## IT WON'T BE MUCH LONGER NOW!

Boy-Page Mr. Ripley-Believe It or Not, but this comin' Sunday and the Diamond Jubilee is ON! Sorta hard to get the full realization—Just caught ourselves biting the finger nails, as we pondered the thought -Suppose Medford doubles its population each day during this coming week; let's see, that's 11,000 population plus 11,000 visitors totals 22,000—We got that answer easy — but we leave it up to you — WHERE WE GONNA PUT 'EM? Think it over-

A lot of folks thought we were kiddin' last week when we wrote an ad about sleeping in the backyard and garages-Well, mebbe so-but just plain common sense will prove to us-we're gonna be crowded! Medford will possibly have that 50,000 visitors for the full week, with possibly no more than 10,000 on any one day. We have always maintained this Jubilee was and is going to be bigger than our own Medford people realize—tha' is, most of them—up to now.
