BAD BRAKES BRING SERIOUS CHARGE

PORTLAND, May 30.—(AP)—Lewis M. Kietzing, 41, of Portland, driver of an automobile which last night struck and fatally injured Jim Wong, 65, a Chinese, was rebooked on an involuntary manslaughter charge today and bound over to the grand jury. His bail was set at \$1,000.
Kietzing said Jim apparently became confused and stepped into the path of the automobile. Police accident investigators said foot brakes on Kietzing's automobile were out of commission, and the emergency brake held on only one wheel.

SALEM, Ore., May 29.—(AP)—The first reunion of graduates and former students at the state blind school will be held June 16, it was announced here today by Walter Dry, superin-

tendent, following approval of the board of control to hold the affair. The program will be featured by a dinner and dance.

Close Figuring
NEW BRITAIN, Conn.—(UP) They

couldn't figure it any closer in Glasgow. When the public works board computed the cost of annual rentals of electrical conduits, it was finally determined the charge would be .063422593 per foot.

FARMERS USE BOMBS ON MISSOURI CROWS
KEYSVILLE, Mo.—(UP)—Chardon county farmers devised a unique method of eliminating crows that

have been increasingly annoying here recently.
A group of farmers decided to bomb the crows. They connected dynamite bombs with wires strung in trees where the birds roosted. When a

bird flew against the wire, it exploded the bomb, killing many birds.
Five Stages of Drunkenness
BEND, Ore.—(UP)—There are five stages of drunkenness, Circuit Judge

T. E. J. Duffy instructed a circuit court jury, trying a case appealed from justice court. They are, he said: Jocos, lachrymose, morose, bellicose, comatose. The jury brought in an unadorned verdict of guilty.
