service club, and is to be located near the intersection of Main and Central at the Jackson County Bank building corner, it was announced today.

Mrs. Ethel Florey and Mrs. Hugh Scovell are in charge of arrangements. Members of the city fire department are co-operating with the club, and are building the wagon.

Proceeds of the concession will be used for the school's soup kitchen next fall. The service club has served hot lunches throughout the past school year, and the fund derived next week is expected to aid the work materially.

PARADE ENTRIES TO GET NUMBER GIVING POSITION

Entry numbers for the Pioneer Parade, one of the outstanding features of Oregon's Diamond Jubilee, will be given out all day Thursday at the jubilee headquarters.

Mrs. C. L. Hopkins, of the parade committee, has set the date for Thursday and asks that all participants make it a point to get their numbers on that day. Everyone who has a float, walks or rides in the parade must have a number showing his position in the line.

Entry lists have been closed and the parade promises to be the greatest exhibition of its kind ever seen in this territory. Twenty-two covered wagons will reproduce the early wagon trains to the Oregon country, while 50 costumed men of the CCC will faithfully portray the Lewis and Clark expedition.

A tribe of Indians in native garb will be but one of the features while scores of horses and men will be used to portray the various highlights of Oregon history.

R. E. Peyton, old time Indian interpreter and still one of the leading authorities on Indian languages, will appear in the parade wearing a scout suit made by the Pawnee tribe. Twenty-five special floats will be seen in the parade which will stretch more than two miles. It will begin at 10 o'clock Thursday morning, June 7.

BANKS CREDITOR TO GET ORCHARD

A decree in favor of the City National bank of Clinton, Iowa, against L. A. Banks, former local agitator, serving life in state prison for second degree murder, was filed yesterday in circuit court. The mid-west bank held a mortgage for \$5000 on orchard land, held by Banks, in the south end of the valley. The mortgage was made October 13, 1932. The decree orders a sheriff's sale, as soon as possible, and immediate possession by the purchaser.

The court holds that the bank's claim takes precedence over the government's claim of \$8342.84, for income taxes over a lengthy period, which Banks failed to pay, or claims of other creditors, or liens for wages for labor.
